McIntosh,1999-01-01 How to meet the needs of a modern congregation by transforming troubling social trends into opportunities for ministry **Team Leadership In Christian Ministry** Kenneth O. Gangel,1997-01-05 Team leadership is the exercise of one s spiritual gifts under the call of God to serve a certain group of people in achieving the goals God has given them toward the end of glorifying Christ How is your church or organization governed Does it have an authoritarian top down administration Is the ministry vision developed by a few top officials with little input from staff or volunteers Today the definition of an effective leader has changed No longer does the model leader manage like the Lone Ranger either do it his way or no way Today the model leader shares responsibility with fellow team leaders and seeks to serve them In this complete revision of his earlier work *Building Leaders for Church Education* Dr

Gangel carefully lays a biblical foundation for the team leadership model This leadership is not dogmatic control or personality worship It has no room for political power plays Instead it is Paul gently nurturing young Christians in his epistles It is Barnabas willingly thrusting others into situations where they develop their own gifts It is Christ choosing not one but twelve men to carry on His ministry It is servant leadership With examples illustrations and suggestions for further reading at the end of each chapter Dr Gangel prods and encourages the reader to move beyond the safety net of autocratic leadership into the rewarding effective practice of leading with and through others Preparing for Christian Ministry David P. Gushee, Walter C. Jackson, 1996-09-01 Encouragement for students to reflect on the nature and task of ministry in the 21st century and to seek education to equip them for ministry **Volunteers for Today's Church** Dennis E. Williams, Kenneth O. Gangel, 2004-04-08 Too often the same few faithful people end up volunteering their services in the church while the majority seems content to watch the action or lack thereof from the sidelines But there is hope for leaders who find themselves in this situation *Volunteers for Today's Church* shows ministry leaders how to motivate the stand by crowd to start playing the game And although just getting players to sign up is a major task seasoned coaches know that this is just the beginning Determining the strengths of each volunteer is crucial for a strong team Dennis Williams and Kenneth Gangel here provide practical advice on how to dovetail a volunteer's gifts with a ministry that really fits Included are tips on personal recruiting teamwork supervising training and keeping workers motivated **Practical Wisdom for Pastors** Curtis C. Thomas, 2001-04-03 As a pastor your job is filled with blessings and satisfaction as well as unique challenges and pitfalls Here a ministry veteran covers virtually all of those areas with a wealth of practical insight culled from 44 years in the pastorate Blending his deep love of the Word and commitment to biblical ministry Curtis Thomas offers a rich source of help and encouragement that will enthuse and benefit you whether you've pastored for five years or 50 *Effective Pastoring* Bill Lawrence, 1999-10-05 A great deal of confusion exists today as to what pastors are to be Lawrence writes Are they chaplains CEO's preachers managers or counselors Paul gave us the answer long ago They are to be equippers disciple makers Just as the great artist Michelangelo took a chipped and flawed piece of marble and transformed it into a masterful sculpture of David so does a pastor with his flock This is pastoring writes Lawrence serving as sculptors of souls **Proceedings of the General Board of the Church of the Nazarene and Its Departments** Church of the Nazarene. General Board, 1985 **A Multi-Site Church Roadtrip** Geoff Surratt, Greg Ligon, Warren Bird, 2009-09-22 What is the rapidly expanding multi site church movement all about Experience the revolution for yourself and see why it has become the new normal for growing churches A Multi Site Church Roadtrip takes pastors church leaders and anyone who is interested on a tour of multi site churches across America to see how those churches are handling the opportunities and challenges raised by this dynamic organizational model Travel with tour guides Geoff Surratt Greg Ligon and Warren Bird authors of *The Multi Site Church Revolution* and enjoy engaging and humorous on site narratives that show you the creative ways churches of all kinds are

The Weak Church Peter Ahn, 2025-09-04 Within the heart of the modern church a quiet crisis brews the steady decline in church attendance a trend acutely visible among the Gen Z cohort who holds a deep-seated yearning for authentic connection and an aspiration to thrive within a transparent community Enter the world of The Weak Church a groundbreaking narrative that shuns the conventional pursuit of mega-sized congregations and toxic masculinity inviting instead a resurgence of vibrant genuine communities through a ministry philosophy of weakness The essence of this book reaches far beyond the realm of numerical growth It is grounded by a singular objective to unravel the threads connecting our culture's obsession with strength while arming church leaders with a radical philosophy of weakness This philosophy holds the profound potential to redefine every facet of the church As the pages unfold you'll encounter the resounding proclamation My grace is sufficient for you for my power is made perfect in weakness 2 Corinthians 12:9 echoing through the corridors of transformation
