

A black and white photograph of three industrial smokestacks emitting thick plumes of smoke. The scene is reflected in a body of water in the foreground. A semi-transparent dark rectangle is overlaid on the middle of the image, containing the title text in white serif font. A dark blue vertical bar is on the far left.

Municipal Control Of Public Utilities:

Municipal Control of Public Utilities Oscar Lewis Pond, 1906

Municipal Control of Public Utilities,

Anonymous, 2023-07-18 A pioneering study of the legal and political issues surrounding the regulation of public utilities this book offers readers a detailed and insightful analysis of the debates and controversies that shaped the development of this important area of public policy Drawing on a wide range of sources including court cases legislative records and historical documents Pond provides readers with a nuanced understanding of the complex legal and political landscape of the early 20th century This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant Municipal Control of Public Utilities Oscar Lewis Pond, 2015-07-13 Excerpt from Municipal Control of Public Utilities A Study of the Attitude of Our Courts Toward an Increase of the Sphere of Municipal Activity One of the most marked characteristics of American as of European civilization is the great development of urban life This development has been not only extensive but intensive Cities have increased not only in number but also in size and not only are the problems incident to urban life becoming of interest to greater and still greater numbers of persons but the solution of these problems is at the same time becoming more difficult and more necessary One of the methods of solving these problems is the extension of the sphere of municipal activity At one time our conception of a city similar to our conception of the government as a whole was that it was an organization which should preserve order and within the limits of the law which it was its duty to enforce permit the greatest possible freedom of action to the individual from whose initiative and energetic activity it was believed that the community as a whole would derive the utmost advantage It was found however however that unregulated or insufficiently regulated individual activity was followed in the life of our urban communities by such evils that it became necessary to have greater and greater recourse to the repressive activity of municipal as well as state governmental organs Such repressive activity was believed at first in many instances to be inconsistent with the guarantees of individual rights contained in our constitutions About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Municipal*
