Marcus Hansen,1980-05-01 Old Fort Crawford and the Frontier Bruce Ellis Mahan,1926 *The Swiss Emigration to the Red River Settlement in 1821 and Its Subsequent Exodus to the United States* ANTOINE de COURTEN,2013-11-21

Everything went wrong Having crossed the Atlantic for about 3 months and getting stuck in the ice of Hudsons Strait for another three weeks the band of Swiss emigrants had to row with great hardship up the Hayes River over some 60 portages and cross Lake Winnipeg in its full length Arriving starved exhausted and deprived of their belongings at the Red River Settlement just before the snows they were told that nothing had been prepared for them Lodging and food was there none due to a plague of grasshoppers and floods that had destroyed the harvests of the previous four years The so called Promised Land was bare of any prospect Thoroughly embittered and disgusted one family after the other headed south between 1821 and 1826 some alone others in groups hoping to reach present day Minnesota as their first refuge But to get there they had to cross over some 350 miles of prairie a veritable desert of uncharted trails and water holes peopled by roving Sioux looking out for victims to scalp How did they survive Thats what the reader will find out by reading this dramatic document which is illustrated by Peter Rindisbacher the young artist who participated in this extraordinary venture *Minnesota History*

Forts of the West Robert Walter Frazer,1965 The number and variety of forts and posts together with changes of location

name and designation have posed perplexing problems for students of western history Now Robert W Frazer has prepared a systematic listing of all presidios and military forts which were ever at any time and in any sense so designated The lists of posts are arranged alphabetically within the boundaries of present states Pertinent information is included for each fort date of establishment location and reason for establishment name rank and military unit of the person establishing the post origin of the post name and changes in name and location present status or date of abandonment and disposition of any existing military reservation A map for each state shows the location of the posts discussed A prime reference for historians Forts of the West will prove useful to readers of western history as well

The Red and the White: A Family Saga of the American West Andrew R. Graybill, 2013-10-07 Winner of the Labriola Center American Indian National Book Award One of the American West's bloodiest and least known massacres is searingly re-created in this generation spanning history of native white intermarriage National Book Award winning histories such as *The Hemingses of Monticello* and *Slaves in the Family* have raised our awareness about America's intimately mixed black and white past Award winning western historian Andrew R Graybill now sheds light on the overlooked interracial Native white relationships critical in the development of the trans Mississippi West in this multigenerational saga Beginning in 1844 with the marriage of Montana fur trader Malcolm Clarke and his Piegan Blackfeet bride Coth co co na Graybill traces the family from the mid nineteenth century when such mixed marriages proliferated to the first half of the twentieth when Clarke's children and grandchildren often encountered virulent prejudice At the center of Graybill's history is the virtually unexamined 1870 Marias Massacre on a par with the more infamous slaughters at Sand Creek and Wounded Knee an episode set in motion by the murder of Malcolm Clarke and in which Clarke's two sons rode with the Second U S Cavalry to kill their own blood relatives
