The Ancient Languages of Syria-Palestine and Arabia Roger D. Woodard, 2008-04-10 This book derived from the acclaimed Cambridge Encyclopedia of the World's Ancient Languages describes the ancient languages of Syria Palestine and Arabia for the convenience of students and specialists working in that area Each chapter of the work focuses on an individual language or in some instances a set of closely related varieties of a language Providing a full descriptive presentation each of these chapters examines the writing system's phonology morphology syntax and lexicon of that language and places the language within its proper linguistic and historical context The volume brings together an international array of scholars each a leading specialist in ancient language study While designed primarily for scholars and students of linguistics this work will prove invaluable to all whose studies take them into the realm of ancient language

The "Broken" Plural Problem in Arabic and Comparative Semitic Robert R. Ratcliffe, 1998-12-15 The formal aspects of non concatenative morphology have received considerable attention in recent years but the diachronic dimensions of such systems have been little explored The current work applies a modern methodological and theoretical framework to a classic problem in Arabic and Semitic historical linguistics the highly allomorphic system of stem internal or broken plurals It shows that widely accepted views regarding the historical development of this system are untenable and offers a new hypothesis The first chapter lays out a methodology for comparative historical research in morphology The next two chapters present an analysis of Arabic morphology based on contemporary formal linguistic approaches and applies this analysis to the noun plural system Chapter Four shows that neither semantic shift nor ablaut type sound change account adequately for the data The fifth chapter offers a systematic comparison of the plural systems of Semitic languages incorporating much new research on the languages of South Arabia and Ethiopia Chapter Six proposes a new reconstruction
