Parameters Man Media Mosaic:

Parameters Marshall William Fishwick, 1978 **Polpop** James E. Combs, 1984 This book discusses various components of popular culture and the effects they have on politics Some of the areas of mass culture which are discussed are popular dramas folk heritage the Western myth sports religion media propaganda and show business **Daytime Television Game Shows and the Celebration of Merchandise** Morris B. Holbrook, 1993 Insights into the nature of the consumer society and its ethos of consumption can often emerge from interpreting even the most lowly specimens of popular culture In this spirit a neglected genre that promises to shed light on the culture of consumption appears in the form of the daytime television game shows whose hegemonic message seems to convey and to justify a widespread obeisance to the mandate of materialism These game shows often present a text that demands a readerly monosemic dominant interpretation as an unabashed celebration of merchandise In particular a close analysis of the longest running game show The Price Is Right suggests that all facets of this program combine to reinforce its central meaning as a ritualistic validation of consumption oriented greed An alternative resistant reading is explored but rejected in part because it rests on an assumption that violates the empirical data and in part because it provides a more convincing analysis of a program like Supermarket Sweep In short the present study concludes that TV game shows in general and The Price Is Right in particular reflect and reinforce the obsession that many modern consumers feel with merchandise valued almost for its own sake beyond any need or even capacity to use it as a kind of disembodied target of misdirected desire National Union Catalog , 1981 Includes entries for maps and atlases

Miller, Carolina Ellen Yahne, John M. Rhodes, 1990 Written by three psychologists with different training and viewpoints clinical behavioral humanistic this text draws together a large body of theory and research to provide a broad and balanced overview of adjustment **The Global Village** Ray Broadus Browne, Marshall William Fishwick, 1999 Offers 15 essays discussing the meaning of Marshall McLuhan's global village in a world witnessing explosive forces of individualism tribalism and nationalism Topics include lessons from the Blackburg electronic village MTV's global footprint missionaries in a global village and the Swedish raggare subculture Includes bandw photos No index Paper edition 772 1 24 95 Annotation copyrighted by Book News Inc Portland OR *Journal of American Culture* , 1990 *Subject Catalog* , 1980 Library of Congress, 1980 **Library of Congress Catalogs** Library of Congress, 1980 Notre Dame English Journal , 1978 **National Union Catalog** , 1980 , 1981 **Issues Management**
