Paranoid Fifties:

Paranoia, the Bomb, and 1950s Science Fiction Films Cynthia Hendershot, 1999 The various monsters that people 1950s sf giant insects prehistoric creatures mutants uncanny doubles to name a few serve as metaphorical embodiments of a varied and complex cultural paranoia BOOK JACKET Hendershot provides both theoretical discussion of paranoia and close readings of sf films in order to construct her argument elucidating the various metaphors used by these films to convey a paranoid view of a society forever altered by the atomic bomb BOOK JACKET

Fifty Signs of Mental Illness James Whitney Hicks, 2006-01-01 A user friendly alphabetical guide to psychiatric symptoms and what readers should know about them this compelling book introduces a wide range of psychiatric symptoms and their treatments The Second Fifty Years Institute of Medicine, Division of Health Promotion and Disease Prevention, 1992-02-01 Taking its title from the second 50 years of the human life span of about 100 years this book presents wide ranging and practical recommendations for health care providers policymakers and other sectors of society These recommendations range from setting new national policies to changing the way elderly patients are interviewed in the doctor's office and from what exercises older persons should do to how city planners should design our urban environment The bulk of this volume presents the latest research on 13 major health threats to the elderly covering prevalence impact on the older person's life cost and intervention In addition the authors provide a detailed analysis of why older people often do not receive the benefit of prevention programs Charles S. Johnson Patrick J. Gilpin, Marybeth Gasman, 2012-02-01 The milestones for blacks in twentieth century America the Harlem Renaissance the struggle for equal education and the civil rights movement would have been inconceivable without the contributions of one important but often overlooked figure Charles S Johnson 1893 1956 This compelling biography demonstrates the scope of his achievements situates him among other black intellectuals of his time and casts new light on a pivotal era in the struggle for black equality in America An impresario of Harlem Renaissance culture an eminent Chicago trained sociologist a pioneering race relations leader and an educator of the generation that freed itself from legalized segregation Johnson was a visionary who linked the everyday struggles of blacks with the larger intellectual and political currents of the day His distinguished career included twenty eight years at Fisk University where he established the famed Race Relations Institute and became Fisk's first black president *The Rise and Fall of American Science Fiction, from the 1920s to the 1960s* Gary Westfahl, 2019-10-04 By examining important aspects of science fiction in the twentieth century this book explains how the genre evolved to its current state Close critical attention is given to topics including the art that has accompanied science fiction the subgenres of space opera and hard science fiction the rise of SF anthologies and the burgeoning impact of the marketplace on authors Included are in depth studies of key texts that contributed to science fiction's growth including Philip Francis Nowlan's first Buck Rogers story the first published stories of A E van Vogt and the early juveniles of Isaac Asimov Arthur C Clarke and Robert Heinlein The Twilight and Other Zones Stanley

Wiater, Matthew Bradley, Paul Stuve, 2009 Richard Matheson author of I Am Legend has captivated inspired and terrified three generations of horror fantasy and science fiction fans This work is the first complete celebration of the man and his formidable legacy Cinema's Sinister Psychiatrists Sharon Packer, M.D., 2012-09-19 Film history is merged with psychiatric history seamlessly to show how and why bad depictions of mind doctors especially hypnotists occur in early film long before Hannibal Lecter burst upon the scene The German Expressionist Dr Caligari is not cinema's first psychotic charlatan but he launches the stereotype of screen psychiatrists who are sicker than their patients Many film psychiatrists function as political metaphors while many more reflect real life clinical controversies This book discusses films with diabolical drugging unethical experimentation involuntary incarceration sexual exploitation lobotomies shock schlock conspiracy theories and military medicine to show how fact informs fantasy and when fantasy trumps reality Traditional asylum thrillers changed after hospital stays shortened and laws protected people against involuntary commitment Except for six short golden years from 1957 to 1963 portrayals of bad psychiatrists far outnumber good ones and this book tells how and why that was Beyond Control Rebecca York, 2005-08-02 The New York Times bestselling author of the Decorah Security series and dozens of other novels presents a gripping romantic thriller about two people whose intense attraction draws them deeper and deeper into each others minds and dangerous secrets When journalist Jordan Walker asks Lindsay Fleming for help investigating the puzzling death of a local millionaire's son he tells himself it's her Capitol Hill connections that he needs But he can't quite forget the singular intense reaction he had when he touched her hand the first time they met and Lindsay is still reeling from the vivid dream she had about him that same night Their need to connect to each other mentally and physically is stronger than anything either has ever felt before As they delve deeper into a complicated web of military and scientific secrets each new discovery brings more questions about their mysterious bond and more danger But they must join together to uncover the truth about the power that lies at the very heart of their relationship and fight against the sinister forces who would destroy them Her books deliver what they promise excitement mystery romance The Washington Post Book World *Male Homosexuality* Richard C. Friedman, 1990-03-07 Discusses gender identity homosexuality as arrested development sexual preference character pathology masochism sexual fantasy and psychoanalysis **THE FACES OF VIOLENCE** George B. Palermo, 2011-12-01 Thoroughly revised and rewritten this new Second Edition addresses the manifestations of violence with an unusual clarity and down to earth objectivity that studies poverty drugs access to guns joblessness poor education inadequate housing and the lack of stability that comes from an integrated family Doctor Palermo has spent a lifetime observing criminal violence as a psychiatrist for Milwaukee County He is well known for his plainspoken unpretentious testimony in the trial of serial killer Jeffrey Dahmer The author takes the position that there is an absence in the United States of a coherent culture of its material obsession the destructiveness of welfare the disintegration of the family unit and how all these forces have come together to perpetuate and increase violence in our daily lives Although the

book deals with crimes against the physical person other forms of criminal behavior that have recently appeared on the social scene are explored such as Internet crimes white collar crimes and identity theft It is a must read for all those professionals in the psychiatric criminological and forensic fields *Fifty Fifty* Steve Cavanagh,2025-06-03 Alexandra Avellino has just found her father s mutilated body and needs the police right away She believes her sister killed him and that she is still in the house with a knife Sofia Avellino has just found her father s mutilated body and needs the police right away She believes her sister Alexandra did it and that she is still in the house locked in the bathroom Both women are to go on trial at the same time A joint trial in front of one jury But one of these women is lying One of them is a murderer Sitting in a jail cell about to go on trial with her sister for murder you might think that this is the last place she expected to be You d be wrong *Project Fifty* Thomas D. Williams,2022-06-30 After the United States forces Japan to surrender by dropping atomic bombs on Hiroshima and Nagasaki in August of 1945 a mystical Shinto priest designates army veteran Maseo Iwata to head up Project Fifty The sole purpose of the project is to take revenge against the USA During the next fifty years Maseo and his team work hard to prevent detection by not only Allied Occupation Headquarters but also the newly formed government of Japan and the American Central Intelligence Agency Even though the team members individually achieve great economic success jealousy and betrayal threaten to destroy the group from within *Turning Thirty, Forty, Fifty. . .* Marcia W. Tuttle,2002-02-15 This journal covering a twenty year span is filled with sporadic entries and short stories and invites you into the Tuttle home You meet the children as they are born and know them as they mature marry wonderful spouses and have children of their own You will get an insight into a happy marriage and a large family s experiences filled with day to day joys and character builders The storyteller Marcia Tuttle also shares her feelings on Being a member of the Church of Jesus Christ of Latter day Saints the Utah Olympics attending college at 35 and teaching at 40 and stereotypical attitudes toward women aging and weight problems coping with depression a cynical outlook politics and the sweetness of family life Above all Marcia Tuttle shares her belief that no matter how different you are from others or even possibly how alike you can still co exist within your culture and even triumph *Fifty Degrees Below* Kim Stanley Robinson,2005-10-25 Set in our nation s capital here is a chillingly realistic tale of people caught in the collision of science technology and the consequences of global warming When the storm got bad Frank Vanderwal was in his office at the National Science Foundation When it was over large chunks of San Diego had eroded into the sea and D C was underwater Everything Frank and his colleagues feared had culminated in this disaster And now the world was looking to them to fix it But even as D C bails itself out a more extreme climate change looms The melting polar ice caps are shutting down the warm Gulf Stream waters meaning Ice Age conditions could return And the last time that happened eleven thousand years ago it took just three years to start **War of the Worlds** John L. Flynn,2005-06 Earth invaded by Mars Millions incinerated by heat ray Panic grips nation as Martian tripods advance on Washington Remember the headlines They said it wouldn t happen here and then wave after wave the

Martians attacked the Earth with a vengeance H G Wells great novel The War of the Worlds chronicled the first wave Then Orson Welles 1938 radio broadcast followed by George Pal s 1953 movie The Martians kept coming This book is a tribute to Wells and those radio television comic book and film adaptations that have been inspired by it This second edition includes material on the Steven Spielberg blockbuster with Tom Cruise the two Pendragon adaptations Mars Attacks Independence Day The Great Martian War 1913 1917 War of the Worlds Goliath the 2019 BBC miniseries the 2019 8 part Fox Studio Canal series and plenty more

Demon Theory Stephen Graham Jones, 2011-07-27 On Halloween night following an unnerving phone call from his diabetic mother Hale and six of his med school classmates return to the house where his sister disappeared years ago While there is no sign of his mother something is waiting for them there and has been waiting a long time Written as a literary film treatment littered with footnotes and experimental nuances Demon Theory is equal parts camp and terror combining glib dialogue fascinating pop culture references and an intricate subtext as it pursues the events of a haunting movie trilogy too real to dismiss There are books about movies and movies about books and then there s Demon Theory a refreshing and occasionally shocking addition to the increasingly popular intelligent horror genre

Projected Fears Kendall R. Phillips, 2005-04-30 Movie audiences seem drawn almost compelled toward tales of the horrific and the repulsive Partly because horror continues to evolve radically every time the genre is deemed dead it seems to come up with another twist it has been one of the most often dissected genres Here author Kendall Phillips selects ten of the most popular and influential horror films including Dracula Night of the Living Dead Halloween The Silence of the Lambs and Scream each of which has become a film landmark and spawned countless imitators and all having implications that transcend their cinematic influence and achievement By tracing the production history contemporary audience response and lasting cultural influence of each picture Phillips offers a unique new approach to thinking about the popular attraction to horror films and the ways in which they reflect both cultural and individual fears Though stylistically and thematically very different all of these movies have scared millions of eager moviegoers This book tries to figure out why

In a Wayward Mood Daniel Noel, 2004-12 In A Wayward Mood gathers together the most important work of this visionary teacher and cultural observer It is the essential Daniel C Noel For more than forty years Daniel C Noel wrote and taught at the nexus of religion literature and cultural studies working in the tradition of C G Jung Joseph Campbell and James Hillman His books include Seeing Castaneda Approaching Earth A Search for the Mythic Significance of the Space Age Paths to the Power of Myth and The Soul of Shamanism Noel passed away in August 2002

Is Rock Dead? Kevin J.H. Dettmar, 2013-01-11 Rock and roll s death has been forecast nearly since its birth the country song The Death of Rock and Roll appeared in September 1956 showing that the music had already outraged a more conservative listening audience Is Rock Dead sets out to explore the varied and sometimes conflicting ways in which the death of rock has been discussed both within the discourse of popular music and American culture If rock is dead when did it die Who killed it Why do rock journalists lament its passing Has its

academic acceptance stabbed it in the back or resuscitated an otherwise lifeless corpse Why is rock music the music that conservatives love to hate On the other side of the coin how have rock s biggest fans helped nail shut the coffin Does rock feed on its own death and rebirth Finally what signs of life are there showing that rock in fact is surviving Is RockDead will appeal to all those who take seriously the notion that rock is a serious musical form It will appeal to students of popular music and culture and all those who have ever spun a 45 cranked up the radio or strummed an air guitar *Fifty Years a Country Doctor* Hull Cook,2013-01-01 In a world of HMOs insurance companies and an endless flood of forms Hull Cook reminds us that there was a time when a visit to the doctor s office cost three dollars and doctors still made house calls Cook recounts fifty years of service as a rural doctor in Texas and Nebraska where a wide spectrum of dilemmas tested his resourcefulness endurance and sense of humor He describes helping to deliver a baby via telephone during the Blizzard of 49 and he explains his special delivery of medication in the dead of winter an operation involving his Beechcraft Bonanza airplane and a p
