## Parcours Critique Essais:

**Parcours Critique** Serge Doubrovsky,1980-01-01     *Parcours critique* Serge Doubrovsky,1980 Ces essais ne sont point une simple collection mais un recueil s'y recueille au cours des ans 1966-1980 et à travers la diversité des études La Bruyère ou Racine Claude Simon ou Proust une expérience de la lecture Moins méthodique qu'approche explication qu'interrogation des textes persistante en son dessein

*Autofiction in English* Hywel Dix,2018-06-04 This innovative volume establishes autofiction as a new and dynamic area of theoretical research in English. Since the term was coined by Serge Doubrovsky, autofiction has become established as a recognizable genre within the French literary pantheon. Yet unlike other areas of French theory English language discussion of autofiction has been relatively limited until now. Starting out by exploring the characteristic features and definitions of autofiction from a conceptual standpoint the collection identifies a number of cultural historical and theoretical contexts in which the emergence of autofiction in English can be understood. In the process it identifies what is new and distinctive about Anglophone forms of autofiction when compared to its French equivalents. These include a preoccupation with the conditions of authorship writing after trauma and a heightened degree of authorial self-reflexivity beyond that typically associated with postmodernism. By concluding that there is such a field as autofiction in English it provides for the first time detailed analysis of the major works in that field and a concise historical overview of its emergence. It thus opens up new avenues in life writing and authorship research.

### Discontinuity and Fragmentation

,2023-12-14 Since 1974 the French Literature Series publishes essays in conjunction with the theme of the bi-annual French Literature Conference sponsored by the Department of Languages Literatures and Cultures of the University of South Carolina Columbia South Carolina USA. In addition to the scholarly papers selected for publication by the Editorial Board it also accepts notes on the conference topic. Contributors should note that FLS does not publish conference proceedings. Rather submissions must be revised for publication and undergo blind peer review. All communications concerning the French Literature Series should be addressed to the Editor Jeanne Garane garane@mailbox.sc.edu. The French Literature Series is published by BRILL Rodopi. For communications concerning standing orders or back volumes please check the series website at www.brill.com/fls. This series has been closed in 2020.

*The Invention of Celebrity* Antoine Lilti,2017-09-05 Frequently perceived as a characteristic of modern culture the phenomenon of celebrity has much older roots. In this book Antoine Lilti shows that the mechanisms of celebrity were developed in Europe during the Enlightenment well before films yellow journalism and television and then flourished during the Romantic period on both sides of the Atlantic. Figures from across the arts like Voltaire Garrick and Liszt were all veritable celebrities in their time arousing curiosity and passionate loyalty from their fans. The rise of the press new advertising techniques and the marketing of leisure brought a profound transformation in the visibility of celebrities private lives were now very much on public show. Nor was politics spared this cultural upheaval Marie Antoinette George Washington and Napoleon all experienced a political world

transformed by the new demands of celebrity And when the people suddenly appeared on the revolutionary scene it was no longer enough to be legitimate it was crucial to be popular too Lilti retraces the profound social upheaval precipitated by the rise of celebrity and explores the ambivalence felt toward this new phenomenon Both sought after and denounced celebrity evolved as the modern form of personal prestige assuming the role that glory played in the aristocratic world in a new age of democracy and evolving forms of media While uncovering the birth of celebrity in the eighteenth century Lilti s perceptive history at the same time shines light on the continuing importance of this phenomenon in today s world
