Parent Education A Guide For Family Enrichment Classes:

Parent Education Rosemary Tweet, Ted Schwarz, 1987 **The Second Handbook on Parent Education** Marvin J. Fine, 2014-06-28 This book should enhance the reader's understanding of the contemporary scene in parenting education including effective programming important issues and future trends Resources in Education, 2001-04 *The Christian Educator's Handbook on Family Life Education* Kenneth O. Gangel, James C. Wilhoit, 2001-02-01 As a start or an addition to your library few books would make a better choice than The Christian Educator's Handbook series offered by Baker Books. Noted Christian education authorities such as Kenneth Gangel, James Wilhoit, Howard Hendricks, and Robert Choun have edited or written these books. Their scope ranges from adult to children's education and covers spiritual formation, teaching, and family life ministries. Christian Education Counselor Parenting and Child Development Abdul Khaleque, 2021-03-08 This research-based book covers the core components of modern parenting and child development across multi-ethnic and cross-cultural contexts in Asia, Africa, Europe, and North and South America, with a focus on the United States. Parenting and Child Development Across Ethnicity and Culture is based on a cohesive framework that links physical, psychological, social, cognitive, and emotional aspects of children's lives to their experiences of parental behavior. This book covers the fundamentals of parent-child relationships, including the theoretical perspective of parenting, positive and negative parenting behaviors, and changing patterns of parenting from infancy through adolescence. Explored are parent-child relationships and their implications for children's health, well-being, and quality of life in different family forms, including parenting in drug-addicted families, homeless families, cohabiting families, single-parent families, and LGBT families around the world. Using an array of theories with relevant empirical findings, the practical implications for child development both within the United States and across the globe are highlighted. Also included is specific information about tools and techniques for measuring intimate relationships and intervention strategies for relationship problems Handbook on Parent Education Marvin J. Fine, 1980 *Research in Education*, 1969-05 *Parent Education and Intervention Handbook* Richard R. Abidin, 1980 Family Life Education Lane H. Powell, Dawn Cassidy, 2006-08-15 Contemporary family life educators must operate in a wide range of settings and with increasingly varied populations and families. In the second edition of their successful Family Life Education, Powell and Cassidy expertly expose readers to the diverse landscape of the field while laying a comprehensive practical foundation for future family life educators. The authors, both CFLE certified, consider the Certified Family Life Educator certification requirements of the National Council on Family Relations throughout the text. Their broad overview of the field features a blend of theory and practice with full chapters on sexuality education, marriage education, and parent education areas that have received evaluation and certification attention. A new chapter on global trends builds awareness and appreciation of diversity through interactive classroom exercises. Each chapter in the book concludes with discussion questions, research problems, independent study activities, and case study suggestions, all designed to challenge readers to
