McKay,2009 **Parenting by Heart** Ron Taffel,Melinda Blau,1991 **Parenting from the Heart: A Guide to the Essence of Parenting from the Inside-Out** Jack Pransky,2012-09-10 Just when you thought you ve heard it all Parenting from the Heart offers a new and different refreshing approach to parenting This easy to understand down to earth book moves beyond parenting theories and techniques to get to the heart of parenting If parents know how to look within their hearts to find the answers they need parenting techniques are not necessary If parents know how to find a loving connection with their children at most times discipline and consequences are rarely necessary All parents have it within them to bring out the best in their children Approaching parents in this way makes parenting a true pleasure instead of the battle and chore it often becomes Many so called experts say that raising kids is the toughest job any of us will ever do but it does not have to be that way It can be the most joyful thing any of us will ever do Parenting from the Heart is a must resource for anyone who cares about parenting and raising children About the Author Jack Pransky Ph D is Director of the Center for Inside Out Understanding and is an international consultant and trainer for the prevention of problem behaviors and the promotion of well being He also authored the books Somebody Should Have Told Us Modello A Story of Hope for the Inner City and Beyond Prevention from the Inside Out Prevention The Critical Need and co authored both the Healthy Thinking Feeling Doing from the Inside Out curriculum and guide for middle school students and What Is A Thought A Thought Is A Lot a picture book for little children Pransky has worked in the field of prevention since 1968 in a wide variety of capacities He has offered parenting training and consultation to a great number of parents and has trained many parenting course instructors *My First, Second & Third Attempts at Parenting* Steve Murrell,2016-01-19 Plenty of parenting books focus on how to fix bad behavior Not so many focus on how to cultivate a child s heart Even fewer focus on how to deal with our own hearts as parents My First Second Third Attempts at Parenting is not a how to book It s a collection of stories and reflections designed to help you discover the elusive yet most important part of parenting the heart Chapter by chapter story by story we will examine God s heart toward children and our hearts as parents as well as how we can prepare our children s hearts to know and love their heavenly Father *A Parent's Heart Cry* Maureen Thomas, exceptional provides a biblical framework for prayers Juanita Sales Lee Retired Supervisory Attorney US Army The concept of praying through Scripture is one that many people have become acquainted with but using this concept may be a different story Author Maureen Thomas has taken this concept to heart and prepared this devotional style book as an example of praying through the Bible Each day s

prayers are focused on a specific book of the Bible A pattern rotates through prayers for yourself Personal and your family Children Son and Daughter The idea for this book came as a result of the author being awakened during the night with the urgent impression to pray for her adult daughter A couple of days later her daughter was tragically killed in a car accident Knowing that many parents agonize in prayer for their children whether young or grown she set about to compile 229 prayers drawn from each of the sixty six books of the Bible Dear parent is your heart burdened over the waywardness of your child or children Is it constantly afflicted by worry and concern over their noncommittal attitudes toward their Maker Then pray Intercede with God for He is able to do exceedingly more abundantly than we can think or ask Meditate on Isaiah 49 25 But thus saith the Lord Even the captives of the mighty shall be taken away and the prey of the terrible shall be delivered for I will contend with him that contendeth with thee and I will save thy children Claim it and believe it

Stamped on Every Child's Heart- Impulsive Behavior Rebecca Dawson, 2014-04-01 Do you know an impulsive child One who is full of exaggerations quick to respond careless with words and acts without thinking Do you have a child who gets

out of his seat regularly while he's not supposed to interrupt conversations or jumps to the front of the line uninvited. Impulsiveness is the quick natural response for these kids. They might do all these things and more, keep in mind they generally do them rapidly. Nevertheless, in the very same breathe, impulsive kids can be quick to defend, remorseful for poor decisions, and able to leap over obstacles in a single bound. There's a gift for us to discover in impulsiveness. The disciple Peter emulates both the strengths and weaknesses of impulsive behavior. Impulsiveness had Peter rushing into the water to meet Jesus while also quickly cutting off a soldier's ear. He was quick to defend, responded without thinking, and passionate beyond words. His impulsiveness allowed him to experience the miracle of walking on water while everyone else watched him from inside the boat. The beauty of Peter's impulsiveness is displayed within his life. Peter's impulsiveness allowed him to experience close encounters with God. He's authentic and real. He's growing, and he's a challenge. But in the end, he's solid, and the guy others wanted to follow. Discovering the gift of impulsiveness begins in the life of Peter.

Your Spiritual Dictionary Erishka Fridman-Catt, 2015-04-27 Being human is full-time job that does not always pay well. While spiritual evolution occurs collectively, personal growth takes place individually. We are all here on our personal journeys together. As we grow individually, we contribute to collective advancement, and as we evolve collectively, we improve our personal lives. When you feel stuck, it is natural to think, "If only I were somewhere else, things would be different. If only something in my environment, my partner, my kids, my parents, my job, my home were different, I'd be okay." The good news is that you are able to craft the life you desire from where you currently are. For each of us, different ways will work best at different stages of life. When something isn't working for you, whether it is your job, marriage, conflict with friends or children, or your pet just stops listening, a natural reaction is to withdraw or to leave. Sometimes it is the only solution left, and this is exactly what needs to be done. However, this is not always the case, especially if the situation involves children or other loved ones. There are times when we are simply not happy with where we are in life. And there are times when we see what we want and don't know how to get it. Your Spiritual Dictionary offers practical tools for resolving issues dealing with everyday routine situations, transforming daily obstacles into opportunities for growth, and making the most out of present life.
