Parenting Us How God Does It:

Parenting Us David R. Mains, Karen Burton Mains, 1986 *10 Principles for Spiritual Parenting* Mimi Doe, Marsha Walch, PhD, 2010-11-30 In the hustle and bustle of everyday life how do we as parents honor the spirituality of our children As we shuttle between school soccer practice piano lessons ballet lessons birthday parties and doctors appointments how do we find the time to encourage our children through the ups and downs of growing up to turn to God for guidance In *10 Principles for Spiritual Parenting* Mimi Doe and Marsha Walch open our eyes to the spontaneous creative freethinking joy that characterizes a child's innate spirituality In ten easy to follow chapters containing exercises and practical suggestions the authors point out that opportunities to express spirituality are abundant in our routine life Talking at dinner lighting candles performing daily chores all of these events have the potential to be sacred moments Contemporary parents face unique challenges In our media saturated culture children are continually exposed to violence cynicism and a confusing code of ethics By offering concrete ways to help children develop positive values Mimi Doe and Marsha Walch support parents efforts to counteract negative messages *10 Principles for Spiritual Parenting* is an invaluable guide for parents who yearn to help their children nurture a rich spirituality of their own *Sacred Parenting* Gary Thomas, 2009-05-26 Parenting is a school for spiritual formation and our children are our teachers The journey of caring for rearing training and loving our children will profoundly alter us forever *Sacred Parenting* is unlike any other parenting book you have ever read This is not a how to book that teaches you ways to discipline your kids or help them achieve their full potential Instead of discussing how parents can change their kids *Sacred Parenting* turns the tables and demonstrates how God uses our kids to change us You've read all the method books Now take a step back and receive some much needed inspiration You'll be encouraged by stories that tell how other parents handled the challenges and difficulties of being a parent and how their children transformed their relationship with God *Sacred Parenting* affirms the spiritual value of being a parent showing you the holy potential of the parent child relationship **Partnering with God in Parenting Our Children** Olan Stubbs, 2025-07-29 Parenting is hard If you are considering this book it is likely because you too think it is hard and are looking for some help In this book Olan Stubbs lets you know that you are not alone and God has not left you to parent on your own Drawing deep from God's Word and tempered by years of experience Stubbs shares godly counsel for weak and weary parents This is not just a how to manual for raising children Rather it is realistic counsel that recognizes the pains of parenthood Yet it also presents us with the hope we need to patiently partner with God in parenting our children **Parenting in a Christian Perspective** Mary A. Whitfield, 2007-05-01 The book is based on God principles as being a parent We have our own insights on how to raise our children For instance in the way our parents raised us God is not with man made philosophy or ideals He is a Spirit and they that worship Him must worship Him in Spirit and Truth John 4:24 So in raising our children we must do it in the values and upbringing of the Lord He will guide you into all truth There are so many aspects and revenues in the way

of parenting that we miss out on the big picture Which is seeing the true aspect of nurturing and loving our kids the way our heavenly father loves us as His dear children He created us and knows everything we encounter in life and how to resolve every issue So why shouldnt He know how to give us the ammunition we need in raising our children in the perspective of Him Because with Him it is the right way to go We can do everything in our little finite mind of what we feel is the right way to be a parent But it always comes back to the maker which is God The ultimate parent of the whole universe He will direct you in the way a parent should be It is up to that individual to take heed of his word and direction for life as being a believer in Christ Jesus our Lord

Parenting by Design Chris and Michelle Groff with Lee Long, 2014-04 Raising children is no easy task No matter the child no matter the situation every parent longs for obedience from their offspring God isn't overbearing when He deals with us and His example is perfect There's no question that kids want truth and love as well as bonding and boundaries Because God understands the human condition He knows we learn best from hands on experience Jesus example and the Holy Spirit's empathetic examination of our hearts We're asking you to consider using the same parenting style with your children

Parenting by Design offers a more relational approach to raising children relying less on rote obedience and more on walking with your children through their decision making development Forcing children to obey rarely works to build a healthy relationship that allows you to enter into their worlds and understand their decisions This book will help you parent with grace and love two key elements in motivating a child to obey Parenting: 14 Gospel Principles That Can Radically Change Your Family (with Study Questions) Paul David Tripp, 2024-05-14 Paul David Tripp's Bestselling Book on Parenting Now with Study Questions Sometimes parents wish there was a guaranteed formula for raising good kids a certain list of rules to follow to ensure they'd have obedient children But if moms and dads view their role through the lens of God's grace they will see that the gospel must first shape how they parent before they can effectively shape their children In the bestselling book Parenting Paul David Tripp unfolds a more biblical perspective on parenting than merely adhering to a list of rules He lays out 14 gospel centered principles that will radically change the way parents think about what it means to raise up a child informing everything they do as a parent This edition includes a section of engaging study questions for every chapter helping individuals and groups reflect on each topic in greater depth Christ Centered Advice for Families Explains how the gospel should affect the way parents interact with their children at every age Engaging Study Questions Reflect on each chapter alone or as part of a small group By Bestselling Author Paul David Tripp Other books include New Morning Mercies Reactivity and Lead *God the What?* Carolyn Jane Bohler, 2011-03-31 Challenge our common images of God by blowing the lid off conventional God descriptors We do not have to let go of one sense of God to take up another Neither do we need to go about challenging old metaphors What is crucial is to find a metaphor or two or six that creatively point toward what we believe from Chapter 1 Let Carolyn Jane Bohler inspire you to consider a wide range of images of God in order to refine how you imagine God to have and use power and how God wills and makes divine will happen or not By tapping into your God given ability to re imagine God you will have a better understanding of your own beliefs and how you God and the world relate to each other Wonderfully fresh and down to earth Bohler uses playful images moving stories and solid scholarship to empower you to break free of old habits and assumptions whatever your faith tradition She encourages you to explore new names for God that are not only more consistent with what you believe but will also deepen and expand your experience of God Think about God the Choreographer of Chaos God the Nursing Mother God the Jazz Band Leader God the Divine Blacksmith God the Divine Physical Therapist God the Team Transformer and more *The Question of God's Perfection* Yoram Hazony, Dru Johnson, 2018-11-26 Philosophers have often described theism as the belief in the existence of a perfect being a being that is said to possess all possible perfections so that it is all powerful all knowing immutable perfectly good perfectly simple and necessarily existent among other qualities But such a theology is difficult to reconcile with the God we find in the Bible and Talmud The Question of God's Perfection brings together leading scholars from the Jewish and Christian traditions to critically examine the theology of perfect being in light of the Hebrew Bible and classical rabbinic sources
