Rosemond, 2013-10-15 Parenting book based on biblical principles with concrete suggestions on how to better raise children developing self respect rather than self esteem Provided by publisher **Share Your Stuff. I'll Go First.** Laura Tremaine, 2021-02-02 Part memoir and part guidebook Share Your Stuff I'll Go First is the invitation you've been waiting for to show up with your whole self and discover the intimate meaningful friendships you long for In spite of the hyper connected culture we live in today women still feel shamed for oversharing and being publicly vulnerable And no matter how many friends we seem to have many of us are still desperately lonely Laura Tremaine blogger and podcaster behind 10 Things To Tell You says it's time for something better Openness and vulnerability are the foundation for human growth and healthy relationships and it all starts when we share our stuff the nitty gritty daily details about ourselves with others Laura has led the way in her personal life with her popular blog and podcast and now with lighthearted self awareness a sensitivity to the important things in life and compelling storytelling Laura gives you the tools to build and deepen the conversations happening in your life Laura's stories about her childhood her complicated shifts in faith and friendships and her marriage to a Hollywood movie director will prompt you to identify the beautiful narrative and pivotal milestones of your own life Each chapter offers intriguing and reflective questions that will reveal unique details and stories you've never thought to tell and will guide you into cultivating the authentic connection with others that only comes from sharing yourself So let's get started Share Your Stuff I'll Go First **Chaya's Angels** Chaya Ben Baruch, Elaine Feuer, 2018-12-25 When Chaya Ben Baruch gave birth to her sixth child a son with Down syndrome she led her family on a spiritual journey moving from Alaska to Israel and adopting more children with special needs on the way Whether she's watching her son with Downs marry her adopted daughter with Downs or fighting for the rights of all special needs children life is never dull Chaya even managed to find time to donate a kidney leaving everyone to wonder What's next There are few people who have Chaya's combination of character traits brilliance bravery altruism honesty and her ability to love whether it's her own family or other people's children It is our aspiration for the reader to appreciate the uniqueness and joy that Chaya and her husband Yisroel have experienced as parents of children with Downs and to open the hearts of people across the globe Ghandi wrote A nation's greatness is measured by how it treats its weakest Join Chaya and her family on their enchanting odyssey The world needs this heart rending story more than ever Ariella Bracha Waldinger's Review Every pregnant woman fears the possibility of birthing a child with special needs but Chaya Ben Baruch in her spiritually uplifting book Chaya's Angels teaches the reader the true beauty of raising these special souls Chaya's book allows the stereotypical belief of Downs babies to crumble she removes all the negative labels attached to them depicting their true beauty and inner light Chaya takes the reader on an epic journey into the personal lives of she and her husband as they dive into the uncharted waters of raising multiple Down

syndrome babies Gifted with an overflowing love and a passion to meet the needs of these babies Chaya and her husband love these children unconditionally They band together through love and devotion to give these children exactly what they need to thrive As a result of reading Chaya's book I learned key information and extensive details about the demands of parenting special needs children I also learned the rich rewards bestowed upon the brave of heart who dare to embrace this difficult task Anyone who has an interest in reading an amazing story of inspiration or is curious about what it takes to raise babies and children with Down syndrome will benefit from reading Chaya's Angels This book is a powerful contribution to children and adults with special needs giving the reader a deeper understanding of the joys and rewards of life with these remarkable individuals Shira Yehudit's Review Chaya's Angels is an honest no holds barred account of the life of an incredible woman who has devoted her life to rescuing and caring for special needs children not in some cold clinical institution but in her home and in her heart Chaya makes no bones about sharing the trials and tribulations the hardships and heartache of caring for and bringing up these special children and sometimes losing them But most of all Chaya's Angels shows us in a vivid personal language that speaks from the heart the joy of having a special needs child in our lives as part of our family Chaya lets us feel the pure love that these children radiate to those around them and helps us to understand that these children really are just that special And if this book does nothing more than persuade just one family to think twice about giving away their newborn special needs baby for that it was worth writing But Chaya's Angels is a very powerful moving book and I believe it will do much much more than that
