Hrabowski III, Kenneth I. Maton, Geoffrey L. Greif, 1998-04-02 Today young Black men are more likely to be killed or sent to prison than to graduate from college Yet despite all the obstacles some are achieving at the highest academic and professional levels Beating the Odds tells their remarkable stories and shows us what African American families have done to raise academically successful sons sons who are among the top two percent of African American males in terms of SAT scores and grades The result of extensive and innovative research Beating the Odds goes beyond mere analysis and beyond the relentlessly negative media images to show us precisely how young Black men can succeed despite the roadblocks of racism the temptations of crime and drugs and a popular culture that values being cool over being educated By interviewing parents and children from a range of economic and educational backgrounds and from both single and two parent homes the authors identify those constants that contribute to academic achievement and offer step by step guidance on six essential strategies for effective parenting child focused love strong limit setting and discipline continually high expectations open consistent and strong communication positive racial identity and positive male identity and full use of community resources The proof of the effectiveness of such strategies is in the sons themselves who speak eloquently in these pages about their struggles and successes in both the classroom and the often hostile world that surrounds it Essential reading for parents teachers and school administrators Beating the Odds offers insight guidance and hope for anyone concerned about the plight of young African American men and the society they live in     Teaching Baby Gangsters Marilyn K. Gifford, 2011-01-21 Large city school districts and their personnel have been under scrutiny because of poor academic performance by their students In TEACHING BABY GANGSTERS author Marilyn K Gifford communicates the realities and obstacles teachers face in today's inner city classrooms Using her personal experiences as a teacher of at risk middle school students Gifford explains how the social fabric of society has changed and examines how those changes may limit students ability to learn She

discusses the students lives and how many overcame difficult circumstances such as special education needs gang membership drug and alcohol use and poverty to succeed in school She also relays the sad stories of those students who gave in to their environmental influences and failed to get an education TEACHING BABY GANGSTERS proposes a pragmatic approach to fixing failing inner city schools by reviving student consciousness and limiting the drama of drugs and gangs Gifford takes a strong stand for inner city school reform that is based on the needs of the students reform that makes a difference in the lives of young people
