Hadley has the same power and historical richness that made *Loving Frank* a bestseller. No twentieth century American writer has captured the popular imagination as much as Ernest Hemingway. This novel tells his story from a unique point of view that of his first wife Hadley. Through her eyes and voice we experience Paris of the Lost Generation and meet fascinating characters such as Scott and Zelda Fitzgerald, Gertrude Stein, Ezra Pound, and Gerald and Sara Murphy. The city and its inhabitants provide a vivid backdrop to this engrossing and wrenching story of love and betrayal that is made all the more poignant knowing that in the end Hemingway would write of his first wife, "I wish I had died before I loved anyone but her."
