and scholars who are familiar with some of the major Middle English literary works such as *The Canterbury Tales*, *Gawain and the Green Knight*, *Piers Plowman* and the romances, mystical works or cycle plays but who may not know much about the surviving manuscripts. The book approaches these texts in a way that takes into account the whole manuscript or codex: its textual and visual contents, physical state, readership and cultural history. *Opening Up Middle English Manuscripts* also explores the function of illustrations in fashioning audience response to particular authors and their texts over the course of the fourteenth and fifteenth centuries. Kathryn Kerby-Fulton, Linda Olson and Maidie Hilmo are scholars at the forefront of the modern study of Middle English manuscripts; they focus on the writers most often taught in Middle English courses, including Geoffrey Chaucer, William Langland, the *Gawain* Poet, Thomas Hoccleve, Julian of Norwich and Margery Kempe, highlighting the specific issues that shaped literary production in late medieval England. Among the topics they address are the rise of the English language, literacy, social conditions of authorship, early instances of the Alliterative Revival, women and book production, nuns, libraries, patronage, household books, religious and political trends and attempts at revisionism and censorship. As of 2024, *Opening Up Middle English Manuscripts* is available as an ebook, ideal for instructors teaching the book in courses. The fully searchable PDF ebook version is available through most digital textbook platforms and library ebook aggregation platforms. Hybrid Media Events, Johanna Sumiala, Katja Valaskivi, Minttu Tikka, Jukka

Huhtamäki, 2018-05-18. What are hybrid media events? And how do these events shape our lives in the present digital age? This book addresses these questions by explaining how terrorist violence makes global events. The empirical analyses are based on the case of Charlie Hebdo attacks in 2015 and the global circulation of solidarities and anger connected with the attacks.

*Sex Work, Text Work*, Jessica Tanner, 2023-05-15. Though male French authors plotted prostitution to make their names, mimicking the surveillance of municipal authorities, the sex workers in their books manage to evade efforts to contain them. While prostitutes in nineteenth-century Paris were subject to municipal laws that policed their bodies and movements, writers of the era enlisted them to stake their own claims on both the city and the novel as literary territory. *Sex Work, Text Work: Mapping Prostitution in the Nineteenth-Century French Novel* explores how prostitutes depicted by Émile Zola, Joris-Karl Huysmans, Edmond de Goncourt, Adolphe Tabarant and Charles-Louis Philippe write back, confounding civil and literary efforts to contain them in space and in narrative. In city-regulated brothels, brasseries, *femmes haussmanniennes*, boulevards and the novel itself, working-class prostitutes served to reinforce the boundaries of social inclusion and exclusion. And yet Jessica Tanner contends even the novels that most explicitly aligned with the disciplinary logic of regulated prostitution make space for a distinctly literary form of resistance: these women elude or disrupt the mapping that would claim them as literary territory, revealing their authors' failure to secure their narratives as property. Tanner pushes back against the critical tendency to attribute agency only to courtesans who became published authors and forwards a new framework for understanding the political work novels engage in as they circulate. Observing that debates about the regulation of

prostitution surfaced in tandem with racialized anxieties about the boundaries of the French nation Tanner ultimately expands that framework to the history of French colonialism and the politics of immigration in the current day This book shows that while sex workers have been recruited to mark the borders of civic and moral life prostitution can also make space for more inclusive forms of community both in the novel and in the world beyond its bounds *Apartment Stories* Sharon Marcus,2023-11-15 In urban studies the nineteenth century is the age of great cities In feminist studies it is the era of the separate domestic sphere But what of the city s homes In the course of answering this question Apartment Stories provides a singular and radically new framework for understanding the urban and the domestic Turning to an element of the cityscape that is thoroughly familiar yet frequently overlooked Sharon Marcus argues that the apartment house embodied the intersections of city and home public and private and masculine and feminine spheres Moving deftly from novels to architectural treatises legal debates and popular urban observation Marcus compares the representation of the apartment house in Paris and London Along the way she excavates the urban ghost tales that encoded Londoners ambivalence about city dwellings contends that Haussmannization enclosed Paris in a new regime of privacy and locates a female counterpart to the fl neur and the omniscient realist narrator the porti re who supervised the apartment building In urban studies the nineteenth century is the age of great cities In feminist studies it is the era of the separate domestic sphere But what of the city s homes In the course of answering this question Apartment Stories provides a singular *Insights in Plant Biophysics and Modeling: 2021* Maciej Andrzej Zwieniecki,2022-11-23 *Until the Last Trumpet Sounds* Gene Smith,2008-05-02 Critical Praise for Gene Smith On *Until the Last Trumpet Sounds* The best recent compact study of the commander of the American Expeditionary Force of World War I Booklist A six star effort captures Pershing better than anyone has before The Grand Rapids Press On *The Shattered Dream* A storyteller of history Gene Smith is one of the very best in his field The Washington Post On *When the Cheering Stopped* A brilliantly written and dramatically effective work of history Smith is a prodigious researcher an artful writer The New York Times On *American Gothic* A ripping good tale the story rivets you You can t put the book down The New York Times Book Review **Transactions of the New York State Medical Association for the Year 1884-1899.
