# LONDON COUNTY COUNCIL SURVEY OF LONDON

VOL. XV

THE PARISH OF ALL HALLOWS  
BARKING-BY-THE-TOWER  
(PART II)

This is the second and final volume of the Survey of the Parish of All Hallows Barking-by-the-Tower. It deals with buildings other than the Church, and although the early records are extremely fragmentary the survey covers in no measure the whole of the parish. The survey of the ancient site is confined to the site, including the foundations of the early church which are the site of the ancient Church House, while the remains of the church as the Church are fully recorded, opportunity being taken to put the same in relation with the remains of the parish.

The architectural descriptions are supplemented by two full-page illustrations of buildings, photographs and engravings, and from many illustrations in the text, the whole forming an adequate record of one of the most interesting parishes in the City of London.
