Parish Of The Next Millennium:

Parish of the Next Millennium Fr William C. Bausch, Melannie Svoboda, 1997-05-31 This volume summarizes the social and cultural forces that shape people's lives and the Church by pulling together current research and issues that indicate where people are and where they are going *The Parish of the Next Millennium* William J. Issues of Faith-Based Education in the United Kingdom Andrew B. Morris, 2024-01-23 The existence of state supported Catholic and other faith based schools in the UK has become a matter of controversy in recent years as the previously tolerant acceptance of their role in the English educational system has come under attack This book seeks to explain to both proponents and sceptics of religiously based educational provision how the maintained Catholic sector originated what it seeks to do and its contribution to society It describes the Church's understanding of the primacy of parents in the education of their children and the limits of the state's legitimate role The book will be of value to anyone interested in understanding Catholic schools those who send their children to them and those who are working and teaching in them or aspire to do so
