The Passions of the French Romantics Francis Henry Gribble, 1910 **Love, Desire and Transcendence in French Literature** Paul Gifford, 2016-12-05 European literature and theory of the twentieth century have been intensely preoccupied with questions of Desire whereas love has increasingly represented a fractured and strange if not actually suspect proposal this is a prime symptom of an age of deep cultural mutation and uncertainty Paul Gifford's book allows this considerable contemporary phenomenon to be observed steadily and whole with strategic understanding of its origins nature and meaning Gifford paints a clear and coherent picture of the evolution of erotic ideas and their imaginary and formal expressions in modern French writing He first retraces the formative matrix of French tradition by engaging with five classic sources Plato's Symposium the Song of Songs the myth of Genesis the tension between Greek Eros and Christian Agape and the repercussions of Nietzsche's declaration of the death of God Modern variations on these perennial problematics are then pursued in ten chapters devoted to Proust Valéry Claudel Breton Bataille Duras Barthes Irigaray Emmanuel Kristeva Literary and theoretical perspectives are perfectly blended in his study of these attempts at deciphering Eros The book will appeal not only to students of French literature but to all those interested in the cultural upheavals of the twentieth century

Memoirs of a Courtesan in Nineteenth-century Paris comtesse Căleste Vănard de Chabrilan, 2001-01-01 When Căleste Mogador's memoirs were first published in 1854 and again in 1858 they were immediately seized and condemned as immoral and unsuitable for public consumption For a reader in our more forgiving times this extraordinary document offers not only a portrait of the early life of an intelligent courageous and infinitely intriguing Frenchwoman but also an exceedingly rare inside look at the world of the courtesans and prostitutes of nineteenth century France Writing to conciliate judges and creditors Mogador born Căleste Vănard in 1824 explains how with tenacity wit and audacity she managed to escape a difficult childhood and subsequent life

of prostitution to become successively a darling of the dance halls a circus rider and an actress all the while attracting wealthy young men who vied for her favor Although her account gives readers a peek into the rakish demimonde made famous by Verdi's opera *La Traviata* its greatest value lies in its candid picture of a spunky self educated woman who doggedly transformed herself into an esteemed and prolific novelist and playwright who fell in love with a count and married him and who made her name synonymous with the bohemian life of the 1840s and 1850s in Paris
