## Parsifal Full Sc Paper:

*Wagner's Parsifal* Richard H. Bell, 2013-11-12 Parsifal Wagner's final opera is considered by many to be one of the greatest religious musical works ever composed but it is also one of the most difficult to understand and many have questioned whether it can be considered a Christian work at all Added to this is the furious debate that has surrounded the composer as an anti Semite racist and inspiration for Hitler Richard Bell addresses such issues and argues that despite any personal failings Wagner makes a fundamental theological contribution through his many writings and ultimately in Parsifal which he argues preaches Christ crucified in a way that can never be captured by words alone He argues that Wagner offers a vision of the divine and a theology of Good Friday that can both function as profound therapy and address current theological controversies
