Lee, 2006-12-13 This fourth edition of the indispensable guide to the laws that bear on the conduct of higher education provides a revised and up to date reference research source and guide for administrators attorneys and researchers The book is also widely used as a text for graduate courses on higher education law in programs preparing higher education administrators for leadership roles This new edition includes new and expanded sections on laws related to religious issues alternative dispute resolution the college and its employees collective bargaining at religious and private colleges whistleblower and other employee protections personal liability of employees nondiscrimination and affirmative action in employment campus technology and computer networks disabilities student academic freedom freedom of speech and hate speech student organizations rights responsibilities and activities fees athletes rights USA patriot act and immigration status public institutions and zoning regulations regulation of research coverage of retaliatory and extraterritorial acts federal civil rights statutes **Higher Education: Handbook of Theory and Research** Michael B. Paulsen, 2015-01-12 Published annually since 1985 the Handbook series provides a compendium of thorough and integrative literature reviews on a diverse array of topics of interest to the higher education scholarly and policy communities Each chapter provides a comprehensive review of research findings on a selected topic critiques the research literature in terms of its conceptual and methodological rigor and sets forth an agenda for future research intended to advance knowledge on the chosen topic The Handbook focuses on a comprehensive set of central areas of study in higher education that encompasses the salient dimensions of scholarly and policy inquiries undertaken in the international higher education community Each annual volume contains chapters on such diverse topics as research on college students and faculty organization and administration curriculum and instruction policy diversity issues economics and finance history and philosophy community colleges advances in research methodology and more The series is fortunate to have attracted annual contributions from distinguished scholars throughout the world **Resources in Education**, 1998 Managed Professionals Gary Rhoades, 1998-01-01 Focuses on the ongoing negotiations of professional autonomy and managerial discretion and provides insight into the broad restructuring of faculty with conclusions that extend beyond unionized faculty to all of academe **Community College Faculty** J. Levin, S. Kater, Richard L. Wagoner, 2006-01-31 John S Levin Susan T Kater and Richard L Wagoner collectively argue that as community colleges organize themselves to respond to economic needs and employer demands and as they rely more heavily upon workplace efficiencies such as part time labor they turn themselves into businesses or corporations and threaten their social and educational mission A Practitioner's Guide to Faculty Affairs Reema Zeineldin, 2025-08-28 This book aims to define and establish faculty affairs as a discipline within higher education offering practical recommendations and guidance on how to effectively support academic personnel

Leading with a comprehensive exploration of faculty affairs and its scope this book responds to existing needs in the field by covering how to appraise the status of faculty affairs within an institution determine the risks and rewards of creating a faculty affairs unit chart the planning measures necessary for execution and more Worksheets practical tips and chapter objectives give readers the opportunity to account for their own unique context and tailor approaches for maximum impact Carefully selected case studies showcase excellent faculty affairs work across institution types for a wide range of guiding models This premier guidebook is intended for leaders and staff engaged in the management and administration of faculty affairs *Evaluating, Improving, and Judging Faculty Performance in Two-Year Colleges* Charles Finley, Richard I.

Miller, Candace S. Vancko, 2000-03-30 With nearly 48 percent of all U S undergraduates attending community and technical colleges the two year sector is an integral part of our nation s higher education system and a vital part of our nation s future The need for effective faculty evaluation and professional development within two year colleges stems partly from the size of this sector and also from the diversity of its program offerings and its student body Miller and his co authors bring timely authoritative and practical material to two audiences in this rapidly growing field of education first teachers who have permanent appointments but could use professional development and improvement and second the already large and still growing number of part time instructors who could use more evaluating and improving This book is intended to be a direct assistance for these groups as well as to administrators who must make personal decisions This professional book is for human resource managers and staff development officers of two year colleges A greater emphasis needs to be placed on human resource management according to Miller and his co authors that will result in better personnel decision making
