intellectual odyssey It is both a commentary on a career and equally an interpretation of the significant changes in the development of the social sciences during the period He evokes forceful memories of English university life as it was poised to be transformed from an elite to a mass system of tertiary education It is a celebration of the interconnectedness between thought and action Lord Smith of Clifton former vice chancellor The University of Ulster A whirlwind ride through the formative years of modern anthropology Robin Fox has never failed to entertain me Desmond Morris The Naked Ape Participant Observer is a romp at blazing speed and with unfailing wit and verve through the great period of anthropology It is full of brilliant portraits of the great actors of that drama and indeed of many of the leading figures of the last several decades in politics show business the arts and the sciences in general It represents a worldview that we need now more than ever one that loves the human race in all its self ignorance its tragic contradictions and its foolish hopes Frederick Turner Genesis An Epic Poem Robin Fox writes with great charm directness and wit His thinking is always independent and original The unusual idea of combining a history of anthropology with the anthropologist s personal memoirs opens unexpected emotional and intellectual depths Mary Douglas Purity and Danger A memoir that deftly blends the nascence of the tectonic shift in the way humans perceive themselves with the way one human sees his own fascinating life The result is a witty artfully written autobiography that is both important in the history of ideas and a joy to read William Wright Lillian Hellman The Image The Woman Robin Fox has written a spirited poetic amusing and erudite account of his journey through life and science As his thoughtful and adventurous narrative unfolds you come to understand the major twentieth century ideas and events that have revolutionized the social sciences and are setting the intellectual trends today It s a grand read learned and an awful lot of fun Helen Fisher Why We Love Robin Fox s account of his long rich life is gracefully crafted consistently interesting frequently funny and all in all a pleasure to read Since it has been a life of the mind it is also a lively history of the ideas and events of the mid to late twentieth century Melvin Konner The Tangled Wing Robin Fox once young rebel now eminent explainer of social origins smiter of chicanery and academic pap is also a literary man linguist poet singer artist and adventurer Friend and precept find him loyal Fools he suffers suffer from him He wears emblematic names and you recognize him Hideous shapes dance with beauty Fear pursues glory Buy it steal it keep it safe between the cinnamon and the ginger Richard de Mille My Secret Mother Lorna Moon In the tradition of Levi Strauss s Tristes Tropiques crossed with Angela s Ashes Robin Fox one of the preeminent anthropologists of our time takes us on an exuberant personal intellectual and cultural journey through the 1930s to the 1970s This is a personal historical intellectual journey one that is **The Character of Human Institutions** Michael Egan, 2017-07-28 This volume celebrates the life and work of Robin Fox and the idea of a biosocial science From his early studies of kinship primates the brain evolution the incest taboo and aggression to his later work on literature politics civilization law the Bible Shakespeare and the history of ideas Robin Fox inspired many with an evolutionary vision of humanity that goes beyond narrow disciplinary boundaries and embraces the universal history

of mankind Fox's work represents an independent biosocial science stream of thinking that accepts the Darwinian mandate while avoiding reductionism by recognizing culture as a natural phenomenon The essays cover Fox's life and his contributions and address topics as diverse as the meaning and function of laughter the unforgiving discipline of writing popular anthropology extreme drinking rituals among young men training for the British army Darwin and close cousin marriage the universal essence of the epic form as a super attractor anthropologists autobiographies the conflict between science and anti science and the decline of British imperial education This engaging collection on a mainstream maverick has been edited by Michael Egan It includes essays by Sir Antony Jay Lionel Tiger Howard Bloom Michael McGuire Kate Fox Melvin Konner Alan Macfarlane Adam Kuper Dieter Steklis Alexandra Maryanski Bernard Chapais Jonathan Turner Linda Stone Charles Macdonald Anne Fox David Jenkins Frederick Turner Robert Trivers and an essay by Robin Fox himself

Creatures of Cain Erika Lorraine Milam, 2020-11-03 How Cold War America came to attribute human evolutionary success to our species unique capacity for murder After World War II the question of how to define a universal human nature took on new urgency *Creatures of Cain* charts the rise and precipitous fall in Cold War America of a theory that attributed man's evolutionary success to his unique capacity for murder Drawing on a wealth of archival materials and in depth interviews Erika Lorraine Milam reveals how the scientists who advanced this killer ape theory capitalized on an expanding postwar market in intellectual paperbacks and widespread faith in the power of science to solve humanity's problems even to answer the most fundamental questions of human identity The killer ape theory spread quickly from colloquial science publications to late night television classrooms political debates and Hollywood films Behind the scenes however scientists were sharply divided their disagreements centering squarely on questions of race and gender Then in the 1970s the theory unraveled altogether when primatologists discovered that chimpanzees also kill members of their own species While the discovery brought an end to definitions of human exceptionalism delineated by violence Milam shows how some evolutionists began to argue for a shared chimpanzee human history of aggression even as other scientists discredited such theories as sloppy popularizations A wide ranging account of a compelling episode in American science *Creatures of Cain* argues that the legacy of the killer ape persists today in the conviction that science can resolve the essential dilemmas of human nature

The Enigma of Max Gluckman Robert J. Gordon, 2018-09-01 Introduction the enigma of Max Gluckman Making the very model of a modern liberal London calling How the guinea pig burnt his own bridge Return to Oxford and intellectual ferment Landing and living in Livingi Mary Max and the Mongu masquerade Getting to grips with the Lozi Running the Rhodes Livingstone Institute The seven year plan The African undertow [The Literary Animal](#) Jonathan Gottschall, David Sloan Wilson, 2005-12-26 The goal of this book is to overcome some of the widespread misunderstandings about the meaning of a Darwinian approach to the human mind generally and literature specifically [The Trashing of Margaret Mead](#) Paul Shankman, 2009-12-03 In 1928 Margaret Mead published *Coming of Age in Samoa* a fascinating study of the lives of

adolescent girls that transformed Mead herself into an academic celebrity In 1983 anthropologist Derek Freeman published a scathing critique of Mead's Samoan research badly damaging her reputation Resonating beyond academic circles his case against Mead tapped into important public concerns of the 1980s including sexual permissiveness cultural relativism and the nature nurture debate In venues from the New York Times to the TV show Donahue Freeman argued that Mead had been hoaxed by Samoans whose innocent lies she took at face value In *The Trashing of Margaret Mead* Paul Shankman explores the many dimensions of the Mead Freeman controversy as it developed publicly and as it played out privately including the personal relationships professional rivalries and larger than life personalities that drove it Providing a critical perspective on Freeman's arguments Shankman reviews key questions about Samoan sexuality the alleged hoaxing of Mead and the meaning of the controversy Why were Freeman's arguments so readily accepted by pundits outside the field of anthropology What did Samoans themselves think Can Mead's reputation be salvaged from the quicksand of controversy Written in an engaging clear style and based on a careful review of the evidence *The Trashing of Margaret Mead* illuminates questions of enduring significance to the academy and beyond 2010 Distinguished Lecturer in Anthropology at the American Museum of Natural History *The Trashing of Margaret Mead* reminds readers of the pitfalls of academia It urges scholars to avoid personal attacks and to engage in healthy debate The book redeems Mead while also redeeming the field of anthropology By showing the uniqueness of the Mead Freeman case Shankman places his continued confidence in academia scholars and the field of anthropology H Net Reviews **Anthropology in the Public Arena** Jeremy MacClancy, 2013-01-23

ANTHROPOLOGY IN THE PUBLIC ARENA A critical insider Jeremy MacClancy celebrates maverick anthropologists who transgressed academic frontiers and urges his colleagues to engage the public This is an entertaining original and provocative book Adam Kuper Professor Emeritus University of Cambridge Jeremy MacClancy insightfully expands the history of anthropology beyond the confines of the academy showing us how a collection of poets popularizers critics surrealists neo Freudians and iconoclast savants shaped anthropology's imagination David Price St Martin's University Washington **ANTHROPOLOGY IN THE PUBLIC ARENA** This detailed survey of the evolution of anthropology in Britain is also a spirited defence of the public as well as professional role of the discipline The author argues for a broader vision of the value of anthropological knowledge that allows for the creative contributions of popular scientists and literary figures who often capture the public imagination and add much to our knowledge of human social relations Informed by original archival research and engaging narratives of the larger than life personalities of public intellectuals the author reveals the contributions of neglected but crucial figures such as John Layard Geoffrey Gorer Robert Graves and the originators of Mass Observation today's online repository of anthropological data MacClancy is guided by the notion that anthropology's continued dynamism requires an alliance of interests popular and academic that will recover marginalized studies and recognize the value of contributions from outside the university research community Its synthesis of diverse topics

illuminates an anthropology that enriches the popular cultural discourse and serves as a versatile tool for exploring pressing issues of social organization and development The reframed narrative of British anthropological history that emerges is as integral to the future of the subject as it is informative about its past *A Feminist Post-transsexual Autoethnography* Julie Peters, 2018-08-14 Gender as a social class along with its concomitant heteronormative gender coercion seem to be intransigent across time and cultures But across these cultures we also see a degree of nonconforming behaviour which very often carries significant multi dimensions of stigma and risk because the exception proves the rule an understanding of gender nonconformity sheds light on the normative operation of gender in society *A Feminist Post transsexual Autoethnography* attempts to demythologise trans and gender diversity by conducting an in depth critical analysis of the life choices of the autoethnographic subject the author who was so uncomfortable with their culturally allocated masculinity that they chose to live an apparently normal female life The research is post transsexual in that the subject forgoes passing in their affirmed gender to ensure the integrity of the data *A Feminist Post transsexual Autoethnography* may primarily appeal to students and researchers interested in the Sociology of Gender and Sociology of Trans and Gender Diversity as well as the broader areas of embodiment and power differentials based on gender class nationality location temporality sexuality and gender non conformity This insightful volume may also be of interest to those within the fields Health Promotion and Education Human Rights Social Justice and Equity or the Social and Cultural Anthropology of Gender **The Tribal**

Imagination Robin Fox, 2011-03-08 Fox traces our ongoing struggle to maintain open societies in the face of profoundly tribal human needs that paradoxically hold the key to our survival This latest book ranges from incest and arranged marriage to poetry and myth from human rights and vengeance to pop icons such as Seinfeld **Sex, Gender and Society** Ann Oakley, 2016-12-05 What are the differences between the sexes That is the question that Ann Oakley set out to answer in this pioneering study now established as a classic in the field To answer it she draws on the evidence of biology anthropology sociology and the study of animal behaviour to cut through popular myths and reach the underlying truth She demonstrates conclusively that men and women are not two separate groups rather each individual takes his or her place on a continuous scale She shows how different societies define masculinity and femininity in different and even opposite ways and discusses how far observable differences are based on biology and psychology and how far on cultural conditioning Many books have discussed these vital issues None however have drawn on such an impressively wide range of evidence or discussed it with such clarity and authority Now newly reissued with a substantial introduction which highlights its continuing relevance this work will continue to inform and shape dialogues around sex and gender for a new generation of scholars and students

Sex, Gender and Society Professor Ann Oakley, 2015-03-28 What are the differences between the sexes That is the question that Ann Oakley set out to answer in this pioneering study now established as a classic in the field Now newly reissued with a substantial introduction which highlights its continuing relevance this work will continue to inform and shape

dialogues around sex and gender for a new generation of scholars and students **A History of Oxford Anthropology**
 Peter Rivière, 2009-10 Informative as well as entertaining this volume offers many interesting facets of the first hundred
 years of anthropology at Oxford University **Participant/Observer** Henry Milner, 2021-10-07 Some engage in politics
 others observe it but the author of this political memoir is among the few that have had the chance to do both In these pages
 Henry Milner shares his experiences as a student and community activist an anglophone insider and strategist in the Parti Qu
 b cois and a close observer over several decades of social democracy in practice in Scandinavia and beyond Milner was born
 in a bunker in American occupied Germany His parents who had survived the war in the Soviet Union moved the family to
 Canada where they settled in Montreal Earning a BA from McGill and his MA and PhD at Carleton he spent his teaching
 career first at Vanier College and then based at the University of Montreal He has also taught extensively in Europe North
 America Australia and New Zealand Participant Observer is Milner s eleventh book His writings notably in Inroads the
 Canadian Journal of Opinion which he and John Richards founded in 1991 have led to opportunities to teach and conduct
 research in Scandinavia Europe Australia and New Zealand Findings from these experiences have found their way into public
 policy discussion in Canada through the media and public forums Milner s recent focus has been on civic literacy on the
 democratic institutions that underly social and economic progress working closely with the movements seeking to reform the
 voting system in Canada and a number of provinces He and his wife Frances Boylston divide their time between Montreal
 and the Dominican Republic where they are closely involved with the Meeting Place a not for profit International Resource
 Centre they founded to help snowbirds to get to know the country and to provide locals and Haitian migrants with English
 language and other resources to be better equipped for employment in a tourism oriented economy Participant Observer is a
 political autobiography of a generation one that reached maturity in the 1960s and 1970s told through one person s story In
 concluding Milner holds out hope that this account of his generations successes and failures can be of use to current
 generations as they face the threat posed by populist and authoritarian forces most dramatically to the capacity of
 contemporary democracies to meet the challenge of climate change **Choice** ,2005 **Book Review Index** ,2006 Every
