Neville, 2009-09-01

This collection of studies by friends colleagues students and associates of Thorwald Lorenzen centers on his pivotal research interests the theological and ethical implications of a relational understanding of the resurrection of Jesus Christ In two major works on the resurrection Lorenzen demonstrated the radical ramifications for Christian discipleship of affirming a relational perspective on the resurrection especially with regard to social justice human rights ecumenical dialogue and holistic spirituality The purpose of this book is to honor the theological work of Thorwald Lorenzen by examining anew and pressing ahead with certain aspects of his own research interests whether in historical and systematic theology biblical exegesis and hermeneutics or social ethics and spirituality Extra Globe , 1835 **The Anthropology of Friendship** Sandra

Bell, Simon Coleman, 2020-08-20 Friendship is usually seen as a vital part of most people s lives in the West From our friends we hope to derive emotional support advice and material help in times of need In this pioneering book basic assumptions about friendship are examined from a cross cultural point of view Is friendship only a western conception or is it possible to identify friends in such places as Papua New Guinea Kenya China and Brazil In seeking to answer this question contributors also explore what friendship means closer to home from the bar to the office and address the following Are friendships voluntary Should friends be distinguished sharply from relatives Do work and friendship mix Does friendship support or subvert the social order How is friendship shaped by the nature of the person gender and the relationship between private and public life How is friendship affected when morality is compromised by self interest This book represents one of the few major attempts to deal with friendship from a comparative perspective In achieving this aim it demonstrates the culture bound nature of many assumptions concerning one of the most basic building blocks of western social relationships More importantly it signposts the future of social relations in many parts of the world where older social bonds based on kinship or

proximity are being challenged by flexible ties forged when people move within local national and increasingly global networks of social relations
