Particular Place Urban Restructuring And Religious Ecology In A Southern Exurb

Michael Gagnon, Matthew Hild

Particular Place Urban Restructuring And Religious Ecology In A Southern Exurb:

A Particular Place Nancy L. Eiesland, 2000 **A Particular Place** Nancy L. Eiesland, 2000 Focusing on how the religious congregations all Protestant of a particular town adapted to a rapid influx of newcomers this book makes a significant contribution to sociological literature in an interesting narrative style Eiesland's work is the perfect complement to that of other major contributors in the field such as Robert Wuthnow Wade Clark Roof William McKinney David A Rootzen Jackson Carroll and Nancy T Ammerman **Gwinnett County, Georgia, and the Transformation of the American South,**

1818-2018 Michael Gagnon, Matthew Hild, 2022-07-15 In Gwinnett County's two hundred years the area has been western southern rural suburban and now increasingly urban Its stories include the displacement of Native peoples white settlement legal battles over Indian Removal slavery and cotton the Civil War and the Lost Cause New South railroad and town development Reconstruction and Jim Crow business development and finance in a national economy a Populist uprising and Black outmigration the entrance of women into the political arena the evolution of cotton culture the development of modern infrastructure and the transformation from rural to suburban to a multicultural urbanizing place Gwinnett as its chamber of commerce likes to say has it all However Gwinnett has yet to be the focus of a major historical exploration until now Through a compilation of essays written by professional historians with expertise in a diverse array of eras and fields Michael Gagnon and Matthew Hild's collection finally tells these stories in a systematic way avoiding the pitfalls of nonprofessional local histories that tend to ignore issues of race class or gender While not claiming to be comprehensive this book provides general readers and scholars alike with a glimpse at Gwinnett through the ages **Ecologies of Faith in New York City**

Richard Cimino, Nadia A. Mian, Weishan Huang, 2012-12-19 A great resource for students in congregational religious and urban studies a valuable installment in the resurrection of urban religious ecology Omar McRoberts University of Chicago *Ecologies of Faith in New York City* examines patterns of interreligious cooperation and conflict in New York City It explores how representative congregations in this religiously diverse city interact with their surroundings by competing for members seeking out niches or cooperating via coalitions and neighborhood organizations Based on in depth research in New York's ethnically mixed and rapidly changing neighborhoods the essays in the volume describe how religious institutions shape and are shaped by their environments what new roles they have assumed and how they relate to other religious groups in the community The book deals with important issues in important ways New York City is a veritable center of the phenomena being studied Jay Demerath University of Massachusetts A valuable contribution to the growing field of congregational studies that places congregations and their agency on the table as one important element to understanding the changing American metropolis *Journal of Urban Affairs* An excellent example of religious scholarship *Review of Religious Research* Offers nine essays focusing on religious institutions of New York City as they have been impacted by the social dynamics of gentrification immigration and entrepreneurial innovation Recommended Choice A solid resource for addressing

entanglements of religion and urbanism The case studies have significant richness Critical Research on Religion A well developed collection of essays that does an effective job of exploring the breadth of the ecological interaction between religious institutions and their environments in New York City Sociology of Religion **Religion and Community in the New Urban America** Paul D. Numrich,Elfriede Wedam,2015-04-14 Religion and Community in the New Urban America examines the interrelated transformations of cities and urban congregations The authors ask how the new metropolis affects local religious communities and what role those communities play in creating the new metropolis Through an in depth study of fifteen Chicago congregations Catholic parishes Protestant churches Jewish synagogues Muslim mosques and a Hindu temple both city and suburban this book describes congregational life and measures congregational influences on urban environments Paul D Numrich and Elfriede Wedam challenge the view held by many urban studies scholars that religion plays a small role if any in shaping postindustrial cities and that religious communities merely adapt to urban structures in a passive fashion Taking into account the spatial distribution of constituents internal traits and external actions each congregation s urban impact is plotted on a continuum of weak to moderate to strong thus providing a nuanced understanding of the significance of religion in the contemporary urban context Presenting a thoughtful analysis that includes maps of each congregation in its social geographic setting the authors offer an insightful look into urban community life today from congregations to the places in which they are embedded *Sacred Subdivisions* Justin G. Wilford,2012-01-01 In an era where church attendance has reached an all time low recent polling has shown that Americans are becoming less formally religious and more promiscuous in their religious commitments Within both mainline and evangelical Christianity in America it is common to hear of secularizing pressures and increasing competition from nonreligious sources Yet there is a kind of religious institution that has enjoyed great popularity over the past thirty years the evangelical megachurch Evangelical megachurches not only continue to grow in number but also in cultural political and economic influence To appreciate their appeal is to understand not only how they are innovating but more crucially where their innovation is taking place In this groundbreaking and interdisciplinary study Justin G Wilford argues that the success of the megachurch is hinged upon its use of space its location on the post suburban fringe of large cities its fragmented dispersed structure and its focus on individualized spaces of intimacy such as small group meetings in homes which help to interpret suburban life as religiously meaningful and create a sense of belonging Based on original fieldwork at Rick Warren s Saddleback Church one of the largest and most influential megachurches in America *Sacred Subdivisions* explains how evangelical megachurches thrive by transforming mundane secular spaces into arenas of religious significance *Sacred Assemblies and Civic Engagement* Paul D Numrich,Fred Kniss,2007-07-11 Immigration to the United States has been a major source of population growth and cultural change throughout much of America s history Currently about 40 percent of the nation s annual population growth comes from the influx of foreign born individuals and their children As these new voices enter America s

public conversations they bring with them a new understanding of Buddhism Hinduism Islam Judaism and Christianity to a society that has been marked by religious variety Sacred Assemblies and Civic Engagement takes an in depth look at one particular urban area the Chicago metropolitan region and examines how religion affects the civic engagement of the nation s newest residents Chapters focus on important religious factors including sectarianism moral authority and moral projects on several areas of social life including economics education marriage and language where religion impacts civic engagement and on how notions of citizenship and community are influenced by sacred assemblies

City of Gods R. Scott Hanson, 2021-05-20 This study of a New York neighborhood s remarkable religious diversity deserves a place alongside Robert Orsi s *The Madonna of 115th Street* Publishers Weekly starred review Known locally as the birthplace of American religious freedom Flushing Queens in New York City is now so diverse and densely populated that it s become a microcosm of world religions *City of Gods* explores the history of Flushing from the colonial period to the aftermath of September 11 2001 spanning the origins of the settlement called Vlissingen and early struggles between Quakers Dutch authorities Anglicans African Americans Catholics and Jews to the consolidation of New York City in 1898 two World s Fairs and finally the Immigration Act of 1965 and the arrival of Hindus Sikhs Muslims Buddhists and Asian and Latino Christians A synthesis of archival sources oral history and ethnography *City of Gods* is a thought provoking study of religious pluralism Using Flushing as the backdrop to examine America s contemporary religious diversity and what it means for the future of the United States R Scott Hanson explores both the possibilities and limits of pluralism Hanson argues that the absence of widespread religious violence in a neighborhood with such densely concentrated diversity suggests that there is no limit to how much pluralism a pluralist society can stand The book is set against two interrelated questions how and where have the different religious and ethnic groups in Flushing associated with others across boundaries over time and when has conflict or cooperation arisen Perhaps the most extreme example of religious and ethnic pluralism in the world Flushing is an ideal place to explore how America s long experiment with religious freedom and pluralism began and continues *City of Gods* reaches far beyond Flushing to all communities coming to terms with immigration religion and ethnic relations raising the question of whether Flushing will come together in new and lasting ways to build bridges of dialogue or further fragment into a Tower of Babel A delightful journey through American religious history and into the future as witnessed in the streets of what the author says is the most religiously diverse community anywhere America

Church Planting in Post-Christian Soil Christopher B. James, 2018 Defying predictions of the inevitable decline of Christianity in the US *Church Planting in Post Christian Soil* presents the untold story of new churches springing up in Seattle one of the most post Christian cities in the nation

I Belong to This Band, Hallelujah! Laura Clawson, 2011-09-15 The Sacred Harp choral singing tradition originated in the American South in the mid 19th century spread widely across the country and continues to thrive today This title is a portrait of several Sacred Harp groups and an insightful exploration of how they manage to maintain a sense of community

The

Invisible Caring Hand Ram Cnaan, 2002-08 Based on in depth interviews with clergy and lay leaders in 251 congregations nationwide this groundbreaking volume provides empirical data to social scientists religious study scholars and those involved in the debates over the role of faith based organizations in social services *Faith in America* Charles H. Lippy, 2006-09-30 Over the last 25 years there has been much talk of the presumed decline in religious participation in America In addition from the 1960s on surveys that mark the influence of religion in American life have shown a mixed response Many suggest that religion is losing influence in the culture as a whole others indicate that while organized religion may be experiencing challenges spirituality is on the upswing At the same time however there have been signs that religious life in the U S is extraordinarily healthy But religion in America has changed to be sure in a number of ways And it has changed us and our culture in return This timely set looks at the major forces that are changing the shape of religion in American life With an influx of immigrants from Asia Latin America and other regions the diversity of religion has grown to include Buddhism Hinduism Islam and other faiths Latin American and African American communities have experienced changes in the ways they practice their faith and in turn influence American culture in general Women have entered the clergy in record numbers and the push for allowing women and gays to enter the clergy in religions that limit or prohibit their roles is on the increase In addition gay couples are leading the same sex marriage movement and other social issues such as abortion stem cell research end of life care etc are still being debated Interest over how people actually live out their religion or spirituality has mushroomed in recent decades thanks in part to the information revolution and popular culture What folks do when they gather together to worship and where they come together has changed dramatically with the advent of the Internet and the role of sports in American life So much has changed and faith in America has become more important than ever as part of our culture our way of life and the way we relate to each other and the world around us The essays found in these pages shed light on our understanding of these transformations and help us comprehend the enormous role of religion in our society and in our world Handbook of Megachurches Stephen J. Hunt, 2019-11-26 The megachurch is an exceptional recent religious trend certainly within Christian spheres Spreading from the USA megachurches now reached reach different global contexts The edited volume Handbook of Megachurches offers a comprehensive account of the subject from various academic perspectives *The Subversive Evangelical* Peter J. Schuurman, 2019-06-30 Evangelicals have been scandalized by their association with Donald Trump their megachurches summarily dismissed as religious Walmarts In The Subversive Evangelical Peter Schuurman shows how a growing group of reflexive evangelicals use irony to critique their own tradition and distinguish themselves from the stereotype of right wing evangelicalism Entering the Meeting House an Ontario based Anabaptist megachurch as a participant observer Schuurman discovers that the marketing is clever and the venue a rented movie theatre is attractive to the more than five thousand weekly attendees But the heart of the church is its charismatic leader Bruxy Cavey whose anti religious teaching and ironic tattoos offer a fresh image for evangelicals This

charisma Schuurman argues is not just the power of one individual it is a dramatic production in which Cavey his staff and attendees cooperate cultivating an identity as an irreligious megachurch and providing followers with a more culturally acceptable way to practise their faith in a secular age Going behind the scenes to small group meetings church dance parties and the homes of attendees to investigate what motivates these reflexive evangelicals Schuurman reveals a playful and provocative counterculture that distances itself from prevailing stereotypes while still embracing a conservative Christian faith

Explorations in Ecclesiology and Ethnography Christian B. Scharen, Christian Scharen, 2012-11-16 In this book Christian Scharen and several other contributors explore empirical and theological understandings of the church Like the first volume in the Studies in Ecclesiology and Ethnography series Perspectives on ecclesiology and ethnography Pete Ward ed this second volume seeks to bridge the great divide between theological research and ethnography qualitative research

Religion and Family in a Changing Society Penny Edgell, 2013-12-03 The 1950s religious boom was organized around the male breadwinner lifestyle in the burgeoning postwar suburbs But since the 1950s family life has been fundamentally reconfigured in the United States How do religion and family fit together today This book examines how religious congregations in America have responded to changes in family structure and how families participate in local religious life Based on a study of congregations and community residents in upstate New York sociologist Penny Edgell argues that while some religious groups may be nostalgic for the Ozzie and Harriet days others are changing knowing that fewer and fewer families fit this traditional pattern In order to keep members with nontraditional family arrangements within the congregation these innovators have sought to emphasize individual freedom and personal spirituality and actively to welcome single adults and those from nontraditional families Edgell shows that mothers and fathers seek involvement in congregations for different reasons Men tend to think of congregations as social support structures and to get involved as a means of participating in the lives of their children Women by contrast are more often motivated by the quest for religious experience and can adapt more readily to pluralist ideas about family structure This Edgell concludes may explain the attraction of men to more conservative congregations and women to nontraditional religious groups

Moral Ambition

Omri Elisha, 2011-07-15 This is a lovely book Secular Americans all too often assume that evangelical Christianity embraces an individualistic ethos This well written and engaging account takes us into the life of the social world of evangelical megachurches and shows the tensions between unconditional love and accountability In doing so this book allows us to grasp the experience at the heart of evangelical faith These people emerge as likable and intelligible through Elisha's narrative T M Luhrmann Watkins University Professor Stanford University Elisha is a wonderfully talented ethnographer empathetic in the very best sense critically engaged attentive and clearly committed to forming genuine relationships I have tremendous admiration for the research that went into this project and I can't wait to teach this book in my classes R Marie Griffith John A Bartlett Professor Harvard Divinity School

Salvation with a Smile Phillip Luke Sinitiere, 2015-11-13 Joel Osteen the

smiling preacher has quickly emerged as one of the most recognizable Protestant leaders in the country His megachurch the Houston based Lakewood Church hosts an average of over 40 000 worshipers each week Osteen is the best selling author of numerous books and his sermons and inspirational talks appear regularly on mainstream cable and satellite radio How did Joel Osteen become Joel Osteen How did Lakewood become the largest megachurch in the U S Salvation with a Smile the first book devoted to Lakewood Church and Joel Osteen offers a critical history of the congregation by linking its origins to post World War II neopentecostalism and connecting it to the exceptionally popular prosperity gospel movement and the enduring attraction of televangelism In this richly documented book historian Phillip Luke Sinitiere carefully excavates the life and times of Lakewood s founder John Osteen to explain how his son Joel expanded his legacy and fashioned the congregation into America s largest megachurch As a popular preacher Joel Osteen s ministry has been a source of existential strength for many but also the routine target of religious critics who vociferously contend that his teachings are theologically suspect and spiritually shallow Sinitiere s keen analysis shows how Osteen s rebuttals have expressed a piety of resistance that demonstrates evangelicalism s fractured but persistent presence Salvation with a Smile situates Lakewood Church in the context of American religious history and illuminates how Osteen has parlayed an understanding of American religious and political culture into vast popularity and success

Immigrant Faiths Karen I. Leonard, 2006-03-10 Recent immigrants are creating their own unique religious communities within existing denominations or developing hybrid identities that combine strands of several faiths or traditions These changes call for new thinking among both scholars of religion and scholars of migrati

Handbook of the Sociology of Religion Michele Dillon, 2003-08-18 Table of contents

The Top Books of the Year Particular Place Urban Restructuring And Religious Ecology In A Southern Exurb The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have enthralled audiences this year. Particular Place Urban Restructuring And Religious Ecology In A Southern Exurb : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Particular Place Urban Restructuring And Religious Ecology In A Southern Exurb : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and thrilling novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.

Particular Place Urban Restructuring And Religious Ecology In A Southern Exurb Introduction

In the digital age, access to information has become easier than ever before. The ability to download Particular Place Urban

Restructuring And Religious Ecology In A Southern Exurb has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Particular Place Urban Restructuring And Religious Ecology In A Southern Exurb has opened up a world of possibilities. Downloading Particular Place Urban Restructuring And Religious Ecology In A Southern Exurb provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Particular Place Urban Restructuring And Religious Ecology In A Southern Exurb has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Particular Place Urban Restructuring And Religious Ecology In A Southern Exurb. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Particular Place Urban Restructuring And Religious Ecology In A Southern Exurb. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Particular Place Urban Restructuring And Religious Ecology In A Southern Exurb, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Particular Place Urban Restructuring And Religious Ecology In A Southern Exurb has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Particular Place Urban Restructuring And Religious Ecology In A Southern Exurb Books
