Parties Politics And Democracy In The New Southern Europe:

Parties, Politics, and Democracy in the New Southern Europe P. Nikiforos Diamandouros, Richard Gunther, 2001-06-11 In the acclaimed *Politics of Democratic Consolidation* Nikiforos Diamandouros, Richard Gunther and their co authors showed how democratization unfolded in Greece Italy Portugal and Spain culminating in consolidated democratic regimes This volume continues that analysis posing the basic question What kind of democratic politics emerged in those countries It presents systematic analyses of the basic institutions of government and of the dynamics of electoral competition in the four countries set in comparative context alongside several other democracies as well as detailed studies of the evolution of the major parties their electorates their ideologies and their performances in government over the past twenty years The authors reach two major conclusions First the new democracies salient features are moderation centripetalism and the democratization of erstwhile antisystem parties on the Right and Left Second no single Southern European model has emerged the systems differ from one another about as much as do the other established democracies of Europe Contributors P Nikiforos Diamandouros University of Athens Richard Gunther Ohio State University Thomas C Bruneau Naval Postgraduate School Monterey Arend Lijphart University of California at San Diego Leonardo Morlino University of Florence Risa A Brooks Stanford University Jos R Montero Autonomous University of Madrid Giacomo Sani University of Pavia Paolo Segatti University of Trieste Gianfranco Pasquino University of Bologna Takis S Pappas College Year Athens Hans Jrgen Puhle Goethe University Frankfurt am Main Anna Bosco University of Trieste

Political Parties in New Democracies Ingrid van Biezen, 2003-07-01 Ingrid van Biezen provides a comprehensive comparative analysis of party formation and organizational development in recently established democracies She focuses on four democracies in Southern and East Central Europe and addresses political parties from a cross regional perspective Featuring a wealth of new information on party organization this book provides a valuable theoretical and empirical contribution to our understanding of political parties in both old and new democracies

Party Change in Southern Europe , Southern European Challenger Parties against the Mainstream Davide Vittori, 2023-07-18 This book focuses on the rise of new challenger parties and the magnitude of their impact on political systems and the existing political order in Southern Europe in the aftermath of the Great Recession Examining Podemos Spain SYRIZA Greece and M5S Italy it highlights the differences and commonalities between them and their voters The book reveals whether these parties were effectively able to change the status quo represented by mainstream parties and secondly whether they created novel organizational structures capable of bring the people in that is of re mobilizing disenfranchised voters and of re inventing the concept of participation within the political party This book will be of key interest to scholars and students of party politics representation leadership political elites public opinion populism and more broadly to comparative politics European studies and contemporary European history

Democratic Quality in Southern Europe Tiago Fernandes, 2024-05-15 Fueled by new data from the Varieties of

Democracy project Democratic Quality in Southern Europe takes a close look at the democratic trajectories of France Greece Italy Portugal and Spain over the past fifty years Despite similar beginnings France Greece Italy Portugal and Spain have experienced significant variations in the way their democracies have evolved Covering ground from the protest movements of the late 60s and early 70s to the challenges that resulted from the financial crisis of the Great Recession editor Tiago Fernandes expertly draws together a collection of essays that look beyond the impact of socioeconomic development in these five countries exploring innovative and nuanced explanations for their diverging paths Democratic Quality in Southern Europe combines new data with classical methodologies to create fresh convincing hypotheses on the development quality and depth of democracy in this critical region Contributors Tiago Fernandes Rui Branco Jo o Cancela Edna Costa Pedro Diniz de Sousa Pedro T Magalh es Edalina Rodrigues Sanches Jos Santana Pereira Tiago Tib rcio **Political Representation in Southern Europe and Latin America** André Freire,Mélany Barragán,Xavier Coller,Marco Lisi,Emmanouil

Tsatsanis,2020-06-03 This collective volume with contributions from experts on these regions examines broader questions about the current crises The Great Recession and The Commodity Crisis and the associated changes in political representation in both regions It provides a general overview of political representation studies in Southern Europe and Latin America and builds bridges between the two traditions of political representation studies affording greater understanding of developments in each region and promote future research collaboration between Southern Europe and Latin America Finally the book addresses questions of continuity and change in patterns of political representation after the onset of the two economic crises specifically examining issues such as changes in citizens democratic support and trust in political representatives and institutions in descriptive representation in the sociodemographic profile of MPs and in substantive representation in the link between voters and MPs in terms of ideological congruence and or policy issue orientations This book will be of key interest to scholars and students of political elites political representation European and Latin American politics studies and more broadly to comparative politics **Political Parties** Richard Gunther,José Ramón Montero,Juan Linz,2002-03-07 This book with contributions from leading scholars in the field presents a critical overview of much of the recent literature on political parties It systematically assesses the capacity of existing concepts typologies and methodological approaches to deal with contemporary parties It critically analyses the decline of parties literature both from a conceptual perspective and with regard to antiparty attitudes among citizens on the basis of empirical analyses of survey data It systematically re examines the underpinnings of rational choice analyses of electoral competition as well as the misapplication of standard party models as the catch all party Several chapters reexamine existing models of parties and party typologies particularly with regard to the capacity of commonly used concepts to capture the wide variation among parties that exist in old and new democracies today and with regard to their ability to deal adequately with the new challenges that parties are facing in rapidly changing political social and technological environments In particular two

detailed case studies demonstrate how party models are significant not only as frameworks for scholarly research but also insofar as they can affect party performance Other chapters also examine in detail how corruption and party patronage have contributed to party decline as well as the public attitudes towards parties in several countries In the aggregate the various contributions to this volume reject the notion that a decline of party has progressed to such an extent as to threaten the survival of parties as the crucial intermediary actors in modern democracies The contributing authors argue however that parties are facing a new set of sometimes demanding challenges Not only have parties differed significantly in their ability to successfully meet these challenges but the core concepts typologies party models and methodological approaches that have guided research in this area over the past 40 years have met with only mixed success in adequately capturing these recent developments and serving as fruitful frameworks for analysis This book is intended to remedy some of these shortcomings

Christian Democratic Parties in Europe Since the End of the Cold War Steven Van Hecke, Emmanuel Gerard, 2004 The period since the end of the Cold War has been characterised by an acceleration in the European integration process a changing pattern of political ideologies and the emergence of new political parties and issues This book assesses the impact of these phenomena on Christian Democratic parties in the current and future member states of the European Union and highlights some of the particularities and universalities of European Christian Democracy from a comparative and transnational perspective Political scientists and historians from various universities examine the way in which Christian Democratic parties have responded to these challenges for instance by a rapprochement with non Christian Democrats and explain how those responses have resulted in failure in some cases and success in others

Party Change, Recent Democracies, and Portugal Marco Lisi, 2015-10-01 This book offers a critical overview on the literature on party change and provides original data on several dimensions of party organizations focusing in particular on Portuguese political parties The Portuguese case study will be used to illustrate how political parties evolve and the main differences in the trajectory experienced by parties in old democracies Therefore starting from the main theoretical contributions used to study party change this book examines some key dimensions of the role played by political parties ideological and programmatic orientations the social basis of support party organization electoral campaigns and the elections of party leaders Through a wide and rich data collection and the comparative perspective adopted this book furthers our understanding of how Portuguese political parties have changed and the impact of this change on the quality of democracy

The Oxford Handbook of Spanish Politics Diego Muro, Ignacio Lago, 2020-02-17 The Oxford Handbook of Spanish Politics provides a comprehensive and comparative overview of the Spanish political system through the lens of political science It aims to move away from a complacent analysis of Spanish democracy and provide a nuanced view of some of its strengths and challenges The Handbook introduces Spanish politics to an international audience of scholars and practitioners It is structured around six sections that cover Spain's political history institutional changes elections civil society policy making and foreign affairs

The volume brings together a distinguished group of 47 internationally renowned scholars who study Spain in its own right or as a case among others in a comparative perspective. The contributors provide expert accounts of contemporary Spain making the Oxford Handbook of Spanish Politics an invaluable resource for anyone interested in Spanish politics and government since the country's transition to democracy.

European Integration and the Communist Dilemma Giorgos Charalambous, 2016-07-22. European Integration and the Communist Dilemma assesses the response of communist parties to European integration using three contrasting and comparatively significant case studies from Greece, Cyprus and Italy. These parties in common with other radical parties in Europe face a continuing strategic dilemma with regard to Europe through which larger questions about communist ideology and identity can be illuminated. Exploring the tendency of communist parties to face a trade off between domestic legitimacy and electoral concerns and their nature as parties professing opposition to the systemic currents of capitalism and European integration, the author provides a fascinating study of the nuances in deciding whether to adopt ideological consistency or undergo moderation. Blending advances in party politics, communist history and Europeanization research, the book devises a framework that overcomes the deficiencies of uni-dimensional approaches to the study of parties and Europe. In this manner, wider insights on the national party politics of European integration are drawn.

Portugal Since the 2008 Economic Crisis António Costa Pinto, 2023-05-11. Portuguese democracy is now celebrating its 50th anniversary. Portugal joined the European Union (EU) in 1986, but the enduring legacies of the country's transition process from authoritarianism to democracy became apparent during the European sovereign debt crisis when Portugal experienced its third bailout since the institutionalization of democratic government. Although the first decade after EU accession was one of slight growth and investment, Portugal's economy has in effect been performing poorly since the beginning of the 21st century. Among the major changes in Portugal, as in much of Southern Europe, as a result of the great recession was the emergence of important new actors including populist parties, new social movements and the polarization of attitudes toward the EU. In some of these areas, the phrase with the exception of Portugal was always present. This book explores the factors that might explain why this is no longer the case, presenting a global overview with an interdisciplinary focus of the processes of economic, social and political changes in Portuguese democracy since the 2008 economic crisis. The volume is accessible to a broad academic audience with chapters examining economic, political, social and foreign policy issues for scholars interested in an analysis of Portugal's emergence from the economic crisis.

Religious Voting in Western Democracies José R. Montero, Paolo Segatti, Kerman Calvo, 2023. This book offers a systematic exploration of the role of religion and religiosity in electoral politics across Western Europe and in the United States. The chapters approach the relationship between religion, religiosity and electoral behaviour from a variety of different angles and on the basis of a range of comparative datasets.

The Europe of Elites Heinrich Best, György Lengyel, Luca Verzichelli, 2012-03-29. The Europe of Elites is the first comprehensive study of how European political and

economic leaders think and feel about Europe and about what course future European integration should take

Democratization Christian W. Haerpfer, Patrick Bernhagen, Christian Welzel, Ronald Inglehart, 2019 Democratization is the first textbook to focus on the global wave of democratization that has been occurring since around 1970 Bringing together leading authors from diverse international backgrounds it introduces students to the theoretical and practical dimensions of the subject in an authoritative accessible and systematic way The book takes into account the international factors that affect politics at the level of the nation state showing students the direction in which the discipline is moving It is accompanied by an innovative companion website that provides numerous resources for students and instructors Democratization covers several key themes including 1 Theories of democratization and their relation to democratic theory 2 Critical prerequisites and driving social forces of democratic transition 3 Pivotal actors and institutions involved in democratization 4 Conditions for democratic survival the consolidation of newly democratized countries and the analysis of failed democratization 5 Demonstrations of how these factors have played a role in the different regions in which the global wave of democratization has transplanted authoritarian and communist systems 6 Possible futures of democratization worldwide

Democratic Transition and the Rise of Populist Majoritarianism Ioannis N. Grigoriadis, 2017-10-12 This comparative study explores the impact of populist majoritarianism on Greek and Turkish democratic transition Using case studies from Greece and Turkey the author argues that while majoritarianism is often celebrated as a manifestation of popular sovereignty it can undermine institutional performance and even stifle the process of democratic consolidation contributing to a confrontational and inefficient democratic regime in cases of transition states where levels of social capital are low and social polarization is high It is shown that building up a mild democracy requires maturity of institutions and an efficient system of checks and balances and implementation control mechanisms while building consensus and trust in societies torn by ethnic religious and ideological divides is not a luxury but a permissive condition for democratic consolidation and economic prosperity This book will be of use to students and scholars interested in the fields of Greek and Turkish politics comparative politics and democracy

The Social Construction of Corruption in Europe Dirk Tänzler, Konstadinos Maras, 2016-02-24 The volume demonstrates the suitability of the theory of social constructivism in portraying and analyzing the diversity of the phenomenon of corruption The approach of social constructivism taken in this volume is able to reconstruct the construction of corruption both from a societal perspective by assessing it as generally accepted or tolerated behaviour in more or less standardized rule governed social situations and from the perspective of actors who perceive corrupt behaviour as problem solving in everyday life The volume proves the usefulness of a social construction perspective for empirical research It contains case studies of social definitions of corruption in eleven European countries that contribute in different ways to establishing a grounded theory of the phenomenon of corruption

Social Democratic Party Policies in Contemporary Europe Giuliano Bonoli, Martin Powell, 2004-07-31 The end of the twentieth

century saw an unprecedented coincidence of electoral success for social democratic parties in western Europe leading to intensive discussion on the future of this new European left. The debates often centred on the notion of a Third way and generated major expectations for policy change among social democratic politicians and voters. The authors collected here examine the recent social and employment policies of these progressive parties looking for change in the guiding principles of policy and on actual policy decisions. They show how the maxims of demand management and egalitarianism have been replaced by social investment and equality of opportunity and demonstrate the full extent of convergence on policies such as employment maximization, the containment of social expenditure and a shift towards a social investment welfare state.

The Palgrave Handbook of Radical Left Parties in Europe Fabien Escalona, Daniel Keith, Luke March, 2023-04-17. This profound and insightful handbook aims to promote critical reflection on the way we conceptualise and study the radical left and to advance research by asking new questions. Radical left parties in Europe have been the subjects of significant study in the last decade aided by the demonstrable success of newer parties like the Greek Syriza and Spanish Podemos as well as the persistence of more established actors like the German Die Linke. Nevertheless, the emergent literature remains patchy and many elements of the party family still poorly understood. This handbook brings together a range of leading analysts to provide a definitive compendium, one that provides both students and scholars with an informative and easy to use guide to the radical left in Europe. Through utilising a common analytical framework to analyse the radical left in 19 European countries within and outside the EU, the Palgrave Handbook of Radical Left Parties in Europe provides a wealth of comparable data on a wide number of cases to provide a sound basis for future studies. This rigorous comparative framework allied with the unprecedented in depth overview of the development of the European radical left over the past two decades makes this handbook an essential starting place for those interested in all aspects of the radical left as a party family.

Ideologues, Partisans, and Loyalists Despina Alexiadou, 2016-03-17. For the past thirty years scholars have debated the role of political parties in fiscal, monetary and social welfare policies. Some argue that Social Democratic parties are more committed to advancing and maintaining welfare protection while others claim that party ideology has ceased to explain parties' policy choices due to the constraining forces of economic globalization, deindustrialization and electoral volatility. Indeed, the empirical findings in support of partisan arguments are mixed. Much of this rich literature treats political parties as uniform and cohesive entities when it comes to forming government policy. *Ideologues, Partisans, and Loyalists* challenges this assumption and advances the argument that ideology and partisan policy preferences play a major role in policy choices yet they are not necessarily observable at the government or even at the party level. Instead, we often need to look at the individual level, particularly at the cabinet minister who is in charge of the policy in question to predict policy outcomes. *Ideologues, Partisans, and Loyalists* innovatively argues that cabinet ministers can have very important policy role as policy agenda setters. Yet not all ministers are equally effective policy makers. Some make a difference while others do not. *Loyalists*

are loyal to their party leader and prioritize office over policy partisans are party heavyweights and aspiring leaders and ideologues have fixed policy ideas and are unwilling to compromise for the perks of holding office Only ideologues and partisans can effectively change social welfare and labour market policy above and beyond what their government mandates

Ignite the flame of optimism with is motivational masterpiece, **Parties Politics And Democracy In The New Southern Europe** . Parties Politics And Democracy In The New Southern Europe Introduction

In today's digital age, the availability of Parties Politics And Democracy In The New Southern Europe books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Parties Politics And Democracy In The New Southern Europe books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Parties Politics And Democracy In The New Southern Europe books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Parties Politics And Democracy In The New Southern Europe versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Parties Politics And Democracy In The New Southern Europe books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Parties Politics And Democracy In The New Southern Europe books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Parties Politics And Democracy In The New Southern Europe books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of

Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Parties Politics And Democracy In The New Southern Europe books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Parties Politics And Democracy In The New Southern Europe books and manuals for download and embark on your journey of knowledge?

FAQs About Parties Politics And Democracy In The New Southern Europe Books

1. Where can I buy Parties Politics And Democracy In The New Southern Europe books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Parties Politics And Democracy In The New Southern Europe book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Parties Politics And Democracy In The New Southern Europe books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Parties Politics And Democracy In The New Southern Europe audiobooks, and where can I find them?

Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.

8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Parties Politics And Democracy In The New Southern Europe books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
