Parting Company William J. Morin, James C. Cabrera, 1982 **When You Lose Your Job** Cliff Hakim, 1993 Laid off fired early retired relocated demoted unchallenged **The Changing Outplacement Process** John L. Meyer, Carolyn C. Shadle, 1994-10-21 With downsizing layoffs and other retrenchment measures afflicting both public and private sectors outplacement consulting has grown from a minor specialty among human resources HR firms and practitioners into an important industry Meyer and Shadle explore changes that have occurred in the outplacement process as well as its practice to provide a clearer understanding of what it is and what it offers organizations and their employees Clearly written and designed to assist management and their HR professionals the book provides not only an insight into the meaning of job loss and its devastating impact on workers and the organization but also a way to help lessen the blow to both Among the topics explored here are the seven dimensions of the new careerism an inclusive definition of outplacement a complete and objective review and analysis of the elements of the outplacement and career transition process and a description of the different kinds of assessment typically offered as part of outplacement It also provides an inside look into this multimillion dollar industry its organization and markets trends and the industry's burgeoning technology The authors answer such questions as Why does one need outplacement counseling Why do corporations pay for it and how much How do outplacement firms contact and contract with corporations How can the outplacement firm provide consultation to downsizing corporations This book is a well researched practical resource for all organizations and their employees in this economically difficult decade **Negotiating Solidarity** Caroline Lipovsky, 2010-02-19 Negotiating Solidarity A Social Linguistic Approach to Job Interviews explores the linguistic co construction of self presentation in job interviews It shows how candidates construct their professional identities and establish co membership and build rapport with their interviewers Specifically it illustrates how candidates enact their professional expertise and put their qualities forward and highlights the linguistic features that succeed or fail to make a good impression on interviewers Using extracts from authentic job interviews Lipovsky illustrates the influence of candidates communicative styles on the impression they make on their interviewers and the part that candidates semantic and lexico grammatical choices play in defining the personal affinity between interviewer and candidate and consequently in the hiring decision **The Employment Interview Handbook** Robert W. Eder, Michael M. Harris, 1999-05-06 This completely rewritten edition of the bestselling The Employment Interview Handbook provides a comprehensive review of various streams of research into employment interviewing including the validity and fairness of interview outcomes assessment of person organization it factors affecting the interviewer's decision making process and applicant perspectives on the process of interviewing including impression management The book concludes with a summary of the volume's implications for theory building research methods and effective practice
