mastered all that is taught in Volume II Volume IV The Expert American Bidding System NOT YET RELEASED presumes two years experience with the bidding techniques taught in Volume III and expert declarer play and defense skills This is not a Mom and Pop book It is for those who wish to successfully compete in such ACBL events as Flight A Grand National Teams the Blue Ribbon Pairs the Life Master Pairs the Spingold Vanderbilt and Reisinger teams etc and International events like the Bermuda Bowl and Venice Cup The London Times Pairs the McCallan etc It features 4 card majors the TEAS responses to no trump openings weak no trumps and a variety of other bidding methods which will get bidders to the optimum place but will require expert declarer play or defensive skills to maximize results All four books emphasize sound disciplined bidding and an underlying philosophy of You bid your cards I ll bid mine we ll get to the right spot By the time students complete study and practice of Volume III they should be able to know what cards partner holds almost to the spot at the conclusion of an auction In fact Jerry and one of his partners were once accused of cheating when they got cocky and did this after an auction The comment was How can you know what cards your partner holds Jerry s answer Isn t that the whole point of the bidding
