Partners In Protest Life With Canon Collins:

Partners in Protest Diana Collins, 1995-04-01 *Bringing Art to Life* Andrew Horrall, 2009-09-14 In 1959 Alan Jarvis the brilliant and charismatic director of the National Gallery of Canada was forced to resign following a disagreement with the government over the purchase of works by European Old Masters He never fully recovered from this dismissal or the public humiliation that followed succumbing to alcoholism in a little over a decade *Sehnsucht: The C. S. Lewis Journal* Bruce R. Johnson, 2016-12-14 *Sehnsucht* The C S Lewis Journal established by the Arizona C S Lewis Society in 2007 is the only peer reviewed journal devoted to the study of C S Lewis and his writings published anywhere in the world It exists to promote literary theological historical biographical philosophical bibliographical and cultural interest broadly defined in Lewis and his writings The journal includes articles review essays book reviews film reviews and play reviews bibliographical material poetry interviews editorials and announcements of Lewis related conferences events and publications Its readership is aimed at academic scholars from a wide variety of disciplines as well as learned non scholars and Lewis enthusiasts At this time *Sehnsucht* is published once a year **British Sporting Relations with Apartheid South Africa** Matthew P. Llewellyn, Toby C. Rider, 2024-11-25 The transnational anti apartheid sport boycott of South Africa represented the most prominent extended and controversial anti racism campaign in the history of sport Spearheaded by prominent British religious and anti colonial figures and exiled South Africans emboldened by communist and Global South support and legitimised by supranational political bodies such as the United Nations the Organisation of African Unity and the Commonwealth the sport boycott helped propel anti apartheid out of relative obscurity and struck at the very heart of a cultural practice that served an explicitly ideological function in Afrikaner society Britain held a dichotomous even paradoxical role as both prosecutor and defender of white South Africa This book utilises sport as a critical lens for understanding the dynamics and dichotomies of British attitudes towards the apartheid regime Debates over whether to continue or to cut sporting links with apartheid South Africa proved bitterly divisive The considerable weight the subject carried and the degree to which it saturated British political and social discourse for four decades speaks to its impact and importance *British Sporting Relations with Apartheid South Africa* represents the first archival based historical examination of Britain s sporting relations with South Africa throughout the apartheid era 1948 1994 Situating the analysis within the shifting multiracial and multicultural landscapes of postcolonial Britain and within global political cultural sporting and ideological debates the authors trace the origins and evolution of the transnational sport boycott and examine what inspired Britons to energise anti apartheid sport campaigns and in contrast what drove many others to vehemently oppose them at every turn *The Canons* Trevor Beeson, 2006 Describes many engaging Canons in the history of the Church of England Tracing the course of the change in the fortunes of the English cathedrals and in the lives of interesting and significant Canons who were in office this work provides readers with an introduction to two centuries of Church history with these

portraits of remarkable men Amnesty International and Human Rights Activism in Postwar Britain, 1945-1977 Tom Buchanan, 2020-04-30 In this definitive new account of the emergence of human rights activism in post war Britain Tom Buchanan shows how disparate individuals organisations and causes gradually came to acquire a common identity as human rights activists This was a slow process whereby a coalition of activists working on causes ranging from anti fascism anti apartheid and decolonisation to civil liberties and the peace movement began to come together under the banner of human rights The launch of Amnesty International in 1961 and its landmark winning of the Nobel Peace Prize in 1977 provided a model and inspiration to many new activist movements in the field of human rights and helped to affect major changes towards public and political attitudes towards human rights issues across the globe **NGOs in Contemporary Britain** N. Crowson, M. Hilton, J. McKay, 2009-04-22 Examining the history of social movements and non state socio political action this volume shows how Non Governmental Organisations NGOs have proliferated in Britain since 1945 and how they have raised new political agendas revived associational life and arguably re politicized generations disillusioned with the politics of the ballot box **Music and Postwar Transitions in the 19th and 20th Centuries** Anaïs Fléchet, Martin Guerpín, Philippe Gumpłowicz, Barbara L. Kelly, 2023-06-09 From the Napoleonic Wars to the genocide of the Tutsis in Rwanda via the great world conflicts of the 20th century Music and Postwar Transitions in the 19th and 20th Centuries is the first book to highlight the significance of postwar transitions in the field of music and to demonstrate the influence that musicians composers critics institutions and publics have had on the period that follows conflict Leading historians political scientists psychologists and musicologists explore the roles of music and culture in demobilization reconstruction memory reconciliation revenge and nationalist backlash Moving beyond the popular conception of music as an agent of peace this study reveals music's more complex and ambivalent role in the process of transition from war to peace White Lies Denis Herbstein, 2004 Behind the clerical dog collar he wore as Canon of St Paul's Cathedral in London John Collins ran a single minded constantly creative campaign over several decades to provide material support to those waging the struggle against apartheid assisting leaders like Nelson Mandela and thousands of township and rural activists as well as families who suffered because their loved ones were in prison in exile or dead The success of the organisations he founded the International Defence and Aid Fund IDAF and Christian Action depended on a network of volunteers across the world and a small group of South African exiles and British workers in London South African intelligence agents tried to penetrate these networks but to no avail **BOOK JACKET** **The Foundations of Anti-Apartheid** Rob Skinner, 2010-10-27 Anti apartheid was one of the most significant international causes of the late twentieth century The book provides the first detailed history of the emergence of anti apartheid activism in Britain and the USA tracing the network of individuals and groups who shaped the moral and political character of the movement **Victor Turner and Contemporary Cultural Performance** Graham St. John, 2008 In the twenty years following Victor Turner's death interventions on the interconnected performance modes of play drama and community

dimensions of which Turner deemed the limen and experimental and analytical forays into the anthropologies of experience and consciousness have complemented and extended Turnerian readings on the moments and sites of culture s becoming

Examining Turner s continued relevance in performance and popular culture pilgrimage and *communitas* as well as Edith Turner s role the contributors reflect on the wide application of Victor Turner s thought to cultural performance in the early twenty first century and explore how Turner s ideas have been re engaged renovated and repurposed in studies of contemporary cultural performance

God and War Tom Lawson, 2016-04-22 Despite narratives of secularization it appears that the British public persistently pay attention to clerical opinion and continually resort to popular expressions of religious faith not least in time of war From the throngs of men who gathered to hear the Bishop of London preach recruiting sermons during the First World War to the attention paid to Archbishop Williams words of conscience on Iraq clerical rhetoric remains resonant For the countless numbers who attended National Days of Prayer during the Second World War and for the many who continue to find the Remembrance Day service a meaningful ritual civil religious events provide a source of meaningful ceremony and a focus of national unity War and religion have been linked throughout the twentieth century and this book explores these links taking the perspective of the home front rather than the battlefield Exploring the views and accounts of Anglican clerics on the issue of warfare and international conflict across the century the authors explore the church s stance on the causes morality and conduct of warfare issues of pacifism obliteration bombing nuclear possession and deterrence retribution forgiveness and reconciliation and the spiritual opportunities presented by conflict This book offers invaluable insights into how far the Church influenced public appraisal of war whilst illuminating the changing role of the Church across the twentieth century

Friendly Enemies Stefan Berger, Norman LaPorte, 2010-05-01 During the Cold War Britain had an astonishing number of contacts and connections with one of the Soviet Bloc s most hard line regimes the German Democratic Republic The left wing of the British Labour Party and the Trade Unions often had closer ties with communist East Germany than the Communist Party of Great Britain CPGB There were strong connections between the East German and British churches women s movements and peace movements influential conservative politicians and the Communist leadership in the GDR had working relationships and lucrative contracts existed between business leaders in Britain and their counterparts in East Germany Based on their extensive knowledge of the documentary sources the authors provide the first comprehensive study of Anglo East German relations in this surprisingly under researched field They examine the complex motivations underlying different political groups engagement with the GDR and offer new and interesting insights into British political culture during the Cold War

Handbook on Gender and War Simona Sharoni, Julia Welland, Linda Steiner, Jennifer Pedersen, 2016-07-27 This interdisciplinary Handbook offers a comprehensive and detailed overview of the relationship between gender and war exploring the conduct of war its impact aftermath and opposition to it Offering sophisticated theoretical insights and empirical research from the First World War to contemporary conflicts around the world this

Handbook underscores the centrality of gender to critical examinations of war **South African Political Exile in the United Kingdom** Mark Israel,1999-05-19 After 1948 many opponents of apartheid were forced out of South Africa This accessible and readable account draws upon interviews with many of those involved to examine how those activists who came to the United Kingdom developed political organisations social networks ideologies and identities that supported their time in exile It examines the Anti Apartheid Movement and the African National Congress in exile and documents the violent attempts by the South African government to control exile activity Finally it investigates how exiles came to terms with the possibility that they might return **St. Paul's** Lecturer in Modern British History Arthur Burns,2004-01-01 The present St Paul s Cathedral Christopher Wren s masterpiece is the fourth religious building to occupy the site Its location in the heart of the capital reflects its importance in the English church while the photographs of it burning during the Blitz forms one of the most powerful and familiar images of London during recent times This substantial and richly illustrated study published to mark the 1 400th anniversary of St Paul s presents 42 scholarly contributions which approach the cathedral from a range of perspectives All are supported by photographs illustrations and plans of the exterior and interior of St Paul s both past and present Eight essays discuss the history of St Paul s demonstrating the role of the cathedral in the formation of England s church and state from the 7th century onwards nine essays examine the organisation and function of the cathedral during the Middle Ages looking at for example the arrangement of the precinct the tombs the Dean s household during the 15th century the liturgy and the archaeology The remaining papers examine many aspects of Wren s cathedral including its construction fittings and embellishments its estates and income music and rituals its place in London its library its role in the book trade and its reputation The Church's Other Half Trevor Beeson,2013-01-03 Women have always constituted at least half of the church s membership but for almost 2 000 years were excluded from any significant part in its leadership After the example of Jesus the earliest Christian communities were wholly inclusive in their organisation but a patriarchal model derived from the pattern of the secular Greco Roman societies was soon adopted This restricted women to subordinate roles from which the struggle to escape continues **Gandhi in the West** Sean Scalmer,2011-01-06 The non violent protests of civil rights activists and anti nuclear campaigners during the 1960s helped to redefine Western politics But where did they come from Sean Scalmer uncovers their history in an earlier generation s intense struggles to understand and emulate the activities of Mahatma Gandhi He shows how Gandhi s non violent protests were the subject of widespread discussion and debate in the USA and UK for several decades Though at first misrepresented by Western newspapers they were patiently described and clarified by a devoted group of cosmopolitan advocates Small groups of Westerners experimented with Gandhian techniques in virtual anonymity and then on the cusp of the 1960s brought these methods to a wider audience The swelling protests of later years increasingly abandoned the spirit of non violence and the central significance of Gandhi and his supporters has therefore been forgotten This book recovers this tradition charts its transformation and ponders its abiding significance

A.J.P. Taylor Chris Wrigley, 2006-08-25 A scholar gentleman in the old style a northern non conforming radical an academic steeped in Oxford traditions a late 20th century media personality one of the most outstanding historians of his age A J P Taylor was all of these He wrote about traditional historical subjects in a traditional manner and took narrative history to new heights and was equally at home with a critical academic as with a vast popular audience This biographical study of A J P Taylor includes details of Taylor s privileged and cosseted childhood the effect of his close but combative and stimulating family the dissenting and nonconformist tradition and his time as teacher broadcaster journalist and historian It attempts to evaluate how far he fulfilled his aim and conviction as to the importance of history and its place at the heart of national consciousness Constructing Post-Imperial Britain: Britishness, 'Race' and the Radical Left in the 1960s J. Burkett, 2013-04-11 The end of empire shaped the way the British public saw their place in the world society and the ethnic and racial boundaries of their nation Focussing on some of the most controversial organisations of the 1960s this book illuminates their central importance in constructing post imperial Britain
