When Jackson Wright was killed in a freak accident on the front lawn of his house just shy of his ninth birthday his close knit and loving family found themselves utterly devastated and adrift unsure of how to even go about the process of moving forward without him With the support of friends family and an amazing community they managed to keep going through those unbelievably painful first days which included the service for Jackson and returning to their home without him afterward In the weeks and months that followed Jackson s father found some comfort and release in the writing of an online blog through which he kept his circle of extended family and friends informed about his family s progress avoiding the repetitive cycle of awkward questions and painful answers Sundown expands on that blog telling the story of an amazing young boy the impact he had on those around him and his family s inspiring journey towards a new normal It is just one part of an amazing legacy inspired by an incredible little boy who was taken far too soon With surprising insight wisdom and humor the story takes its audience on a raw and relatable journey of determination and survival It will change the way you look at love and loss and inspire you to hold your loved ones closer than ever leaving nothing between you unsaid THE AMERICAN CITY ,1928 **The Journal of Physical Education** ,1929 **Readers' Guide to Periodical Literature** ,1923
