Revelations On Longing Street:

The revelation of St. John Irma Korte, 2020-01-03 Could the Revelation of St John inspire us even today in our own spiritual quest Yes answers Dr Korte an author of several books and articles interpreting myths and the Bible as she reads man s spiritual transformation in St John s visions Irma Korte questions the common view of Revelation as a prophesy of horrors and God s revenge and instead invites the reader into man s inner world Here St John contemplates in pictorial mythical language the most essential problems in religion such as the nature of man reality and evil As the visions proceed St John himself experiences a profound inner change He gives up alienating religious beliefs and moves toward ever deeper spirituality culminating in the final illumination Interpreting the visions much like myths are analyzed in Jungian thought Dr Korte compares the images in St John s visions to those from other religious texts psychological and philosophical theories mythology and yoga literature as well as from dreams and experiences of present day men and women The many quotations from the works of Occidental and Oriental mystics testify that they have used images similar to those of St John in recounting their own experiences These mystics include among others St Teresa of Avila St John of the Cross and Paramahansa Yogananda *The Revelation of St John* Ernst Wilhelm Hengstenberg, 1852 **The Revelation of St. John** Abraham Kuyper, 1999-03-22 Amid the welter of writing on biblical prophecy this important work by Kuyper challenges the thoughtful Christian to profoundest reverence for the message of the book of the Revelation [The Revelation of St. John](#) E. W. Hengstenberg, 2005-05-05 From the Preface The Revelation of St John was for a long time a shut book to me That it was necessary here to lay open a new path that neither the course pursued in the older ecclesiastical nor that of the modern Rationalistic exposition was to be followed I never entertained a doubt The title shows that this work is intended for all who search the Scriptures The remarks contain little of a grammatical nature The text will present no difficulties to cultivated readers even though not theologians if they are only animated by the earnest desire to become thoroughly acquainted with the contents of the book I commend this work the deficiencies of which I deeply feel to Him who has given me strength to execute it thus far and who has rendered it to myself a source of edification and comfort **Lectures on the Revelation of St John** Charles John Vaughan, 2025-08-12 Reprint of the original first published in 1882 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage *The Revelation Given to St. John the Divine* John Herbert Latham, 1896 *A Perpetual Commentary on the Revelation of St. John* Charles Daubuz, 1720 *Lectures on the Revelation of st.
