Ritual Sins:

Ritual Sins Anne Stuart,2020-04-25 Rachel Connery has come to the Foundation of Being to find the truth about her mother s death what has happened to all her money and what secrets lie behind the smiling placid members of what Rachel considers a cult Luke Bardell is as bad as a man can be a liar swindler convicted murderer and cult leader So why is she so attracted to him There s evil at the Foundation but Rachel can t tell where it s coming from the holier than thou members or Luke Bardell himself Luke is involved in something very wrong but is he the real source of evil And is she a total fool to believe that he s someone worth loving *Ritual Sins* Anne Kristine Stuart,1997 Investigating the cult she believes robbed her of her inheritance Rachel comes under the spell of its charismatic leader *The Sacrifice of Christ Scripturally and Rationally Interpreted ... Second Edition, Fourth Thousand, Corrected and Enlarged* Edward HIGGINSON,1848 *Houses of the Holy* Robert M. Price,2025-02-25 In a shrinking world in which religion has become as much a motivation for war and terror as an inspiration for saintliness and benevolence it is more important than ever that we understand faiths other than our own Where did they come from How did they begin Were their legended founders real historical individuals How do their beliefs shape their actions Which faiths are mutations of older ones Many otherwise helpful introductory volumes cover only the most populous religions and fearing most readers will shy away from going deeply into important detail they wind up grossly oversimplifying By contrast Robert M Price s Houses of the Holy fills in these blanks comprehensively and does so in clear straightforward language without cheating the necessary complexity Here you will find fascinating coverage of a full dozen religious faiths including several you have likely never even heard of *The Sacrifice of Christ Scripturally and Rationally Interpreted; with Remarks on the Doctrine of Atonement ... as Espoused ... by Dr. Magee* Edward HIGGINSON,1833 Remarks on the commonly received doctrine of Atonement and Sacrifice William TURNER (M.A., of Halifax.),1830 **The Christian's Relation to Evolution** Franklin Johnson,1904 **A Letter Addressed to the King** Thomas Thrush,1825 **Impurity and Sin in Ancient Judaism** Jonathan Klawans,2004 Jonathan Klawans shows how the link between moral impurity and physical defilement as understood by the ancient Hebrews can be followed through to St Paul and the Christian era when the need for ritual purity was finally rejected The Rational Bible: Numbers Dennis Prager,2024-11-19 If you think the Bible is irrelevant irrational or even at times immoral and you have an open mind The Rational Bible will change your mind and influence your outlook on life You will come to understand why the Bible and especially its first five books the Torah are the most influential books ever written Equally important you will understand how they apply to your life The Rational Bible Dennis Prager s commentary and explanation of these five books rooted in his expertise in biblical Hebrew and its grammar is widely considered the most important modern Bible commentary Read the thousands of reviews on Amazon written by people of many faiths and of no faith and you will appreciate why this is so The Book of Numbers In the Wilderness in the original Hebrew is the fourth book of the Bible Among the many compelling issues

addressed in this volume are the following Doubting God What produces faith miracles or effort And if effort what efforts work Arguing with God Ingratitude as a source of evil Why only men could be priests Why the conscience is not morally reliable Is fanaticism ever justified Is there luck in life or is everything determined by God s will The title of this five volume commentary is The Rational Bible because its approach is entirely reason based The reader is never asked to accept anything on faith alone In Dennis Prager s words If something I write is not rational I have not done my job Few people alive today have influenced as many people as has Dennis Prager In the words of the website Powerline Dennis Prager is probably the foremost public intellectual of our time Read The Rational Bible and you will understand why A Dictionary of the Jewish-Christian Dialogue Leon Klenicki,Geoffrey Wigoder,1995 This is an invaluable aid in helping readers become better acquainted with key issues involved in the relationship between Judaism and Christianity It brings together significant discussions of major theological and religious topics that are an integral part of the faith dialogue between Jews and Christians Each topic is treated in two separate essays one by a Christian scholar the other by a Jewish scholar and points of agreement and decisive differences stand out clearly BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved Quarterly Review of the Methodist Episcopal Church, South ,1910 **The Methodist Review Quarterly** ,1910 The Methodist Review ,1910 **Sharing Your Faith With A Muslim** Abdiyah Akbar Abdul-Haqq,1980-08-01 This is the book for you if you are serious about communicating the truth of the Gospel to Muslims It is thorough It is authoritative It is written by a third world Christian whose father was a convert from Islam It is the contention of the author that an effective evangelistic approach to the adherents of Islam must be based upon a study of Christ as He is found in both Scripture and the Koran Christ then becomes the bridge between the two faiths Such a search is to Abdul Haqq the natural means of introducing the Savior Having seen Christ on the pages of the Bible he moves on to a presentation of the great issues of sin salvation and the nature of God as the final pressing points to raise in efforts to win Muslim friends and neighbors to Jesus *Religion In Primitive Society* Edward Norbeck,2025-08-05 Religion in Primitive Society is a foundational work in the anthropology of religion offering a lucid and comparative examination of spiritual belief systems among non literate and pre industrial cultures Edward Norbeck explores how early societies conceived of the supernatural organized rituals and used religion as a framework for interpreting the natural and social world Drawing on extensive ethnographic sources and his own fieldwork Norbeck examines diverse phenomena animism ancestor worship magic taboo shamanism and myth making within societies ranging from the Pacific Islands to Central Africa Rather than reducing religion to superstition Norbeck treats it as a dynamic and adaptive force that helps communities make sense of uncertainty establish social cohesion and define moral codes His analysis is both anthropological and humanistic acknowledging the richness and complexity of belief systems that have too often been dismissed Religion in Primitive Society is essential reading for students of anthropology comparative religion and anyone seeking to understand the roots of human

spirituality **Bwiti** James W Fernandez, 2019-01-29 We cannot the author argues adequately understand the religious imagination without knowing the historical social and cultural matrices from which it arises Accordingly his book explores the Fang culture of Gabon as a set of contexts from which emerges the Bwiti religion In addition to experience with missionary Christianity Bwiti uses a great reservoir of images and ideas from its own past Professor Fernandez analyzes how they are recreated into a compelling religious universe an equatorial microcosm Part I a detailed ethnographic account of Fang culture after colonial encounter addresses the attendant problems The author discusses the European influence on the self concept of the Fang family life and kinship and political and economic relationships Part II analyzes in greater detail the religious implications of European administration and missionary efforts In Part III the author shows how the malaise and increasing isolation of part of Fang culture achieve some assuagement of the Bwiti religion which seeks a reconciliation of the past and present James W Fernandez is Professor of Anthropology at Princeton University and author of many studies in this discipline Originally published in 1982 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 The Bible Doctrine of Salvation - A Study of the Atonement C. Ryder Smith, 2013-04-18 Contents Include Psychological Presuppositions THE OLD TESTAMENT Some Permanent Concepts From Moses to Elisha The Hebrew Messiah The Written Prophets The Psalms of Suffering and Sin The Post Exilic Sacrifices THE OLD TESTAMENT AND AFTER Eschatology and Apocalyptic Mediation Sin and Repentance THE NEW TESTAMENT The Postulates and Preaching of John the Baptist Salvation in the Synoptic Gospels The General Apostolic Preaching The Servant The Lamb and the Shepherd The Teaching of St Paul The Epistle to the Hebrews The Gospel and Epistles of John The Biblical Path to Psychological Maturity Vivian Skolnick, 2009 Christ Died for Our Sins Jarvis J. Williams, 2015-05-18 In Christ Died for Our Sins Jarvis J Williams argues a twofold thesis First that Paul in Romans presents Jesus death as both a representation of and a substitute for Jews and Gentiles Second that the Jewish martyrological narratives in certain Second Temple Jewish texts are a background behind Paul s presentation of Jesus death By means of careful textual analysis Williams argues that the Jewish martyrological narratives appropriated and applied Levitical cultic language and Isaianic language to the deaths of the Torah observant Jewish martyrs in order to present their deaths as a representation a substitution and as Israel s Yom Kippur for non Torah observant Jews Williams seeks to show that Paul appropriated and applied this same language and conceptuality in order to present Jesus death as the death of a Torah observant Jew serving as a representation a substitution and as the Yom Kippur for both Jews and Gentiles Scholars working in the areas of Romans Pauline theology Second Temple Judaism atonement in Paul or early Christian origins will find much
