Up the River Deben Robert Simper,2006-06-01 **Rivers of Britain** Stuart Fisher,2012-01-05 Britain s rivers deserve to be better known Teeming with wildlife steeped in history sporting bridges docks and stunning architecture not to mention supporting riverside pubs waterways museums and a

variety of places of interest they are the country's essential arteries connecting inland Britain with the sea. Covering Britain's best known tidal rivers the Avon, Severn, Dee, Mersey, Tyne and Thames to the picturesque rural Camel, Wye, Orwell and Crouch as well as the industrial rivers of the Medway, Tyne and Clyde right down to the smallest and lesser known of Britain's tidal waterways, this is a fascinating and comprehensive guide packed with maps, colour photographs and interesting facts about the lifeblood of our country. Of interest to sailors, fishermen, motorised craft and canoeists keen to discover beautiful unfrequented spots, stopping points, places of interest, riverside pubs and lookout points as well as practical information on rapids, weirs and nearby towns and car parks, it will also interest walkers, cyclists, families and holidaymakers discovering the local history, folklore, riverside architecture and places to take river trips. **History, gazetteer, and directory, of Suffolk**

William White, 1855 **Suffolk (Slow Travel)** Laurence Mitchell, 2018-03-01 This new second edition of Suffolk part of Bradt's distinctive Slow series of regional UK guides remains the only full blown standalone guide to this gentle but beguiling county. Written by expert local author Laurence Mitchell, this is the guide of choice for anyone wanting to get under the skin of the region and discover what makes it tick. This new edition offers a very personal view of the county providing up to date information on the best places to visit, stay and eat, covering not just popular sights but focusing also on those places beyond the usual tourist trail. Suffolk's popularity as a destination is not waning and events such as the Latitude festival in July or the Aldeburgh Music Festival at Britten's Snape Maltings not to mention the use of the RSPB's Minsmere Reserve as a base for BBC's Springwatch are all helping to keep the county's profile raised. Southwold, Aldeburgh, Orford, Walberswick and Dunwich are all covered as is the great variety of landscapes from undulating farmland and sandy heaths to extensive forests such as Rendlesham and Thetford in the Brecks, important nature reserves and the soft, dreamy coastal landscapes of river estuaries, remote marshes, reed beds, beaches, shingle banks, sand spits and dunes. Also included are Constable Country and the Stour valley, Bury St Edmunds, Framlingham, Bungay, Beccles and Halesworth plus information on Suffolk's wealth of medieval churches and its Anglo-Saxon heritage, notably the royal ceremonial burial site at Sutton Hoo and the reconstructed Anglo-Saxon village at West Stow. Bradt's Suffolk makes a virtue of being selective and pointing the reader to the cream of the area. It is organised into locales to encourage stay put tourism with the opportunity to explore each locale thoroughly. There are also plenty of options for car free travel, walking, cycling, river boats and local buses and trains. Written in an entertaining style and offering a personal narrative, authoritative information and interesting anecdotes, Bradt's Suffolk is the ideal companion with which to discover this charming corner of England. *The Deben River* Robert Simper, Graham Henderson, 1992
