Poetry of Life Gwenda Cousins, 2016-11-07 I have enjoyed collating the poems for my first book The book of poetry came about when I met a young woman going through a very tough time in life As she told me her story she expressed her belief that

butterflies were inspirational That night I went home and wrote The Butterfly for her Although our paths have not crossed for many years I feel the poem was a comfort to her as she was grateful when I wrote the poem for her From that time on I began to write more often Sometimes just a word or image would bring a poem to my mind I wrote Devotion for a man who was caring for his very ill wife His kindness and caring touched me deeply as he was so loving I wrote The Old House about a derelict farmhouse Some time after I wrote this poem the old house was pulled down and a new house built in its place One day I decided to take a copy of The Old House to the owners After the owners read the poem they told me I had written their life story without having met them I wrote Homeless and Broke in Houston Texas in the United States We stopped at traffic lights there and at one I saw the homeless man The poem immediately came to mind After I write a poem I rarely change it Words come to mind that fit my thoughts I wrote The Elephant for a friend who was experiencing troubled times This friend took comfort in elephants with their trunks up The Complete Works of Count Tolstoy: My religion. On life. Thoughts on God. On the meaning of life graf Leo Tolstoy,1904 Reflections of a Poetic Judge Hon. James J. Brown,2010-03 This book contains poetry by the Author written over some forty years about aspects of life that touched his heart and mind It is generally descriptive meaningful to the average man and yet at times poignant In this poetry the author has captured people events and things which evoke vivid pictures feelings and moods The common man can relate to the author s expression and his style is easily read and understood The poems reflect life in its many forms and leave the reader able to interpret experience and appreciate life as described in these poetic reflections by Judge Brown We all pass through these experiences of life but Judge Brown has the great quality of being able to memorialize and capture aspects of life in poetic words

Shanty, Forest and River Life in the Backwoods of Canada Joshua Fraser,1883 **The Complete Works of Count Tolstoy: My religion. On life. Thoughts on God. On the meaning of life** graf Leo Tolstoy,1904 Reflections on the New River Chris Arvidson, Scot Pope, Julie E. Townsend,2015-05-13 From its headwaters in western North Carolina near the Tennessee line the New River runs north 337 miles cutting through the Blue Ridge Mountains of Virginia and West Virginia on its way to the Ohio No big cities inhabit its banks just a few small towns along the way and it carries no significant commercial traffic The age of the New is debated but it is certainly one of the world s oldest rivers predating the Atlantic Ocean This anthology assembles history poetry essays and stories by writers who have been inspired by the ancient and secluded stream and from those whose lives are connected to its flow Contributors hail from Ashe Alleghany Watauga and Wilkes counties in North Carolina as well as Virginia and West Virginia Inspirations - Thoughts and Reflections for Life Markus Leyacker-Schatzl,2008 Inspirations Do we not all long for inspiration in our lives In a time where life and society are becoming ever faster A time in which consumerism and entertainment are often superficial and spiritless Who or what really still inspires us today Truly inspiring things have become so rare that when they do come our way we usually immediately notice them Sometimes we do not recognize inspiration and regard it as corny because it no longer fits into our seemingly

superficial world Thoughts Reflections We have hardly any time for these nowadays anymore or rather often believe not to have the time for contemplating life certain things and their relationships But is this the right way We run through life like lemmings The fact that we meet many familiar faces along the way makes us feel we are on the right path in the right direction Without inspiration without reflection simply running Let yourself be inspired by this book [A Life on the River](#) Pasquale De Marco,2025-05-18 In the heart of nature s tapestry where rivers flow like liquid silver and life abounds lies a world waiting to be explored A Life on the River is an invitation to embark on a captivating journey down the currents of discovery where the river s rhythm sets the pace and the wonders of the natural world unfold With lyrical prose and a keen eye for detail this book captures the essence of life on and around rivers revealing the hidden stories and profound connections that bind us to these flowing arteries of life From the tranquil beauty of hidden streams to the awe inspiring power of whitewater rapids the river is a source of both solace and adventure a place of contemplation and exhilaration Through the eyes of anglers kayakers conservationists and river enthusiasts we witness the river s transformative power We learn about the delicate balance of river ecosystems the challenges they face and the importance of preserving these precious waterways for generations to come This book is more than just a celebration of rivers it is a call to action a reminder of our responsibility to protect and nurture these vital lifelines With each turn of the page we are inspired to become better stewards of the environment to appreciate the beauty of the natural world and to find solace and renewal in the embrace of the river Whether you are an avid angler a seasoned kayaker or simply someone who appreciates the beauty of nature A Life on the River will transport you to a world of wonder and discovery Let the river s currents carry you away as you immerse yourself in its timeless flow and discover the profound impact it has on our lives If you like this book write a review on google books
