Riverview Murders:

The Riverview Murders Michael Raleigh, 2015-02-15 The mystery fiction that Sara Paretsky fashions from Chicago's South Side is fully matched in Raleigh's gritty North Side tales. Publishers Weekly Margaret O'Mara's brother disappeared decades ago. But now that his last known associate has just been found dead, O'Mara hires PI Paul Whelan to investigate. Whelan makes the rounds through seedy bars and dilapidated apartment buildings, discovering connections to a long-gone Chicago amusement park that was once the site of another murder. Soon Whelan is navigating his way through dark pasts, deep secrets, and a mystery that may cost him his life. What makes this riveting private eye yarn work is a mixture of superior Chicago atmosphere with the ghost of the legendary Riverview amusement park lurking in the shadows, great dialogue, and compassionately drawn characters. Booklist [A Body in Belmont Harbor](#) Michael Raleigh, 2015-02-15

Death on the Chicago waterfront pulls a PI into a twisting case. An underappreciated, carefully crafted series. Booklist Two years ago a computer software specialist was found dead in Belmont Harbor, an apparent suicide. Now the body of a low-rent bookie has been found very close to the same spot, and the businessman's wealthy widow hires Paul Whelan to find out whether her husband really killed himself at all. There are in fact connections between the two men, and as Whelan tries to sort them out with some unofficial help from a friend on the force, he's drawn into a world of missing accountants, mysterious tough guys, and dirty deals. Sleek plotting, Raleigh, who delivered the goods in his debut novel *Death in Uptown*, shows no signs of faltering. Publishers Weekly **Death in Uptown** Michael Raleigh, 2015-03-15 A killer terrorizes a diverse Chicago neighborhood in this impressive first mystery. Publishers Weekly Private investigator Paul Whelan's specialty is tracking down missing persons. But when his good friend is found slain in an alley, Whelan is steered down a path of violence as he searches for answers in a murder case. His investigation is interrupted by the arrival of an attractive young woman who is on her own search for her missing kid brother. But as clues lead Whelan to believe the two cases may be connected, the body count rises quickly, and he finds himself racing to catch a killer before he strikes again. Raleigh seems to have gotten so deeply inside his hero and his seamy world that there may be nothing left for a sequel. But it would be great to be wrong about that. Kirkus Reviews

Killer on Argyle Street Michael Raleigh, 2019-02-06 A Chicago PI hunts for a missing kid who fell in with the wrong crowd. Raleigh presents a genuine good guy in the luckless Whelan. Publishers Weekly An elderly woman has asked private investigator Paul Whelan to look into the disappearance of Tony Blanchard, a young man she'd taken in after his parents died. Instead, Whelan discovers a string of murders all tied to a car theft ring. All the evidence suggests that Tony is dead as well, but Whelan keeps digging until he finds himself surrounded by a dangerous maze of silent witnesses, crooked cops, and people willing to kill to keep the truth from surfacing. When a friend from Whelan's past emerges, a friend Whelan thought long dead, his investigation takes a dangerous turn, one that brings him no closer to Tony and a lot closer to his own demise. Raleigh's Paul Whelan series brings to mind the late Ross MacDonald's Lew Archer novels. Read Whelan now; he won't be a secret much

The Writers Directory ,2013 [Murder at McDonald's](#) Phonse Jessome,2016-06-28 The true story of the Sydney River McDonald's massacre a botched robbery that would become the most sensational murder case in Canadian history It started with a broken conveyor belt When the mechanical malfunction brought eighteen year old McDonald's employee Derek Wood into the restaurant's back room he saw the safe and got a dangerous idea It would be so easy to prop the back door open allowing two friends to sneak inside and steal the money Wood assumed there was at least 200 000 in the cashbox an incredible haul for just a few minutes work but things would not go according to plan The robbery went wrong from the start and within minutes a fast food restaurant in the wilds of Nova Scotia was turned into a bloodbath Wood and his accomplices attacked the employees killing three instantly and leaving the fourth for dead In the safe where they had expected to find a fortune there was barely 2 000 They fled the scene instigating a manhunt that would captivate the nation In the tradition of *In Cold Blood* and *The Onion Field* this stunning work of true crime tells the story of the small town murder that shocked a nation Phonse Jessome brings a trained journalist's eye to the case which remains one of the most horrifying incidents of suburban violence in recent history **In the Castle of the Flynns** Michael Raleigh,2012-09-01 The year is 1954 and

Daniel Dorsey learns at the age of eight the intimate meaning of death when his parents are killed in a car crash Taken in by his colorful at times mad and always tender and caring extended family Daniel learns that even the deepest sorrows and hurt can be healed Michael Raleigh's *In the Castle of the Flynns* is about a young boy growing up Irish in a vibrant 1950s Chicago neighborhood Now grown and looking back on those years Daniel recalls his bouts with grief and fear of abandonment as he learns to adjust to his new surroundings amidst his oddball family It is a time of wakes and weddings conflicts and romance

Above all it is a time when Daniel comes to understand both his own loss and the dark places in the lives of his loved ones In the Castle of the Flynns is a poignant often hilarious story of hope passions and unforgettable memories It is a novel that will make grown men weep women cry and cause both to break out in great guffaws of laughter The Chicago of Fiction James A. Kaser,2011 The importance of Chicago in American culture has made the city s place in the American imagination a crucial topic for literary scholars and cultural historians While databases of bibliographical information on Chicago centered fiction are available they are of little use to scholars researching works written before the 1980s In The Chicago of Fiction A Resource Guide James A Kaser provides detailed synopses for more than 1 200 works of fiction significantly set in Chicago and published between 1852 and 1980 The synopses include plot summaries names of major characters and an indication of physical settings An appendix provides bibliographical information for works dating from 1981 well into the 21st century while a biographical section provides basic information about the authors some of whom are obscure and would be difficult to find in other sources Written to assist researchers in locating works of fiction for analysis the plot summaries highlight ways in which the works touch on major aspects of social history and cultural studies i e class ethnicity gender immigrant experience and race The book is also a useful reader advisory tool for librarians and readers who want to identify materials for leisure reading particularly since genre juvenile and young adult fiction as well as literary fiction are included *Crucial Errors in Murder Investigations* Ted Duhs,2016-08-29 Why is it that some people are convicted of murders that they did not commit while others are not convicted of murders that they did commit Australian Police Services are generally well funded so something more must be involved Just what that is is investigated in this book To minimise the prospect of future errors we need both to scrutinise past cases where errors have been revealed and to investigate police training procedures with a view to uncovering any errors of omission or commission to see what scope there is for improvements Each of us has good reason to take an interest in such matters since any one of us could be a victim if we are in the wrong place at the wrong time In fact all of us are victims to the extent that some guilty parties continue to walk free on our streets and as taxpayers all of us fund the additional costs of dealing with crime including the sizeable compensation payments that are made to those whose wrongful convictions are quashed This book deals with instructive cases which continue to agitate the public mind and makes practical suggestions for improved procedures *Murder in the Tropics* Stuart B. McIver,2008-10 True tales ranging from Pensacola to Key West from the 19th century to the present Near Tampa a sideshow freak called the Human Blockhead was hired to kill the Lobster Boy Pensacola s Judy Buenoano was called the Black Widow after the murder of her husband a lover and even her own son
