The Martyred Christian Dietrich Bonhoeffer, 1983 *Reclaiming the Great World House* Lewis V. Baldwin, Vicki L. Crawford, 2019 Reclaiming the Great World House in the 21st Century Cross Disciplinary Explorations of the Vision of Martin Luther King Jr does just that Established and emerging scholars explore Martin Luther King Jr s global vision and his lasting relevance to a globalized rights culture The editors further explain that this edited collection looks at King afresh in his own historical context while also refocusing his legacy of ideas and social praxis in broader directions for today and tomorrow Employing King s metaphor of the great world house with major attention to racism poverty and war or what he called the evil triumvirate the focus is on King s appraisal of and approach to the global human struggle in the 1950s and 60s and on the extent to which his social witness and praxis takes on new hues and pertinence not only in the ongoing struggles against racism poverty and economic injustice and violence and human destruction but also in the mounting efforts to eliminate

problems such as sexism, homophobia, and religious bigotry and intolerance from the global landscape. The conclusion is that King's ideas and models of social protest are not only alive but also growing in vitality and popularity in the 21st century, especially as humans worldwide are struggling daily with the lingering antiquated thinking and behavior around race and ethnicity, the widening gap between the haves and the have-nots, the mounting cycles of violence, torture, and terrorism, and the frustrating and growing chasms resulting from religious pluralism and the subordination and marginalization of certain sectors of the human family based on gender and sexuality.

A Testament to Freedom Dietrich Bonhoeffer, 1990 Dietrich Bonhoeffer was just thirty-nine years old when he was executed by the Nazis in 1945, yet his influence on Christian theology and life has been enormous. A testament to freedom takes readers along a biographical historical journey that follows Bonhoeffer through the various stages of his life and career, including his final years in the underground resistance against the Nazi government and his subsequent martyrdom. This book features previously untranslated writings, sermons, and selections from his letters spanning his entire pastoral theological career, including his prison letters.

African Literatures in English Gareth Griffiths, 2014-09-19 Here is an introduction to the history of English writing from East and West Africa, drawing on a range of texts from the slave diaspora to the post-war upsurge in African English language and literature from these regions.

The Fight for Freedom John Reynolds, 2012 In the summer of 1965, an eighteen-year-old boy filled with frustration and anger at the injustices of the segregated society in his hometown of Troy, Alabama, volunteers to help Civil Rights workers sent to Alabama by the Southern Christian Leadership Conference as part of a campaign to register black people to vote. A few short months later, he finds himself in Atlanta, standing in the sanctuary of Ebenezer Baptist Church, being interviewed by Dr. Martin Luther King Jr. for a position on SCLC's field staff. As a young foot soldier in the Civil Rights Movement, author John Reynolds was an eyewitness to history. In *The Fight for Freedom*, he shares his experiences in some of the hot spots of that day, such as Selma, Birmingham, and Mississippi. A passionate and dedicated soldier, Reynolds was jailed more than twenty times and beaten on numerous occasions as he went through some of the toughest battles of the movement and played a role in awakening the national conscience and redeeming the soul of America. The revealing, relevant coming-of-age tale of a man and a nation, tracing his years in the civil rights movement, Reynolds offers an insider's view of the people, events, and tactics that brought the United States closer to the fulfillment of the founders' promise that all men are created equal. Although this account concerns a time now past, it is nonetheless a timely reminder that citizens should always be ready to fight the good fight. Excerpt from Kirkus Reviews

Hope and Honor Sidney Shachnow, Jann Robbins, 2006-05-16 *Hope and Honor* is a powerful and dramatic memoir that shows how the will to live, so painfully refined in the fires of that long-ago death camp, was forged at last into truth of soul and wisdom of the heart. Major General Sid Shachnow was more than a highly decorated Vietnam War veteran, receiving two silver and three bronze stars with V for Valor. He survived a crucible far crueler than the jungles of Vietnam, Nazi-occupied Eastern Europe. As a child

he spent three years in the notorious Kovno Concentration Camp But his next journey took him to America where he worked his way through school and eventually enlisted in the US Army He volunteered for U S Special Forces and served proudly for 32 years His driving dream was to save others from the indignities he had endured and the deadly fate he so narrowly escaped From Vietnam to the Mideast to the fall of the Berlin Wall Sid Shachow served in Special Operations He grew as Special Forces grew rising to major general responsible for American Special Forces everywhere but the lessons of Kovno stayed with him wherever he turned wherever he soldiered

Freedom's Child Carrie Allen McCray,1998-01-01 When Carrie Allen McCray was a child she was afraid to ask about the framed photograph of a white man on her mother s dresser Years later she learned that he was her grandfather a Confederate general and that her grandmother was a former slave In her late seventies Carrie McCray went searching for her history and found the remarkable story of her mother Mary the illegitimate daughter of General J R Jones of Lynchburg Virginia Jones would later be cast out of Lynchburg society for publicly recognizing his daughter FREEDOM S CHILD is a loving remembrance of how Mary spent her life beating down the kind of thinking that ostracized her father She was a leader in the founding of the NAACP and hosted the likes of Langston Hughes and W E B Du Bois as they plotted the war against discrimination at her kitchen table Carrie McCray s memories reward us with an extraordinarily vivid and intimate portrait of a remarkable woman Highly recommended for all readers Library Journal hot pick I defy anyone to finish FREEDOM S CHILD without a tear in their eye a sense of meeting a great spirit and an inspiration to act with generosity and justice Gloria Steinem A BOOK OF THE MONTH CLUB and QUALITY PAPERBACK BOOK CLUB SELECTION
