Alan Wallace,Brian Hodel,2008-12-23 What is Mind For this ancient question we are still seeking answers B Alan Wallace and Brian Hodel propose a science of the mind based on the contemplative wisdom of Buddhism Hinduism Taoism Christianity and Islam The authors begin by exploring the history of science showing how science tends to ignore the mind even while it is understood to be the very instrument through which we comprehend the world of nature They then propose a contemplative science of mind based on the sophisticated techniques of meditation that have been practiced for thousands of years in the great spiritual traditions

The final section presents meditations that are of universal relevance to scientists and people of all faiths for revealing new dimensions of consciousness and human flourishing Embracing Mind moves us beyond the dogmatic debates between theists and atheists over Intelligent Design and Neo Darwinism and it returns us to the vital core of science and spirituality deepening our experience of reality as a whole **So, What'll You Have, Do or Be, Hon?** Monika Huppertz,2010-05-18 What if you decided to gain a higher state of awareness and consciousness Within this book are transformational insights that are straightforward easy to understand inspiring and fun to do Revealed are ways to alter self defeating patterns Huppertz's premier book offers down to earth advice channeled from Universal sources Follow a young woman and her thoughts on the information she reads in a book gifted to her As she reads and reflects upon the material Kelly gains insights into herself and her world Looking to understand why life has not gone as she had hoped the woman reads on and gains a higher state of awareness and consciousness Gain insights as Kelly reads and reacts to the information and begins a process that answers her silent prayer Start to shift yourself as you begin to see a new and truthful light This information will consistently find its way to all those who are prepared to live a different life than before Are you ready Engage The Greatest Love Story Never Told Richard Orion,2015-10-30 This story is based on a true love story that spanned almost two decades The names and places have been changed to protect the privacy of the individuals involved in this affair The chronological sequence of events has been maintained for continuity All the stories and experiences are based on facts This book is about a love story that was kept secret for 18 years and perhaps should've remained a secret The first book related to this love story was a book of poems entitled Somewhere Sometime Somehow Love Poems and Short Stories published in 2008 by this author and Xlibris For the perceptive reader of this book one can trace the ups and downs of our love relationship These 18 years were filled with robust love and passion for each other Perhaps it was fantasy perhaps it was the most real thing we will ever experience The heartbreaking part of this love affair is that I am not really sure my lover ever really understood or appreciated my profound and unconditional love for her I opened my heart to her through poetry and thoughtful letters but she rarely showed me what was in her heart Perhaps it was a one sided love affair but I surely think and hope not I was convinced that she truly loved me through her words and actions At least I experienced a pure love that I had only dreamed was possible The story is told mainly through the exchange of letters and emails to each other Perhaps readers can experience and hopefully feel the deep love we felt for each other **Ganesha Vibes: 100 Divine Stories for Alive Hearts** Aayush Jalhotra,2024-09-07 Ganesha Vibes 100 Divine Stories for Alive Hearts is a collection of 100 carefully crafted stories about Lord Shree Ganesha designed to engage and inspire young readers Each story highlights important values such as wisdom kindness empathy perseverance and love all told with reverence for the divine presence of Shree Ganesha With beautifully told tales that are easy to understand this book is perfect for children and teens as well as families looking to foster spiritual growth and understanding The book offers stories that span Ganesha's various divine acts from his
