Spring Offensive 1918 Gerald Gliddon,2013-02-01 At the end of 1917 after three years of trench warfare on the Western Front the Allied armies of Britain and France and those of their main opponent Germany had reached a point of exhaustion and hibernation. On March 21 1918 the German Army launched a massive assault on the Western Front hurling fifty nine divisions into battle against the British Fifth Army smashing through British lines and advancing 40 miles per week. More offensives were to follow throughout the spring including at Aisne and Marne with the aim of ending the war before American forces could reach the Continent and reinforce the Allied lines. Nevertheless although the German Army left the British Army reeling the Tommies retreated in good order and fought all the way. It was during these bloody battles which lasted until July 1918 that fifty seven men stood out for acts of extraordinary daring and bravery. To these men the highest military honour was awarded the Victoria Cross. This book reveals the true extent of their bravery their backgrounds and their lives after the war. **Somme 1916** Gerald Gliddon,2009-11-20 Set out topographically it covers everything from the famous battle sites of High Wood and Mametz Wood to obscure villages on the outlying flanks. The British first began to take the Somme sector over from the French Army in June 1915. From this time onwards they built up a very close bond with the local population many of whom continued to live in local villages close to the front line. The author draws on the latest research and analysis as well as the testimony of those who took part to present all aspects of a battle that was to become a symbol of the horrors of the Great War.

VCs of the First World War: Cambrai 1917 Gerald Gliddon,2012-02-29 Featuring the careers of forty three men this volume tells the story of the Battle of Cambrai famous for being the first occasion when tanks were used en masse in battle. Its first day was so successful that church bells in Britain were rung in anticipation of a great victory. A tank crewman numbers among the recipients of the VC. Containing biographies of a broad cross section of men from Britain and the Dominions including Canada Australia New Zealand and even the Ukraine. It includes a sapper a former miner who chose to stay with his seriously wounded colleague underground and die with him rather than obey an order to leave him and save his own life a maverick lieutenant colonel who was relieved of his command and a padre who worked tirelessly over a period of three nights bringing at least twenty five men to safety from No Man's Land who otherwise would have been left to die.

VCs of the First World War: 1914 Gerald Gliddon,2012-05-30 During the opening four months of the First World War no fewer than forty six soldiers from the British and Commonwealth armies were awarded the Victoria Cross Britain's highest award for gallantry. In a series of biographies Gerald Gliddon examines the men

and the dramatic events that led to the award of this most coveted of medals and explores the post war experiences of those who survived These men ordinary soldiers from widely differing social backgrounds acted with valour above and beyond the call of duty Their stories and experiences offer a fresh perspective on the opening stages of the war to end wars The British National Bibliography Arthur James Wells,2004 **Oppy Wood** David Bilton,2006-03-19 This latest book in the Battleground Europe series describes the battles over several years and in particular 1917 and 1918 for a wood and small village The Germans stubbornly refused to retreat as the area held a key position in their defense of Arras In the bitter fighting thousands of young men mainly from East Yorkshire Hull and East Lancashire were sacrificed *General Lord Rawlinson* Rodney Atwood,2018-08-09 In this biography Rodney Atwood details the life of General Lord Rawlinson of Trent 1864 1925 a distinguished British soldier whose career culminated in decisive victories on the Western Front in 1918 and command of the Indian Army in the early 1920s He served his soldier s apprenticeship in the Victorian colonial wars in Burma the Sudan and South Africa His career provides a lens through which to examine the British Army in the late 19th and early 20th century In the South African War 1899 1902 Rawlinson s ideas aided the defence of Ladysmith and he distinguished himself leading a mobile column in the guerrilla war In the First World War he held an important command in most of the British Expeditionary Force s battles on the Western Front He bears a heavy part responsibility for the disastrous first day of the Somme but later in the battle his successful tactics inflicted heavy losses on the enemy His Western Front career culminated in a series of victories beginning at Amiens He commanded the Indian Army between 1920 and 1925 at a time of military and political tension following the 3rd Afghan War and the Amritsar Massacre He introduced necessary reforms cut expenditure at a time of postwar retrenchment and began commissioning Indians to replace British officers He would have taken up the post of CIGS Chief of the Imperial General Staff thus being the only British soldier to hold these two top posts He died however four days after his sixty first birthday Drawing extensively on archival material including Rawlinson s own engagingly written letters and diaries this thorough examination of his life will be of great interest to those studying British military history imperial history and the First World War **The British Army in Mesopotamia, 1914-1918** Paul Knight,2013-08-09 When war broke out between the British and Turkish empires in 1914 the 6th Poona Division sailed from India to Basra to bolster Britain s allies deny the port to enemy shipping and secure Britain s Persian oil supplies Further expansion followed the capture of Al Amara was the British Army s greatest victory of 1915 When an advance on Baghdad was repulsed the Siege of Kut became the British Army s longest siege and greatest surrender Attempts to relieve Kut led to unsuccessful battles that were bloody and muddy even by Western Front standards Under new leadership revitalized and reinforced the British avenged their defeat when Baghdad was captured in March 1917 Thereafter the British Empire committed in campaigns of limited value to the overall war effort huge levels of manpower and materiel desperately needed elsewhere What was created was modern Iraq and the first Arab government in Baghdad in over 400

years This detailed history places the campaign in context of Allied operations in the Middle East and sheds light on several unsung heroes of the war including General Charles Townshend whose spectacular 1915 victories led to humiliating defeat and captivity in 1916 General Frederick Stanley Maude whose March 1917 entry into Baghdad preceded General Allenby's entry into Jerusalem by eight months and Miss Gertrude Bell a female Lawrence of Arabia who played a central role in the creation of the new Iraqi state
