Health and Medicine in the Methodist Tradition E. Brooks Holifield, 2019-02-28 As E Brooks Holifield notes in his introduction John Wesley the founder of the Methodist movement would have relished the opportunity to write this volume He recognized the power of religious traditions and he thought that issues of health and medicine were profoundly interwoven into the texture of religious faith All ten themes that have concerned this series healing and well being suffering and madness passages and sexuality dying and caring morality and dignity were among the topics that Wesley believed should interest Christians In the attempt to show how a Wesleyan understanding of theology might inform a modern Methodist sensibility the author has structured his treatment of Health and Medicine in the Methodist Tradition around the polarities of health and healing holiness and happiness penalty and promise love and law restraint and responsibility and possibility and limit These are not to be construed as opposites or as mutually exclusive extremes Each member of each pair both checks and enriches the other They provide a way of establishing boundaries they mark the way of a journey the way of salvation or the way of love Daily Word for Weight Loss Colleen Zuck, Elaine Meyer, 2001-12-25 An inspirational and reassuring guide filled with daily support for losing weight provides meditations and affirmations personal weight loss stories effective tips and techniques for losing weight scripture verses and journal pages for recording personal progress 20 000 first printing Healing Mind Janice McDermott M.Ed. LCSW, 2015-07-31 Healing Mind describes a way of organizing your thinking with the intention of awakening you to your complete self Because our conscious and unconscious thinking creates our life story the power of our thoughts affects us in profound ways contentment and health or illness and turmoil In these pages you become your own therapist Using practical tools for healing a whole variety of emotional and spiritual ills you approach the past and future in the here and now which then heals your experience of life Psychological and theological concepts merge more effectively than ever before to create an incredible inner peace for the religious and non religious alike The result is human freedom a confident and unique way of being that has the potential to overcome the world through profound love Our unrecognized and forgotten reactions to hurt are stored in our muscles as stress that limits our ability to respond to our body or emotions causing us to settle for less than our life's full potential The majority of individuals prevent themselves from living happy productive lives because they never address their stored feelings Don't be most people Be determined to experience your hidden unresolved physical tension and modify aspects of yourself that do not serve you Become fully alive Stand on your own feet and give your own free response to the call of each moment Experience your life's deep inner satisfaction through a well managed mind Achieve ultimate healing Deliver Us from Evil Kris Vallotton, 2025-02-04 When You Stand on Truth You Can't Huddle in Fear Are you struggling through the fog of fear anxiety or depression Do you feel broken suffering alone in the shadows Having experienced crippling bouts of fear anxiety and panic that brought him to the edge of a nervous breakdown bestselling author and Bethel Church leader Kris Vallotton discovered true freedom from these dark forces and shows how you can too In this one of a kind guided journal Kris Vallotton bestselling
