Robert Louis Stevenson Treasure Islands Of His Life And Times:

The Life and Times of Igor Stravinsky Jim Whiting, 2005-09 Igor Stravinsky's ballet *The Rite of Spring* created a near riot when it premiered in Paris in 1913. Neither the music nor the dancing was like anything that audiences had seen before. Fistfights broke out among the spectators and their noise level was close to that of a modern rock concert. Three years earlier Stravinsky was virtually unknown. He had had to overcome serious parental objections to even begin composing. Yet by the time that *The Rite of Spring* premiered he was already famous for composing *The Firebird* and *Petrushka*. These three works among his very earliest remain his most popular. Stravinsky was a prolific composer for well over half a century achieving success in a variety of musical styles. An exile from his native Russia for 48 years he finally returned in 1962 to a great deal of acclaim. Many people consider him to be one of the greatest composers of the twentieth century.

Treasure Island Robert Louis Stevenson, 2017-11-12 SQUIRE TRELAWNEY Dr Livesey and the rest of these gentlemen having asked me to write down the whole particulars about Treasure Island from the beginning to the end keeping nothing back but the bearings of the island and that only because there is still treasure not yet lifted I take up my pen in the year of grace 17__ and go back to the time when my father kept the Admiral Benbow inn and the brown old seaman with the sabre cut first took up his lodging under our roof. I remember him as if it were yesterday as he came plodding to the inn door his sea chest following behind him in a hand barrow a tall strong heavy nut brown man his tarry pigtail falling over the shoulder of his soiled blue coat his hands ragged and scarred with black broken nails and the sabre cut across one cheek a dirty livid white I remember him looking round the cover and whistling to himself as he did so and then breaking out in that old sea song that he sang so often afterwards Fifteen men on the dead man's chest Yo ho ho and a bottle of rum in the high old tottering voice that seemed to have been tuned and broken at the capstan bars. Then he rapped on the door with a bit of stick like a handspike that he carried and when my father appeared called roughly for a glass of rum. This when it was brought to him he drank slowly like a connoisseur lingering on the taste and still looking about him at the cliffs and up at our signboard. This is a handy cove says he at length and a pleasant sittytated grog shop. Much company mate. My father told him no very little company the more was the pity. Well then said he this is the berth for me. Here you matey he cried to the man who trundled the barrow bring up alongside and help up my chest. I'll stay here a bit he continued. I'm a plain man rum and bacon and eggs is what I want and that head up there for to watch ships off. What you mought call me. You mought call me captain. Oh I see what you're at there and he threw down three or four gold pieces on the threshold. You can tell me when I've worked through that says he looking as fierce as a commander. And indeed bad as his clothes were and coarsely as he spoke he had none of the appearance of a man who sailed before the mast but seemed like a mate or skipper accustomed to be obeyed or to strike. The man who came with the barrow told us the mail had set him down the morning before at the Royal George that he had inquired what inns there were along the coast and hearing ours well spoken of I suppose and described as lonely had chosen it from the others.
