Russia Soviet Union The United States An Interpretive His:

The American Century and Beyond George C. Herring, 2017-01-23 In his last years as president of the United States an embattled George Washington yearned for a time when his nation would have the strength of a Giant and there will be none who can make us afraid At the turn of the twentieth century the United States seemed poised to achieve a position of world power beyond what even Washington could have imagined In *The American Century and Beyond U S Foreign Relations 1893-2014* the second volume of a new split paperback edition of the award winning *From Colony to Superpower* George C Herring recounts the rise of the United States from the dawn of what came to be known as the American Century This fast paced narrative tells a story of stunning successes and tragic failures illuminating the central importance of foreign relations to the existence and survival of the nation Herring shows how policymakers defined American interests broadly to include territorial expansion access to growing markets and the spread of the American way of life He recounts the United States domination of the Caribbean and Pacific its decisive involvement in two world wars and the eventual victory in the half century Cold War that left it after the collapse of the Soviet Union the world's lone superpower But the unipolar moment turned out to be stunningly brief Since the turn of the twenty first century conflicts in Afghanistan and Iraq and the emergence of nations such as Brazil Russia India and China have left the United States in a position that is uncertain at best A new chapter brings Herring's sweeping narrative up through the Global War on Terror to the present [The 20th Century Go-N](#)

Frank N. Magill, 2014-03-05 Each volume of the *Dictionary of World Biography* contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history This is not a who's who Instead each entry provides an in depth essay on the life and career of the individual concerned Essays commence with a quick reference section that provides basic facts on the individual's life and achievements The extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual's place in history All entries conclude with a fully annotated bibliography **Afghanistan at War** Tom Lansford, 2017-02-16 Covering wars and conflicts of Afghanistan from the modern founding of the country in the 1700s to the contemporary struggle with the Taliban this single volume reference analyzes the causes and results of Afghanistan's wars and examines leading political and military figures weapons and tactics Afghanistan has been embroiled in war and conflict throughout the latter part of the 20th century as well as the current millennium but due to its location at the crossroads of Central Asia Afghanistan has also endured repeated conquests throughout its turbulent earlier times Examining Afghanistan's long military history through this book will enable readers to grasp the wider sociopolitical history of the country appreciate the impact of these wars on Southwest Asia and superpowers such as Great Britain the Soviet Union and the United States and understand why Afghanistan remains a controversial battleground today The alphabetically organized entries examine the major wars and conflicts of Afghanistan from the modern founding of the country during the Durrani Dynasty in the 1700s

through the contemporary struggle with the Taliban The book spotlights the role of key individuals in starting pursuing or ending conflicts as well as their broader contributions to or negative impact on Afghanistan and the international arena The work also presents essays that examine key subtopics such as weapons tactics ethnic groups religion and foreign relations This allows the reader whether a student scholar or member of a nonacademic audience to examine a topic in depth and see how the event figure or movement fits into the broader history of Afghanistan

Ronald Reagan and His Quest to Abolish Nuclear Weapons Paul Lettow, 2006-02-14 In Ronald Reagan and His Quest to Abolish Nuclear Weapons Paul Lettow explores the depth and sophistication of President Ronald Reagan's commitment to ridding humankind permanently of the threat of nuclear war Lettow's narrative spans the start of Reagan's presidency and the 1986 Reykjavik summit between Reagan and Soviet leader Mikhail Gorbachev during which America's Strategic Defense Initiative SDI was a defining issue Lettow reveals SDI for what it was a full on assault against nuclear weapons waged as much through policy as through ideology While cabinet members and advisers played significant roles in guiding American defense policy it was Reagan himself who presided over every element large and small of this paradigm shift in U S diplomacy Lettow conducted interviews with several former Reagan administration officials and he draws upon the vast body of declassified security documents from the Reagan presidency much of what he quotes from these documents appears publicly here for the first time The result is the first major work to apply such evidence to the study of SDI and superpower diplomacy This is a survey that doesn't merely add nuance to the existing record but revises our very understanding of the Reagan presidency

A Catholic Cold War Patrick H. McNamara, 2005 This book is the first biography in 42 years of the priest and educator who became one of the most important political forces in America's Cold War against communism

Professional Journal of the United States Army, 1978-07

Reader's Guide to American History Peter J. Parish, 2013-06-17 There are so many books on so many aspects of the history of the United States offering such a wide variety of interpretations that students teachers scholars and librarians often need help and advice on how to find what they want The Reader's Guide to American History is designed to meet that need by adopting a new and constructive approach to the appreciation of this rich historiography Each of the 600 entries on topics in political social and economic history describes and evaluates some 6 to 12 books on the topic providing guidance to the reader on everything from broad surveys and interpretive works to specialized monographs The entries are devoted to events and individuals as well as broader themes and are written by a team of well over 200 contributors all scholars of American history

The CIA and the Marshall Plan Sallie Pisani, 1991 Pisani shows how the U S added a Cold War Corollary to the principle of self determination massive foreign aid and nonmilitary covert operations to reshape war torn Europe in the image of the U S She tells for the first time the story of the top CIA operatives who were instrumental in developing the non military covert intervention policies of the early Cold War years and the Office of Policy Coordination that carried them out

Quarterly Review of Military Literature, 1984 **Military Review**, 2005 **Friends Or Foes?**

Norman E. Saul, 2006 *With Friends or Foes* Norman Saul continues his monumental multivolume magnum opus on U S Russian relations over the course of 200 years This fourth volume provides the first comprehensive study in any language of an era that shaped the rest of the century and captures the major changes in relations between two nations on the verge of becoming dominant global powers Among other things Saul examines the rationale for America s failure to recognize the Soviet government through the early 1930s analyzing the impact of the Red Scare and the roles of the State Department Russian migr s religious groups and key individuals like Charles Evans Hughes Robert Kelley Herbert Hoover Boris Skvirsky Olga Kameneva and Maxim Litvinov on the policy process In addition he recalls the American Relief Administration s gigantic effort to help Russian peasants and garners new material from American business records on concession arrangements and commerce and on Soviet responses during the first Five Year Plan He also records travelers impressions cultural exchange and the role of academia in each country particularly the contribution of Russian migr scholars to American education and the contributions of American journalists in Russia Saul also reveals the tendency on both sides to preserve an atmosphere of secrecy conducting business behind closed doors and rarely on paper His prodigious research in the Hoover Presidential Library the Franklin Roosevelt Library and the Hoover Institution at Stanford University incorporating overlooked Diplomat Post Records and featuring an interview with George Kennan on his diplomatic role has yielded a wealth of new insights into what really happened during a period in the history of the relations between the two countries that remains mysterious and controversial Breaking new ground in diplomatic economic social and cultural history Saul s book illuminates both the mutual fascination that briefly permitted peaceful coexistence and eventual alliance and the ideological battles that ultimately led to the Cold War

The American Experience in World War II: The atomic bomb in history and memory Walter L.

Hixson, 2003 World War II changed the face of the United States catapulting the country out of economic depression political isolation and social conservatism Ultimately the war was a major formative factor in the creation of modern America This unique twelve volume set provides comprehensive coverage of this transformation in its domestic policies diplomatic relations and military strategies as well as the changing cultural and social arenas The collection presents the history of the creation of a super power prior to during and after the war analyzing all major phases of the U S involvement making it a one stop resource that will be essential for all libraries supporting a history curriculum This volume is available on its own or as part of the twelve volume set *The American Experience in World War II* For a complete list of the volume titles in this set see the listing for *The American Experience in World War II* ISBN 0 415 94028 1

Concord and Conflict Norman E. Saul, 1996 Between 1867 the year of the Alaskan purchase and the beginning of World War I Russian and American dignitaries diplomats businessmen writers tourists and entertainers crossed between the two countries in surprisingly great numbers *Concord and Conflict* provides the first comprehensive investigation of this highly transformational and fateful era in Russian American relations Excavating previously unmined Russian and American archives Norman Saul illuminates these fifty

significant and open years of association between the two countries He explores the flow and fluctuation of economic diplomatic social and cultural affairs the personal and professional conflicts and scandals and the evolution of each nation's perception of the other

Wilson's War Jim Powell, 2007-12-18 The fateful blunder that radically altered the course of the twentieth century and led to some of the most murderous dictators in history President Woodrow Wilson famously rallied the United States to enter World War I by saying the nation had a duty to make the world safe for democracy But as historian Jim Powell demonstrates in this shocking reappraisal Wilson actually made a horrible blunder by committing the United States to fight Far from making the world safe for democracy America's entry into the war opened the door to murderous tyrants and Communist rulers No other president has had a hand however unintentional in so much destruction That's why Powell declares Wilson surely ranks as the worst president in American history Wilson's War reveals the horrifying consequences of our twenty eighth president's fateful decision to enter the fray in Europe It led to millions of additional casualties in a war that had ground to a stalemate And even more disturbing were the long term consequences consequences that played out well after Wilson's death Powell convincingly demonstrates that America's armed forces enabled the Allies to win a decisive victory they would not otherwise have won thus enabling them to impose the draconian surrender terms on Germany that paved the way for Adolf Hitler's rise to power Powell also shows how Wilson's naiveté and poor strategy allowed the Bolsheviks to seize power in Russia Given a boost by Woodrow Wilson Lenin embarked on a reign of terror that continued under Joseph Stalin The result of Wilson's blunder was seventy years of Soviet Communism during which time the Communist government murdered some sixty million people Just as Powell's FDR's Folly exploded the myths about Franklin Roosevelt and the New Deal Wilson's War destroys the conventional image of Woodrow Wilson as a great progressive who showed how the United States can do good by intervening in the affairs of other nations Jim Powell delivers a stunning reminder that we should focus less on a president's high minded ideals and good intentions than on the consequences of his actions A selection of the Conservative Book Club and American Compass

Problems of Communism, 1991 Dean Acheson Robert Beisner, 2009-04-23 A vibrant definitive biography of Dean Acheson the foreign policy giant who helped shape the postwar world

The Rise of Nations in the Soviet Union Council on Foreign Relations, 1991 In this collection of essays five experts on the Soviet Union describe the disintegration of the Soviet empire and its implications for American policy It begins with a historical overview of the multinational character of Russia and the Soviet Union with special attention to the similarities and differences between the present moment and the years immediately following the revolution of 1917 Other essays assess the strength of nationalism in the Soviet West the Baltics the Slavic republics of Belorussia Ukraine and Russia and Moldova and the Soviet South including Armenia Azerbaijan Georgia and the five largely Muslim republics of Central Asia Kazakhstan Uzbekistan Tajikistan Turkmenistan and Kirghizia The volume concludes with a look at the issues that the upheaval in the 15 republics presents for U S foreign and security policy ISBN 0 87609 100 1 pbk 14 95

Strategies of Containment John Lewis Gaddis, 1982 A discussion of United States foreign policy from World War II to the Carter administration is based on recently declassified government documents *Review of Current Military Literature*, 1984 **Distant Friends** Norman E. Saul, 1991 Drawing upon more than two decades of research in secondary and documentary publications as well as archival materials from the United States the Soviet Union and Britain Saul reveals a wealth of new detail about contacts between the two countries between the American Revolutionary War and the purchase of Alaska in 1867
