## **Russian Now:**

**Survival Russian** Mikhail Ivanov, 2007      **Russia Today** Dorothy Thompson, 1929      *The "Russian" Civil Wars, 1916-1926* Jon Smele, 2015 This volume offers a comprehensive and original analysis and reconceptualisation of the compendium of struggles that wracked the collapsing Tsarist empire and the emergent USSR profoundly affecting the history of the twentieth century The reverberations of those decade long wars echo to the present day not despite but because of the collapse of the Soviet Union which re opened many old wounds from the Baltic to the Caucasus Contemporary memorialising and de memorialising of these wars therefore form part of the book s focus but at its heart lie the struggles between various Russian political and military forces which sought to inherit and preserve or even expand the territory of the tsars overlain with examinations of the attempts of many non Russian national and religious groups to divide the former empire The reasons why some of the latter were successful Poland and Finland for example while others Ukraine Georgia and the Muslim Basmachi were not are as much the author s concern as are explanations as to why the chief victors of the Russian Civil Wars were the Bolsheviks Tellingly the work begins and ends with battles in Central Asia a theatre of the Russian Civil Wars that was closer to Mumbai than it was to Moscow Publisher description

**Russian Characteristics** E. B. Lanin, Emile Joseph Dillon, 1892      **Russia and Western Man** Walter Schubart, 1950      **Russian Peasant Letters** Olga Tsuneko Yokoyama, 2008 This editio princeps of letters by three Russian peasant men and two peasant women from a single family in southern Vyatka now Udmurtia covers the reign of Alexander III and two years of Nicholas II The letters represent a precious primary source for Russian dialectologists and other linguists such as those interested in the acquisition of literacy They also provide direct unadorned and often vivid testimony concerning all aspects of everyday life a unique source for scholars of history sociology culturology and Peasant Studies Written entirely in the peasants own voices addressing other family members the letters track the development of events and of the authors themselves The content includes economic and personal news village and town gossip parental admonition and prayers requests for help intrafamily troubles and simply the authors pouring out their hearts The texts with commentaries are reproduced in three versions the original Russian a normalized Russian version and an English translation essays on linguistic and content related features are followed by indices appendices bibliographical references and facsimiles and illustrations

**The Finno-Ugric Republics and the Russian State** Rein Taagepera, 2013-11-26 First Published in 2000 This text provides a survey of the peoples who speak Finno Ugric languages and have titular republics or autonomous regions within the post Soviet Russian federation Their languages have set them apart from their Turkic and Russian neighbours and helped to preserve their distinct identity including their animist religious practices Previous works on this subject were written before the demise of the USSR so that information on the subject was screened by Soviet censors In particular this book explores the principal threats now facing these peoples as much environmental as political Although communism has gone the exploitation of natural resources threatens the region s ecology

while the new rulers in the Kremlin seem set to continue their predecessors oppressive policies towards the Finno Ugrians The book is written with commitment to the threatened human and political rights of these endangered peoples

**Russians in the Former Soviet Republics** Pål Kolstø,1995 The break up of the Soviet Union in 1989 left 25 million Russians living in the near abroad outside the borders of Russia proper They have become the subjects of independent nation states where the majority population is ethnically linguistically and often denominationally different The creation of this new Russian diaspora may well be the most significant minority problem created by the dissolution of the Soviet Union Paul Kolstoe traces the growth and role of the Russian population in non Russian areas of the Russian empire and then in the non Russian Soviet republics In the post Soviet period special attention is devoted to the situation of Russians in the Baltic countries Moldova Belarus Ukraine and the former Central Asian and Caucasian republics A chapter written jointly by Paul Kolstoe and Andrei Edemsky of the Institute of Slavonic and Balkan Studies Russian Academy of Sciences delineates present Russian policy toward the diaspora Finally Kolstoe suggests strategies for averting the repetition of the Yugoslav scenario on post Soviet soil School Life ,1957 **Russian Foreign Policy** Nikolas K. Gvosdev,Christopher Marsh,2013-08-22 In a truly contemporary analysis of Moscow s relations with its neighbors and other strategic international actors Gvosdev and Marsh use a comprehensive vectors approach dividing the world into eight geographic zones Each vector chapter looks at the dynamics of key bilateral relationships while highlighting major topical issues oil and energy defense policy economic policy the role of international institutions and the impact of major interest groups or influencers demonstrating that Russia formulates multiple sometimes contrasting foreign policies Providing rich historical context as well as exposure to the scholarly literature the authors offer an incisive look at how and why Russia partners with some states while it counter balances others **The Japan Daily Mail** ,1904 *Russian Review* ,1925 Russian Invasion of Ukraine: Identity, History & Conflict Vladimir Putin,Volodymyr Zelenskyy,2023-11-26 Russian Invasion of Ukraine Identity History Conflict presents a compelling exploration of the complex geopolitical and cultural tensions unleashed by the 2022 conflict This anthology weaves together an intricate tapestry of narratives and discourses that span historical analysis political rhetoric and personal reflections positioning the reader at the convergence of history and modernity The anthology s diversity is reflected in its range of literary styles from impassioned essays to poignant imagery showcasing the tumultuous relationship between Russia and Ukraine in unexpected and revealing ways This collection stands out by juxtaposing perspectives that normally remain siloed offering a holistic view of the conflict s far reaching implications The contributing authors Vladimir Putin and Volodymyr Zelenskyy undoubtedly bring gravitas to this compilation through their distinctive positions in history Their myriad backgrounds permeate the texts presenting an intersection of statecraft and individuality that deepens the anthology s thematic exploration Encapsulating currents from historical nationalism to contemporary global diplomacy the collection is a microcosm of Eastern European political dynamics This melding of voices encapsulates not only the individual

narratives of the authors but also the broader discourse they have come to symbolize enriched by the cultural and political contexts they embody For readers seeking an enlightening and multifaceted examination of the ongoing Russian Ukrainian conflict this anthology provides an unparalleled window into the nuances of identity heritage and power This collection is an invaluable resource for understanding the varied and complex motivations behind the dialogue of nations and the conflicts they engender Diving into these writings invites an appreciation of the intricate landscape of the region s historical entanglements while fostering a discourse on the possibilities of dialogue knowledge and reconciliation in even the tensest circumstances

*Central Asia* Boris Z. Rumer, 2015-04-15 The societies of Central Asia are besieged from within and without The political elites virtually unchanged despite the transition to independent statehood battle radical Islamic movements and other oppositional threats that are continuously fueled by economic instability corruption environmental deterioration and the collapse of social services This survey of political economic and social development in Central Asia offers geopolitical context unparalleled coverage and analytical depth to our understanding of a region that appears to be rapidly spiraling into crisis

*Publishing in Tsarist Russia* Yukiko Tatsumi, Taro Tsurumi, 2020-02-20 According to Benedict Anderson the rapid expansion of print media during the late 1700s popularised national history and standardised national languages thus helping create nation states and national identities at the expense of the old empires Publishing in Tsarist Russia challenges this theory and by examining the history of Russian publishing through a transnational lens reveals how the popular press played an important and complex Imperial role while providing a soft infrastructure which the subjects could access to change Imperial order As this volume convincingly argues this is because the Russian language at this time was a lingua franca it crossed borders and boundaries reaching speakers of varying nationalities Russian publications then were able to effectively operate within the structure of Imperialism but as a public space they went beyond the control of the Tsar and ethnic Russians This exciting international team of scholars provide a much needed fresh take on the history of Russian publishing and contribute significantly to our understanding of print media language and empire from the 18th to 20th centuries Publishing in Tsarist Russia is therefore a vital resource for scholars of Russian history comparative nationalism and publishing studies

**A Poetics of Composition** Boris Andreevich Uspenskiĭ, 1973

*Language Policy and Discourse on Languages in Ukraine Under President Viktor Yanukovych* Michael Moser, 2014-04-15 Declared the country s official language in 1996 Ukrainian has weathered constant challenges by post Soviet political forces promoting Russian Michael Moser provides the definitive account of the policies and ethno political dynamics underlying this unique cultural struggle

**Isadora Duncan's Russian Days & Her Last Years in France** Irma Duncan, Allan Ross Macdougall, 1929

**The Fall of the Iron Curtain and the Culture of Europe** Peter I. Barta, 2013-04-12 The end of communism in Europe has tended to be discussed mainly in the context of political science and history This book in contrast assesses the cultural consequences for Europe of the disappearance of the Soviet bloc Adopting a multi disciplinary approach the book examines

the new narratives about national individual and European identities that have emerged in literature theatre and other cultural media investigates the impact of the re unification of the continent on the mental landscape of Western Europe as well as Eastern Europe and Russia and explores the new borders in the form of divisive nationalism that have reappeared since the disappearance of the Iron Curtain      **International Weekly Miscellany of Literature, Art, and Science** ,1850
