Russian Politics Today The Return Of A Tradition:

Russian Politics Today Michael Waller, 2005-07-22 This introductory text written by an established authority on communist and post communist politics describes how Vladimir Putin has turned to those with backgrounds in the military and security structures to provide stability in today's Russian Federation following the democratising reforms of Gorbachev and the ensuing instability of the Yeltsin presidency Against the background of an increasing authoritarianism which has restored features of the Soviet political system it examines the attempts by social and economic groups to assert themselves against the state using embryonic democratic forms that fall far short of pluralism The book's fourteen chapters offer an exceptionally broad coverage It will appeal to first and second year students in higher education but its deliberately accessible style will also make it attractive to the general reader

Reclaiming Human Rights in a Changing World Order Christopher Sabatini, 2022-10-07 Human rights and the international institutions that strive to protect them are under increasing attack from powerful actors on the global stage from recent political trends even within established democracies and from new technologies Together these threats have undermined what had been a fragile international consensus as recently as two decades ago about the importance of concerted international action to protect human rights and punish those who abuse them China Russia and other nondemocratic regimes have become increasingly bold in acting as if agreed upon international human rights standards no longer exist or at least do not apply to them More broadly domestic political movements based on nationalism religion and populism are challenging human rights norms on nearly every continent And new technologies including autonomous weapons systems and relentless digital surveillance have given national leaders new ways to control or even abuse their citizens with impunity This book examines these new challenges to international and regional human rights in Africa Europe Latin America and the Middle East It is the result of a year of workshops with human rights activists and young leaders from around the world with chapters written by a diverse group of leading scholars Beyond describing the challenges to human rights the book offers targeted practical recommendations for national and multilateral policymakers activists and scholars for concrete actions to protect human rights as well as improve public understanding of why doing so is essential *Reclaiming Human Rights in a Changing World Order* will interest scholars of international relations and human rights law domestic and international activists involved in human rights indeed anyone wanting to understand the implications for the liberal international order of the new geopolitical competition modern technology and political and social movements

Russian Politics Today Susanne A. Wengle, 2022-10-27 An accessible and nuanced introduction to contemporary Russian politics using the theme of stability versus fragility as its overarching framework This innovative textbook explores core themes as well as path breaking insights into the politics of race class gender sexuality and the environment

Russian Politics and Society Richard Sakwa, 2020-08-16 Fully revised and updated to reflect the considerable changes in Russia over the last decade the fifth edition of this classic text builds on the strengths of previous

editions to provide a comprehensive and sophisticated analysis of Russian politics and society The new edition incorporates the latest debates about Russian politics analysing recent institutional and political developments and examines the electoral cycle and prospects of the president elected at the end of the process New to this edition an evaluation of Putin s leadership and the country s political performance under him updated election results and demographic social ethnic national statistics to include results of the 2010 census changes in the party system to electoral legislation and to the composition of parliament as well as the relationship between the executive and legislature coverage of the constitutional changes and governmental appointments under the various prime ministers more analysis of economic performance including discussion of the energy sector and pipeline politics changes in Russian foreign policy since EU enlargement its relationship with NATO since the reset as well as its relations with post Soviet states assessment of the military reforms and security and defence policy debates over the question of democracy in Russia today the nature of the system and its future prospects Written in an accessible and lively style this book is packed with detailed information on the central debates and issues in Russia s difficult transformation An unrivalled textbook on the subject it is essential reading for all those concerned with the fate of Russia and with the future of international society *Post-Soviet Affairs* ,2008 **Choice** ,2005 [The Christian Right in Europe](#)

Gionathan Lo Mascolo,2023-11-24 Inspired by the success of the US Christian Right and the rise of the global far right ultraconservative Christians in Europe are joining forces and seek to reshape Europe By assembling in anti gender movements and sharing anti Muslim narratives they actively influence the political landscape and shape government policies The contributors offer new perspectives on the protagonists and the entangled networks that work to abolish liberal democracy in Europe behind the scenes This anthology is the first to bring together case studies on the Christian Right in over 20 European countries providing a transnational perspective and an accessible insight for clergy politicians and academics alike **At the Vanishing Point in History** Marina F. Bykova,2024-11-14 Putin s war has prompted a deep analysis and reevaluation of the forces driving this deadly confrontation At the Vanishing Point in History brings together renowned humanities scholars and prominent novelists to explore the roots and causes of the ongoing catastrophe in Eastern Europe This distinguished group of Russian migr s well versed in Russian culture history and philosophy aims to examine the past to understand the present Experts in the inner workings of Russian society who have fled the country they believe it is their responsibility to critically assess the current crisis reflect on its origins and outline the agenda for future research in the humanities In response to this challenge they present a collection of analytical essays that offer essential background and context for understanding the unfolding events in Europe Today s Russia is perhaps the most representative example of the grave threat that tyranny poses to global civilization In its brutal attack on Ukraine Putin s regime holds not only Russians but all of humanity hostage The atrocities committed in the name of the Russian world make it urgent to thoroughly investigate Russia s current political pursuit in order to uncover its true origins and find a way forward *Pornography And*

Democratization Paul Goldschmidt, 2019-06-04 Explores the politics of pornography and censorship in Russia today as a facet of the overall process of creating a liberal democracy in the Former Soviet Union In this book Paul Goldschmidt explores the politics of pornography in Russia today as a facet of the overall process of creating a liberal democracy in the Former Soviet Union He clarifi

Chechnya Richard Sakwa, 2005 The struggle for Chechnya has come to international prominence in recent years through a string of high profile atrocities such as the hostage seizures at Beslan and the Dubrovka theatre IN Moscow For the first time Western Russian and Chechen perspectives on the conflict are brought together in a single authoritative new volume in which leading experts from all sides of the crisis provide a unique insight into its causes and contexts Chechnya from Past to Future creates a historical framework against which the most pressing issues raised by the Chechen struggle are considered including the rights and wrongs of Chechen secessionism the role of Islamic and Western international agencies in defending human rights the conduct of the war changing perceptions of the war against the backdrop of international terrorism democracy in Chechnya itself and the uncertain fate of democracy in Russia as a whole The precarious position of Chechnya is one of the most important social and political situations of our times and this book should be of interest to anyone with an interest in the world we live in

Sufism in Europe and North America David Westerlund, 2004-07-31 This book focuses mainly on issues of inculturation or contextualization of Sufism in the West

Transnational Cinema and Ideology Milja Radovic, 2014-06-13 Increasingly as the production distribution and audience of films cross national boundaries film scholars have begun to think in terms of transnational rather than national cinema This book is positioned within the emerging field of transnational cinema and offers a groundbreaking study of the relationship between transnational cinema and ideology The book focuses in particular on the complex ways in which religion identity and cultural myths interact in specific cinematic representations of ideology Author Milja Radovic approaches the selected films as national regional products and then moves on to comparative analysis and discussion of their transnational aspects This book also addresses the question of whether transnationalism reinforces the nation or not one of the possible answers to this question may be given through the exploration of the cinema of national states and its transnational aspects Radovic illustrates the ways in which these issues represented and framed by films are transmitted beyond their nation state borders and local ideologies in which they originated and questions whether therefore one can have an understanding of transnational cinema as a platform for political dialogue

The Rebirth of Russian Democracy Nicolai N. Petro, 1995 Includes bibliographical references and index

Religion and the State in Russia and China Christopher

Marsh, 2011-01-20

The Victims Return Stephen F. Cohen, 2013-02-28 Stalin s reign of terror in the Soviet Union has been called the other Holocaust During the Stalin years it is thought that more innocent men women and children perished than in Hitler s destruction of the European Jews Many millions died in Stalin s Gulag of torture prisons and forced labour camps yet others survived and were freed after his death in 1953 This book is the story of the survivors Long kept secret by

Soviet repression and censorship it is now told by renowned author and historian Stephen F Cohen who came to know many former Gulag inmates during his frequent trips to Moscow over a period of thirty years Based on first hand interviews with the victims themselves and on newly available materials Cohen provides a powerful narrative of the survivors post Gulag saga from their liberation and return to Soviet society to their long struggle to salvage what remained of their shattered lives and to obtain justice Spanning more than fifty years The Victims Return combines individual stories with the fierce political conflicts that raged both in society and in the Kremlin over the victims of the terror and the people who had victimized them This compelling book will be essential reading for anyone interested in Russian history **Routledge Handbook of**

Russian Politics and Society Graeme Gill,2022-12-23 This second edition of the highly respected Routledge Handbook of Russian Politics and Society both provides a broad overview of the area and highlights cutting edge research into the country Through balanced theoretical and empirical investigation each chapter examines both the Russian experience and the existing literature identifies and exemplifies research trends and highlights the richness of experience history and continued challenges inherent to this enduringly fascinating and shifting polity Politically economically and socially Russia has one of the most interesting development trajectories of any major country This Handbook answers questions about democratic transition the relationship between the market and democracy stability and authoritarian politics the development of civil society the role of crime and corruption the development of a market economy and Russia s likely place in the emerging new world order Providing a comprehensive resource for scholars students and policy makers alike this book is an essential contribution to the study of Russian studies politics Eastern European studies politics and International Relations

Regional politics in Russia Cameron Ross,2024-06-04 This innovative multi contributed book now available in paperback argues convincingly that Russia will never be able to create a viable democracy as long as authoritarian regimes are able to flourish in the regions The main themes covered are democratisation at the regional level and the problems faced by the federal states in forging viable democratic institutions in what is now a highly assymetrical Federation A major strength of the book lies in its combination of thematic chapters with case studies of particular regions and republics Very little has been published to date on the actual processes of democratisation in particular republics and regions The book takes into account the literature available on the new institutionalism and outlines the importance of institutions in developing and maintaining democracy It looks at the importance of sovereignty federalism and democratic order and considers the distinct problems of party building in Russia s regions Electoral politics are also considered fully before the book goes on to consider the whole issue of regional politics and democratisation in five particular areas of Russia Novgorod the Komi Republic Russia s Far East Tatarstan and Bashkortostan The authors the majority of whom are internationally recognised experts in their field have been drawn from Britain the USA Russia and Germany giving the book a truly global perspective **Sources of Korean Tradition: From the sixteenth to the twentieth centuries** Peter H. Lee,William

Theodore De Bary, Wm. Theodore De Bary, 1997 This collection of seminal primary readings in the social intellectual and religious traditions of Korea from the sixteenth century to the present day lays the groundwork for understanding Korean civilization and demonstrates how leading intellectuals and public figures in Korea have looked at life the traditions of their ancestors and the world they lived in

The Agony of the Russian Idea Tim McDaniel, 1998-07-13 Boris Yeltsin's attempts at democratic reform have plunged a long troubled Russia even further into turmoil This dramatic break with the Soviet past has left Russia politically fragmented and riddled with corruption its people with little hope for the future In a fascinating account for anyone interested in Russia's current political struggles Tim McDaniel explores the inability of all its leaders over the last two centuries tsars and Communist rulers alike to create the foundations of a viable modern society The problem then and now he argues is rooted in a cultural trap endemic to Russian society and linked to a unique sense of destiny embodied by the Russian idea In its most basic sense the Russian idea is the belief that Russia can forge a path in the modern world that sets itself apart from the West through adherence to shared beliefs community and equality These cultural values according to McDaniel have mainly reversed the values of Western society rather than having provided a real alternative to them By relying on the Russian idea in their programs of change dictatorial governments almost unavoidably precipitated social breakdown When the Yeltsin government declared war on the Communist past it broke with deeply held Russian values and traditions McDaniel shows that in cutting people off from their pasts and promoting the West as the sole model of modernity the reformers have simultaneously undermined the foundations of Russian morality and the people's sense of a future Unwittingly the Yeltsin government has thereby annihilated its own authority McDaniel lived in Russia for three years during both the Communist and post Communist periods Basing his analysis on broad historical research extensive travels countless interviews and conversations and friendships with Russians from all walks of life McDaniel emphasizes the perils of assuming that Russians understand the world in the same way that we do and so can and should become like us Challenging and provocative in its claims this book is intended for anyone seeking to understand Russia's attempts to create a new society

The Return of Eurasia Glenn Diesen, Alexander Lukin, 2021-07-23 This book defines Eurasianism a political idea with a long tradition for a new century Historically Eurasia was depicted as a third continent with a geographical and historical space distinctively different from both Europe and Asia Today the concept is mobilized by the Russian foreign policy elite to imagine a close relationship with China and indirectly inspires the Chinese Belt and Road Initiative A Russian Chinese partnership forms the core of a new Eurasian region yet Turkey India Hungary Central Asia and the other parts of the supercontinent are also embracing Eurasian concepts This book is of interest to scholars of Russian and Chinese foreign policy to economists and to scholars of political thought

Russian Politics Today The Return Of A Tradition Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Russian Politics Today The Return Of A Tradition PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Russian Politics Today The Return Of A Tradition PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms

offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Russian Politics Today The Return Of A Tradition free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Russian Politics Today The Return Of A Tradition Books

What is a Russian Politics Today The Return Of A Tradition PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Russian Politics Today The Return Of A Tradition PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Russian Politics Today The Return Of A Tradition PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Russian Politics Today The Return Of A Tradition PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Russian Politics Today The Return Of A Tradition PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to

share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
