Handbook of Russian Literature Victor Terras,1985-01-01 Profiles the careers of Russian authors scholars and critics and discusses the history of the Russian treatment of literary genres such as drama fiction and essays **Publishing in Tsarist Russia** Yukiko Tatsumi,Taro Tsurumi,2020-02-20 According to Benedict Anderson the rapid expansion of print media during the late 1700s popularised national history and standardised national languages thus helping create nation states and national identities at the expense of the old empires Publishing in Tsarist Russia challenges this theory and by examining the history of Russian publishing through a transnational lens reveals how the popular press played an important and complex Imperial role while providing a soft infrastructure which the subjects could access to change Imperial order As this volume convincingly argues this is because the Russian language at this time was a lingua franca it crossed borders and boundaries reaching speakers of varying nationalities Russian publications then were able to effectively operate within the structure of Imperialism but as a public space they went beyond the control of the Tsar and ethnic Russians This exciting international team of scholars provide a much needed fresh take on the history of Russian publishing and contribute significantly to our understanding of print media language and empire from the 18th to 20th centuries Publishing in Tsarist Russia is therefore a vital resource for scholars of Russian history comparative nationalism and publishing studies **The British National Bibliography** Arthur James Wells,1993 **Publishers' Circular and General Record of British and Foreign Literature, and Booksellers' Record** ,1897 *History and Literature in Contemporary Russia* R. Marsh,1995-08-09 Since 1985 Russia has experienced a dramatic cultural and social revolution Rosalind Marsh presents the first study encompassing one important aspect of this process that is the major part which literature has played in reassessing the past transforming public opinion and hence in promoting political change in Russia She provides a chronology of literary politics in this period and analyses the content and influence of newly published literature on a variety of historical themes including Stalin and Stalinism Lenin the Civil War the February and October Revolutions and the fall of Tsarism She explores the heated moral and political debates inspired among different sections of Russian society by the works of many authors including Rybakov Solzhenitsyn Grossman Bunin and Gorky The Reception of Jonathan Swift in Europe Hermann J. Real,2005-10-20 Jonathan Swift has had a profound impact on almost all the national literatures of Continental Europe The celebrated author of acknowledged masterpieces like *A Tale of a Tub* 1704 *Gulliver's Travels* 1726 and *A Modest Proposal* 1729 the Dean of St Patrick's Dublin was courted by innumerable translators adaptors and retellers admired and challenged by shoals of critics and creatively imitated by both novelists and playwrights not only in Central Europe Germany and Switzerland but also in its northern Denmark and Sweden and southern Italy Spain and Portugal outposts as well as its eastern Poland and Russia Hungary Romania and Bulgaria and Western parts from the beginning of the eighteenth century to the present day The

Academy and Literature ,1905 *The Oxford Guide to Literature in English Translation* Peter France,2000 Translation has been a crucial process in world culture over the past two millennia and more In the English speaking cultures many of the most important texts are translations from Homer to Beckett the Bible to Freud Although recent years have seen a boom in translation studies there has been no comprehensive yet convenient guide to this essential element of literature in English Written by eminent scholars from many countries the Oxford Guide to Literature in English Translation meets this need and will be essential reading for all students of English and comparative literature It highlights the place of translation in our culture encouraging awareness of the issues raised making the translator more visible Concentrating on major writers and works it covers translations out of many languages from Greek to Korean from Swahili to Russian For some works e g Virgil s Aeneid which have been much translated the discussion is historical and critical showing how translation has evolved over the centuries and bringing out the differences between versions Elsewhere with less familiar literatures the Guide examines the extent to which translation has done justice to the range of work available The Guide is divided into two parts Part I contains substantial essays on theoretical questions a pioneering outline of the history of translation into English and discussions of the problems raised by specific types of text e g poetry oral literature The second much longer part consists of entries grouped by language of origin some are devoted to individual texts e g the Thousand and One Nights or writers e g Ibsen Proust but the majority offer a critical overview of a genre e g Chinese poetry Spanish Golden Age drama or of a national literature e g Hungarian Scottish Gaelic There is a selective bibliography for each entry and an index of authors and translators

The Publishers' Circular and Booksellers' Record of British and Foreign Literature ,1904 A *Critical Dictionary of English Literature and British and American Authors* Samuel Austin Allibone,1871 **Publishers' Circular and Booksellers' Record of British and Foreign Literature** ,1895 **Re-visioning Historical Fiction for Young Readers** Kim Wilson,2011-06-15 This study is concerned with how readers are positioned to interpret the past in historical fiction for children and young adults Looking at literature published within the last thirty to forty years Wilson identifies and explores a prevalent trend for re visioning and rewriting the past according to modern social and political ideological assumptions Fiction within this genre while concerned with the past at the level of content is additionally concerned with present views of that historical past because of the future to which it is moving Specific areas of discussion include the identification of a new sub genre Living history fiction stories of Joan of Arc historical fiction featuring agentic females the very popular Scholastic Press historical journal series fictions of war and historical fiction featuring multicultural discourses Wilson observes specific traits in historical fiction written for children most notably how the notion of positive progress into the future is nuanced differently in this literature in which the concept of progress from the past is inextricably linked to the protagonist s potential for agency and the realization of subjectivity The genre consistently manifests a concern with identity construction that in turn informs and influences how a metanarrative of positive progress is played out This

book engages in a discussion of the functionality of the past within the genre and offers an interpretative frame for the sifting out of the present from the past in historical fiction for young readers *Subject Index of Modern Books Acquired* British Library,1922 **The Bookseller** ,1902 Vols for 1871 76 1913 14 include an extra number The Christmas bookseller separately paged and not included in the consecutive numbering of the regular series *Subject Index of the Modern Books Acquired by the British Museum in the Years ...* British Museum,1922 *Catalogue of the Reference Library* Birmingham Public Libraries,John Davies Mullins,1890 Subject Index of the Modern Works Added to the Library of the British Museum in the Years ...
