Forty eight years ago a young and apprehensive Tony Kevin set off with his family on his first diplomatic posting to Moscow at the height of the Cold War In the Russian winter of 2016 he returns alone a private citizen aged 73 What will he find How has Russia changed since those grim Soviet days Tony Kevin had a successful and challenging diplomatic career ending with ambassadorships to Poland 1991-94 and Cambodia 1994-97 He now applies his attention to Vladimir Putin's Russia a government and nation routinely demonized and disdained in Western capitals Why does President Putin arouse such a high level of Western antagonism Is the West throwing away the lessons of recent history in recklessly drifting into a perilous and unnecessary new Cold War confrontation against Russia The author invites readers to see this great nation anew to explore with him the complex roots of Russian national identity and values drawing on its traumatic recent seventy year Soviet Communist past and its momentous thousand year history as a great Orthodox Christian nation that has both loved and feared the West and which the West has loved and feared back in equal measure Tony Kevin's previous books include *A Certain Maritime Incident* the sinking of SIEV X 2004 and *Reluctant Rescuers* 2012 on Australia's well resourced maritime border protection system He published a travel memoir *Walking the Camino* 2007 about his long pilgrimage walk through Spain in 2006 In 2009 *Crunch Time* tackled issues still unresolved of framing an effective Australian policy against global warming Subject Non Fiction Travel Memoir Russian Studies **Rilke's Russia** Anna A. Finding List of Books in the Classes of Biography, History and Travels, Belonging to the Indianapolis Public Library. Indianapolis Public Library, 1904. *Edward Albee: A Singular Journey*. Mel Gussow, 2012-11-27. In 1960 Edward Albee electrified the theater world with the American premiere of *The Zoo Story* and followed it two years later with his extraordinary first Broadway play *Who's Afraid of Virginia Woolf?* Proclaimed as the playwright of his generation, he went on to win three Pulitzer Prizes for his searing and innovative plays. Mel Gussow, author, critic, and cultural writer for *The New York Times*, has known Albee and followed his career since its inception and in this fascinating biography he creates a compelling firsthand portrait of a complex genius. The book describes Albee's life as the adopted child of rich, unloving parents and covers the highs and lows of his career. A core myth of Albee's life, perpetuated by the playwright, is that *The Zoo Story* was his first play, written as a thirtieth birthday present to himself. As Gussow relates, Albee has been writing since adolescence and through close analysis, the author traces the genesis of *Who's Afraid of Virginia Woolf?*, *Tiny Alice*, *A Delicate Balance*, and other plays. After his early triumphs, Albee endured years of critical neglect and public disfavor. Overcoming artistic and personal difficulties, he returned in 1994 with *Three Tall Women*. In this prizewinning play, he came to terms with the towering figure of his mother, the woman who dominated so much of his early life. With frankness and critical acumen and drawing on extensive conversations with the playwright, Gussow offers fresh insights into Albee's life. At the same time, he provides vivid portraits of Albee's relationships with the people who have been closest to him, including William Flanagan, his first mentor; Thornton Wilder; Richard Barr; John Steinbeck; Alan Schneider; John Gielgud; and his leading ladies, Uta Hagen, Colleen Dewhurst, Irene Worth, Myra Carter, Elaine Stritch, Marian Seldes, and Maggie Smith. And then there are, most famously, Elizabeth Taylor and Richard Burton, who starred in Mike Nichols's acclaimed film version of *Who's Afraid of Virginia Woolf?* The book places Albee in context as a playwright who inspired writers as diverse as John Guare and Sam Shepard and as a teacher and champion of human rights. *Edward Albee: A Singular Journey* is rich with colorful details about this uniquely American life. It also contains previously unpublished photographs and letters from and to Albee. It is the essential book about one of the major artists of the American theater. **Zigzag journeys in the Orient.
