Wade,2017-02-02 This book explores the 1917 Russian Revolution from its February Revolution beginning to the victory of Lenin and the Bolsheviks in October *A Time for the Province* George Z. Gasyna,2025-04-15 Within discourses on Polish provincial or marginal literature the eastern borderlands are a richly symbolic region that inspires much fascination and study Through close readings surveys and analyses of transborder narratives by seven modern writers who hailed from the Polish borderlands or set their works there *A Time for the Province* demonstrates how the region has come to represent a palimpsest of cultural identities and myths as each new generation unearths and rediscovers them George Gasyna explores and theorizes the

province as a space of grand utopian visions and dystopic gestures about both the Polish past and a Polish future Offering a novel literary and cultural history of modern Polish writing he paves the way toward productive new modes of conceptualizing the cultural and literary forms that have come from Central Europe over the last century challenging many basic assumptions about what this literature can offer its readership in Poland and around the world Through engagement with the theoretical apparatuses of postmemory studies and border studies *A Time for the Province* redefines Polish cultural identity in the current moment of postsocialist transition and globalized citizenship

**Languages in the Crossfire** Jesús Baigorri-Jalón, 2021-07-06 This book sheds light on the important role played by interpreters during the Spanish Civil War offering a historical overview of the ways in which interpreters on both sides mediated the myriad linguistic cultural and ethical difficulties of wartime communication Drawing on archives interpreters' memoirs and testimonies from their own children the volume extends beyond traditional historiographic accounts to demonstrate the significance of interpreters' work in facilitating communication during the war across a range of settings including in combat hospitals interrogations detention camps and propaganda Baigorri-Jalón showcases the diverse backgrounds of these interpreters through individual and collective portraits paying special attention to the work of the many women working as interpreters during the conflict In turning its attention to lessons from the past the book reaffirms the work of interpreters in present-day international conflicts toward better understanding the ethical dilemmas they face in wars humanitarian aid demobilization tasks and multilingual criminal proceedings This volume the first book in the Routledge Research on Translation and Interpreting History series will be of interest to scholars in translation and

interpreting studies particularly those interested in historical and sociological approaches as well as Spanish Civil War scholarship

**Sustainable Development Risks and Risk Management** Elena G. Popkova, 2023-10-19 This book is devoted to a systemic study of socio economic development risks arising in the Decade of Action as well as the prospects for risk management in support of sustainable development It aims to overcome fragmentary consideration of risks in the existing literature through their comprehensive coverage and the establishment of their interconnections from the perspective of sustainable development The novelty of this book is that it provides a comprehensive accounting of socio economic development risks in the Decade of Action as well as a rethinking of these risks from a sustainable development perspective The book also opens up the possibility of the most comprehensive and effective risk management in support of sustainable development The practical relevance of the book stems from the fact that it describes and discusses practical experience in detail and accompanies the theoretical material with numerous case studies including cases and frameworks with extensive coverage of international best practices The book is intended for scholars for whom the book forms a systemic scientific view of the risks of socio economic development arising in the Decade of Action as well as the prospects for risk management in support of sustainable development The book is also of interest to practitioners for whom it offers practical advice on risk management at all levels of the economy for sustainable development Many examples from different countries make the book attractive to a wide international audience The book is of particular interest to readers from Russia

**Walford's Guide to Reference Material: Generalia, language and literature, the arts** Albert John Walford, Marilyn Mullay, Priscilla Schlicke, Library Association, 1996 From its first edition the purpose of Walford has been to identify and evaluate the widest possible range of reference materials No rigid definition of reference is applied In addition to the expected bibliographies indexes dictionaries encyclopaedias and directories a number of important textbooks and manuals of general practice are included While the majority of the items are books Walford is a guide to reference material Thus periodical articles microforms online and CD ROM sources are all represented In this volume a particular effort has been made to improve coverage of the latter two categories

**A Reference Guide for English Studies** Michael J. Marcuse, 1990-01-01 This ambitious undertaking is designed to acquaint students teachers and researchers with reference sources in any branch of English studies which Marcuse defines as all those subjects and lines of critical and scholarly inquiry presently pursued by members of university departments of English language and literature Within each of 24 major sections Marcuse lists and annotates bibliographies guides reviews of research encyclopedias dictionaries journals and reference histories The annotations and various indexes are models of clarity and usefulness and cross references are liberally supplied where appropriate Although cost conscious librarians will probably consider the several other excellent literary bibliographies in print such as James L Harner's Literary Research Guide Modern Language Assn of America 1989 larger academic libraries will want Marcuse's volume Jack Bales Mary Washington Coll Lib Fredericksburg Va Library
