Multicultural America Carlos E. Cortés, 2013-08-15 This comprehensive title is among the first to extensively use newly released 2010 U S Census data to examine multiculturalism today and tomorrow in America This distinction is important considering the following NPR report by Eyder Peralta Based on the first national numbers released by the Census Bureau the AP reports that minorities account for 90 percent of the total U S growth since 2000 due to immigration and higher birth rates for Latinos According to John Logan a Brown University sociologist who has analyzed most of the census figures The futures of most metropolitan areas in the country are contingent on how attractive they are to Hispanic and Asian populations Both non Hispanic whites and blacks are getting older as a group These groups are tending to fade out he added Another demographer William H Frey with the Brookings Institution told The Washington Post that this has been a pivotal decade We re pivoting from a white black dominated American population to one that is multiracial and multicultural Multicultural America A Multimedia Encyclopedia explores this pivotal moment and its ramifications with more than 900 signed entries not just providing a compilation of specific ethnic groups and their histories but also covering the full spectrum of issues flowing from the increasingly multicultural canvas that is America today Pedagogical elements include an introduction a thematic reader s guide a chronology of multicultural milestones a glossary a resource guide to key books journals and Internet sites and an appendix of 2010 U S Census Data Finally the electronic version will be the only reference work on this topic to augment written entries with multimedia for today s students with 100 videos with transcripts from Getty Images and Video Vault the Agence France Press and Sky News as reviewed by the media librarian of the Rutgers University Libraries working in concert with

the title's editors *Livy* Gary B. Miles, 1997 Gary B Miles reveals in *Livy's* history a creative interplay between traditional stories contemporary ideological assumptions and the historian's own perspective at the margins of Roman aristocracy

On Ten Plays of Shakespeare Stopford Augustus Brooke, 1906 **The Palgrave Handbook of Asian Cinema** Aaron Han Joon Magnan-Park, Gina Marchetti, See Kam Tan, 2018-11-04 This collection offers new approaches to theorizing Asian film in relation to the history culture geopolitics and economics of the continent Bringing together original essays written by established and emerging scholars this anthology transcends the limitations of national borders to do justice to the diverse ways in which the cinema shapes Asia geographically and imaginatively in the world today From the revival of the Silk Road as the belt and road of a rising China to historical ruminations on the legacy of colonialism across the continent the authors argue that the category of Asian cinema from Turkey to the edges of the Pacific continues to play a vital role in cutting edge film research This handbook will serve as an essential guide for committed scholars students and all those interested in the past present and possible future of Asian cinema in the 21st century *Clay Pot Crafting* Evelyn Foster, AI, 2025-02-27 *Clay Pot Crafting* explores the age old tradition of cooking with handmade pottery revealing the secrets of crafting and cooking using natural materials This book delves into why specific clays are ideal for cooking examining their unique thermal properties and how they impact the flavors and textures of food Discover the cultural significance behind these practices tracing their origins across various time periods and regions highlighting how clay pots are more than just cooking vessels they're cultural artifacts embodying generations of knowledge about sustainability and culinary art The book progresses systematically starting with fundamental concepts like clay sourcing and preparation guiding readers through hand building techniques such as coiling and pinching It then explores regional variations from the tagine pots of North Africa to Latin American ollas detailing traditional recipes adapted for clay pot cooking By combining historical context with practical crafting instructions *Clay Pot Crafting* offers a unique perspective bridging the gap between academic research and hands on experience making it a valuable resource for cooking enthusiasts and craft hobbyists alike **The Legacy of the Middle Ages** Charles George Crump, 1927 **Women, Power, and Dissent in the Hills of Carolina** Mary K. Anglin, 2002 *Women Power and Dissent in the Hills of Carolina* is a unique and impassioned exploration of gender labor and resistance in western North Carolina Based on eight months of field research in a mica manufacturing plant and the surrounding rural community as well as oral histories of women who worked in mica houses in the early twentieth century this landmark study canvasses the history of the mica industry and the ways it came to be organized around women's labor Mary K Anglin's investigation of working women's lives in the plant she calls Moth Hill Mica Company reveals the ways women have contributed to household and regional economies for more than a century Without union support or recognition as skilled laborers these women developed alternate strategies for challenging the poor working conditions paltry wages and corporate rhetoric of Moth Hill Utilizing the power of memory and strong family and community ties as well as their own interpretations of gender and

culture the women have found ways to boss themselves

The Shape of Craft Ezra Shales, 2017-10-15 Today when we hear the word craft a whole host of things come immediately to mind microbreweries artisanal cheeses and an array of handmade objects Craft has become so overused that it can grate on our ears as pretentious and strain our credulity But its overuse also reveals just how compelling craft has become in modern life In *The Shape of Craft* Ezra Shales explores some of the key questions of craft who makes it what do we mean when we think about a crafted object where and when crafted objects are made and what this all means to our understanding of craft He argues that beyond the clichés craft still adds texture to sterile modern homes and it provides many people with a livelihood not just a hobby Along the way Shales upends our definition of what is handcrafted or authentic revealing the contradictions in our expectations of craft Craft is and isn't what we think

Imagology, 2007-01-01 How do national stereotypes emerge To which extent are they determined by historical or ideological circumstances or else by cultural literary or discursive conventions This first inclusive critical compendium on national characterizations and national cultural or ethnic stereotypes contains 120 articles by 73 contributors Its three parts offer 1 a number of in depth survey articles on ethnic and national images in European literatures and cultures over many centuries 2 an encyclopedic survey of the stereotypes and characterizations traditionally ascribed to various ethnicities and nationalities and 3 a conspectus of relevant concepts in various cultural fields and scholarly disciplines The volume as a whole as well as each of the articles has extensive bibliographies for further critical reading Imagology is intended both for students and for senior scholars facilitating not only a first acquaintance with the historical development typology and poetics of national stereotypes but also a deepening of our understanding and analytical perspective by interdisciplinary and comparative contextualization and extensive cross referencing
