Outdoor Recreation in the Pacific Northwest and Alaska Troy Elizabeth Hall, 2009 Population growth in Oregon Washington and Alaska is expected to increase demand for outdoor recreation on public land This trend will be tempered by changes in the sociodemographic composition of the population Among sociodemographic characteristics different ages and incomes correspond to different participation rates Although older Americans are participating more participation is still lower among this group for active pursuits Hence as the population ages demand for passive activities may increase Low income people participate at a much lower rate than higher income people in outdoor recreation and the growing disparity between the wealthy and poor may create inequities in opportunities for participation State recreation planning documents for Oregon Washington and Alaska have identified this issue as a significant concern for recreation providers Another important factor in recreation trends in the region is ethnicity different ethnic groups participate in outdoor recreation at different rates exhibit some different

preferences for specific activities and use recreation sites in different ways In Alaska the number of Asian Pacific Islanders is expected to quadruple by 2025 in Oregon the Hispanic population may triple by 2025 and in Washington both these segments of the population may double Traveler's Guide to European Camping Mike Church, Terri Church, 1999 Almost 250 campgrounds including at least one in virtually every important European city are described in detail directions are given for finding them and in many cases information about convenient shopping entertainment and sports opportunities is included This book will tell you how to rent lease or buy a rig in Europe or ship your own from home It contains the answers to questions about the myriad details of living driving and camping in Europe **Lonely Planet Washington, Oregon & the Pacific Northwest** Lonely Planet, Brendan Sainsbury, Celeste Brash, John Lee, Becky Ohlsen, 2017-04-01 Lonely Planet The world's leading travel guide publisher Lonely Planet Washington Oregon all with your trusted travel companion Get to the heart of Washington Oregon the Pacific Northwest and begin your journey now Inside Lonely Planet Washington Oregon the Pacific Northwest Travel Guide Color maps and images throughout Highlights and itineraries help you tailor your trip to your personal needs and interests Insider tips to save time and money and get around like a local avoiding crowds and trouble spots Essential info at your fingertips hours of operation phone numbers websites transit tips prices Honest reviews for all budgets eating sleeping sight seeing going out shopping hidden gems that most guidebooks miss Cultural insights give you a richer more rewarding travel experience history art music architecture politics flora wildlife outdoor activities road trips cuisine beer wine Covers Seattle Bellingham the San Juan Islands Olympic Peninsula Washington Cascades Central Eastern Washington Portland Wine Country Ashland Eastern Oregon Vancouver Whistler Vancouver Island and more eBook Features Best viewed on tablet devices and smartphones Downloadable PDF and offline maps prevent roaming and data charges Effortlessly navigate and jump between maps and reviews Add notes to personalise your guidebook experience Seamlessly flip between pages Bookmarks and speedy search capabilities get you to key pages in a flash Embedded links to recommendations websites Zoom in maps and images Inbuilt dictionary for quick referencing The Perfect Choice Lonely Planet Washington Oregon the Pacific Northwest our most comprehensive guide to Washington Oregon the Pacific Northwest is perfect for both exploring top sights and taking roads less traveled About Lonely Planet Lonely Planet is a leading travel media company and the world's number one travel guidebook brand providing both inspiring and trustworthy information for every kind of traveler since 1973 Over the past four decades we've printed over 145 million guidebooks and grown a dedicated passionate global community of travelers You'll also find our content online and in mobile apps video 14 languages nine international magazines armchair and lifestyle books ebooks and more Important Notice The digital edition of this book may not contain all of the images found in the physical edition Moon Pacific Northwest Camping Tom Stienstra, 2018-06-26 Pristine mountain lakes dramatic coastlines and unforgettable national forests Moon Pacific Northwest Camping has a spot for you Inside you'll find A Campsite for Everyone A variety of campgrounds and RV parks from family
