Resting in His Redemption James Gills, 2011-07-05 The Scriptures teach clearly that God desires to live in intimate fellowship and communion with mankind He wants us to enjoy His love peace joy and companionship and to rest in His redemption experiencing the perfect harmony and contentment and fulfillment of purpose for which He created us God s original purpose for creating mankind was simply for us to enjoy relationship with Him the kind of fellowship that the first couple Adam and Eve enjoyed in the Garden of Eden when God walked with them in the cool of the evening Gen 3 8 Then sin entered the human experience and separated all mankind from that divine fellowship But when we place our faith in Christ s sacrifice for our sin we are redeemed by the blood of Christ and justified in the sight of God But that is not the end of the matter it is only the beginning God s intention is that we be completely restored spirit soul and body to the divine rest found in His redemption He wants us to experience that mystery of intimate communion with our Creator Redeemer In this book we will discuss four important aspects of fulfilling the deepest desire of the human heart to know God personally and intimately in the way God s great loving heart intended To know the love of God that brings true heart contentment we need to walk in the understanding of these divine principles The biblical basis for all prayer is resting in His redemption The biblical basis for all Christian living is resting in His redemption The biblical basis for total forgiveness is resting in His redemption The biblical basis for divine contentment is resting in His redemption Your life can be

transformed when you allow Him to make them a reality to your heart The love of God can fill your heart and make you a victorious lover of the Christ You will be ruined for any lesser temporal pleasure or love once you taste more deeply the wonders of resting in His redemption A Journey to Gratitude James P. Gills, 2012-07-20 Discover the Life changing Dynamic of Appreciation See the ordinary become extraordinary through the eyes of your loving Creator Dr James P Gills takes on the godless philosophies that caused a shift in worldviews during the late nineteenth and early twentieth centuries He combines science with Christian faith proving that God is the one Creator and that happiness results from showing Him gratitude for the things we have By reading this unique book about God and as a result Enter in to a more satisfying life as you deepen your relationship with Him Experience a more useful life as you begin to live each day according to how He sees it Discover your special destiny as you uncover His great and purposeful life through His Word You will be refreshed to discover that God loves you and has great plans for your life **Overcoming Spiritual Blindness** James P. Gills, 2012-06-28 All too often our modern society lacks both sight and insight resulting from a refusal to see the reality of creation Such lack of recognition and appreciation for the Creator is spiritual blindness Yet the fruits and evidence of His love and wisdom are clearly demonstrated everywhere we look Author Dr James Gills a world renowned ophthalmologist with a deep love of the Bible writes about spiritual blindness with stunning clarity and relevance This book illustrates a powerful biblical theme often repeated throughout the Scriptures the analogy between the physical and the spiritual realms regarding blindness and sight From Isaiah s vision of a day when God s Messiah would be a light for the Gentiles to open eyes that are blind to the fulfillment of the prophecy when Paul was sent to the Gentiles to open their eyes and turn them from darkness to light and from the power of Satan to God Overcoming Spiritual Blindness emphasizes the power and work of the Holy Spirit What the surgeon does for cataracts that hinder sight in the physical eye the Holy Spirit does for the cataracts of the heart Overcoming

Spiritual Blindness exposes obstructions to spiritual sight that cloud the lens of the soul Such cataracts include pride misguided concepts of money preoccupation with work distorted views of sex and a critical spirit The description of the cataract of bitterness and an unforgiving spirit gives such powerful insight that the reader must gain a new perspective of total forgiveness The list of spiritual cataracts is vast and painfully relevant highlighting the need for spiritual surgery to those who do not realize they are blind

the enemy and remain faithful to God Through conscious engagement in this fight we win against all odds In 2005 during prayer the Holy Spirit inspired me to write this book on spiritual warfare I was going through a precarious time and as usual I sought God in prayer and study of the Word The Holy Spirit led me to Ephesians 6 10 18 As I studied and meditated God moved me to begin writing on the subject of warfare During research and study I discovered there are not enough books addressing this phase of our journey Therefore I saw the need to press through varied attacks to produce this important work
