## **Rymyng Craftily Meaning In Chaucers Poetry:**

**Rymyng Craftily** Stephen Thomas Knight,1976      **Chaucer's Ethical Philosophy** Laura Ashe,2025-01-02 Chaucer's Ethical Philosophy argues that Chaucer's fictions engage with the most urgent questions of modern political and moral philosophy Close analysis of Troilus and Criseyde the Canterbury Tales and the Book of the Duchess reveals the ways in which Chaucer anticipates modern philosophical debates using his fictions to explore the ethics of subjectivity and recognition agency and moral responsibility concerns that Chaucer experimentally formulated and decomposed across his works are amongst those that most animate and trouble contemporary ethical philosophy This book places Chaucer in close dialogue not only with medieval philosophy and theology and his great European literary sources Boccaccio Dante Guillaume de Machaut but with major figures and concepts of modern philosophical thought Hegel Levinas Wittgenstein Butler recognition subjectivity gender It illuminates his use of distinctively medieval forms of narrative to explore ideas and develop philosophies that we have been conditioned to think of as exclusively modern In this he reveals both the essential nature of the questions and the contingent socially and culturally conditioned nature of our answers and he shows us that medieval structures of thought remain central to our understandings of the world In response to the fundamental ethical question how should I treat another person Chaucer's fictional experiments are shown to be as philosophically complex and ethically powerful as anything in current thought      **Contemporary Chaucer across the centuries** Helen Hickey,Anne McKendry,Melissa Raine,2018-10-18 This unique and exciting collection inspired by the scholarship of literary critic Stephanie Trigg offers cutting edge responses to the writings of Geoffrey Chaucer for the current critical moment The chapters are linked by the organic and naturally occurring affinities that emerge from Trigg's ongoing legacy containing diverse methodological approaches and themes they engage with Chaucer through ecocriticism medieval literary and historical criticism and medievalism The contributors trailblazing international specialists in their respective fields honour Trigg's distinctive and energetic mode of enquiry the symptomatic long history and intellectual contribution to the humanities At the same time their approaches exemplify shifting trends in Chaucer scholarship Like Chaucer's pilgrims these scholars speak to and alongside each other but their essays are also attentive to hearing Chaucer speak then now and in the future      **Rymyng Craftily** Stephen Knight,1973      **Chaucer's Knight's Tale** Monica E. McAlpine,1991-01-01 As the first of the Canterbury Tales the Knight's Tale has been the subject of a vast body of comment by scholars and lay readers Monica McAlpine provides access to this material in the first of the Chaucer Bibliographies series to deal with a narrative portion of that author's best known work      **Essays on the Art of Chaucer's Verse** Alan T. Prosodists Alan Gaylord the editor of this volume had asked To show how Chaucer moves and in moving moves us is that not what the study of his prosody should do Should it not identify a pattern of sounds in motion a regular and expressive succession which is part of the order of verse and a major component of its effectiveness In the two decades that followed that essay a number of distinguished scholars provided a variety of answers for such questions arising from the authors work as metrical theorists or editors of medieval verse or literary historians or critics but in every case such work connected to the initiatives and discoveries of the classroom The best written and most useful of those essays by recognized authorities in their fields have been included in this volume The volume will be of use to the advanced student of Chaucer and medieval poetry and to the teacher interested in identifying explaining and bringing to life the patterns of sound and sense in Chaucer s verse The extensive master Bibliography for the whole volume comprises a library of references which will have been reviewed and discussed in the essays *John Gower, Trilingual Poet* Elisabeth M.
