Sabiston Textbook of Surgery David C. Sabiston, Courtney M. Townsend, 2008 This distinguished reference carries on a 70 year legacy as the world's most thorough, useful, readable and understandable text on the principles and techniques of surgery. Its peerless contributors deliver all the well-rounded state-of-the-art knowledge you need to richly grasp the pathophysiology and optimal management of every surgical condition so you can make the best clinical decisions, avoid complications, manage unusual situations and achieve the best possible outcomes. It is a valuable review tool for certification, recertification, preparation and an indispensable source of guidance on overcoming the challenges that arise in everyday practice. As an Expert Consult title, the thoroughly updated 18th edition comes with access to the complete contents online, fully searchable, enabling you to consult it rapidly from any computer with an Internet connection. In addition, this Premium Edition includes timely clinical updates online, plus links to MEDLINE, downloadable illustrations, bonus journal articles, review questions and much more. Offers a more distinguished team of contributors and a better blend of clinical and basic science information than any other source, providing you with the best possible understanding of the clinical issues surrounding every operative situation. Features a more user-friendly format, a larger and more helpful array of full-color illustrations and a more versatile and well-constructed web site than other resources, making the answers that you need easier to locate and understand quickly. Offers an organization and content that parallels the written board American Board of Surgery exam, providing excellent preparation for certification and recertification. Includes access to the complete contents online, fully searchable, PLUS timely updates to reflect new scientific and clinical developments, references linked to MEDLINE, downloadable illustrations, bonus articles from important surgery periodicals such as *Surgical Clinics of North America*, the *American Journal of Surgery*, *Operative Techniques in General Surgery* and *Seminars in Colon and Rectal Surgery*, review questions and other valuable features. Incorporates an enhanced emphasis on surgical outcomes to mirror the growing importance of this topic. Delivers comprehensive updates to keep you current with the latest research techniques and emerging procedures in the field, as well as completely new chapters on Surgical Patient Safety and Regenerative Medicine. Your purchase entitles you to access the web site until the next edition is published or until the current edition is no longer offered for sale by Elsevier, whichever occurs first. If the next edition is published less than one year after your purchase, you will be entitled to online access for one year from your date of purchase. Elsevier reserves the right to offer a suitable replacement product such as a downloadable or CD-ROM based electronic version should access to the web site be discontinued.
