Sacred Debts State Civil War Claims And American Federalism 1861 188

Michael Seilmaier

Sacred Debts State Civil War Claims And American Federalism 1861 188:

Sacred Debts Kyle S. Sinisi,2003 In this analysis of the dynamics of state federal relations during one of the nation s most turbulent periods Sinisi sheds new light on the sources of modern political systems in America BOOK JACKET

Claiming the Union Susanna Michele Lee,2014-04-14 This book examines Southerners claims to loyal citizenship in the reunited nation after the American Civil War Southerners male and female elite and non elite white black and American Indian disagreed with the federal government over the obligations citizens owed to their nation and the obligations the nation owed to its citizens Susanna Michele Lee explores these clashes through the operations of the Southern Claims Commission a federal body that rewarded compensation for wartime losses to Southerners who proved that they had been loyal citizens of the Union Lee argues that Southerners forced the federal government to consider how white men who had not been soldiers and voters and women and racial minorities who had not been allowed to serve in those capacities could also qualify as loyal citizens Postwar considerations of the former Confederacy potentially demanded a reconceptualization of citizenship that replaced exclusions by race and gender with inclusions according to loyalty **States at War, Volume 5**

Richard F. Miller,2015-07-07 While many Civil War reference books exist there is no single compendium that contains important details about the combatant states and territories that Civil War researchers can readily access for their work People looking for information about the organizations activities economies demographics and prominent personalities of Civil War States and state governments must assemble data from a variety of sources with many key sources remaining unavailable online This crucial reference book the fifth in the States at War series provides vital information on the organization activities economies demographics and prominent personalities of Ohio during the Civil War Its principal sources include the Official Records state adjutant general reports legislative journals state and federal legislation federal and state executive speeches and proclamations and the general and special orders issued by the military authorities of both governments North and South Designed and organized for easy use by professional historians and amateurs this book can be read in two ways by individual state with each chapter offering a stand alone history of an individual state s war years or across states comparing reactions to the same event or solutions to the same problems *The Journal of Southern History*

Wendell Holmes Stephenson,2005 Includes section Book reviews **Sacred Debts** Kyle S. Sinisi,2003 **Süssen is Now Free of Jews** Gilya Gerda Schmidt,2012 Sussen Is Now Free of Jews offers a close look at the legacy of a few Jewish families from Sussen a village in the District of Goppingen which is located in the state of Baden Wurttemberg in southern Germany The author Gilya Gerda Schmidt looks at this rural region through the lens of two Jewish families the Langs and the Ottenheimers who settled there in the early twentieth century As a child she shared with the Langs the same living space for just a few months She remembers her mother s telling her of the Jews who lived in Sussen until the Holocaust More than thirty years later in a used bookstore in Knoxville Tennessee the author accidentally found documentation verifying the

Jewish presence in a book about the surviving Jews of Wurttemberg In it she found confirmation that there had been Jews living in Sussen until the Holocaust For the first time she had the proof she needed to look into the reality behind this lingering mystery Here began her detective like journey to find out what happened to the Jews of Sussen A decade of research into local and regional archives ensued and this very penetrating study is the result In it the author attempts to shed light on not just the original question of what happened to the two families during the Holocaust but also on a host of other questions What was it like to be Jewish in rural southern Germany a century ago What were the Jewish traditions of this region What were the relations between Jews and Christians before the Holocaust And where did those family members who were able to escape or who survived the concentration camps go when they left Sussen or Goppingen Few witnesses came forward yet the documents in the archives spoke volumes This micro history records the not so romantic journey of two Jewish families who lived in the Fils Valley The study also addresses issues of being an American prisoner of war of resuming life after the Holocaust of the bureaucratic nightmare of requisitions restitution and reparations and of life in America This unique book will be of interest to a general readership and is an important book for scholars in German and Holocaust studies Forthcoming Books Rose Arny,2003

Decoding **Sacred Debts State Civil War Claims And American Federalism 1861 188**: Revealing the Captivating Potential of Verbal Expression

In a period characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its capability to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring.
