Sacrifice In The Old Testament Its Theor:

Sacrifice in the Old Testament George Buchanan Gray,1925 **Sacrifice in the Old Testament** George Buchanan Gray,1971 **Sacrifice in the Bible** Roger T. Beckwith,Martin J. Selman,2004-04-20 The study of the theme of sacrifice is seen by many as peripheral not to say superfluous to the theological task The papers in this volume however given by members of the Biblical Theology study group of Tyndale Fellowship for Biblical and Theological Research bear witness to the centrality of the idea and practice of sacrifice in biblical religion Contributions cover the whole spectrum of the biblical treatment of the subject as well as survey its contemporary cultural and religious contexts whether Babylonian and Canaanite or Graeco Roman and Jewish The underlying goal of Sacrifice in the Bible is to ascertain how far the developed idea of sacrifice both as the pattern of human life and as the way of divine salvation in Christ is implicit in the ceremonial practice from which it arose **Sacrifice in the Old Testament** George Buchanan,1925 **Theology and the First Theory of Sacrifice** Ivan Strenski,2003-01-01 Strenski argues that public discourse about religious notions like sacrifice cannot be theological in our modern societies Theological notions of sacrifice and theological approaches to it should be replaced by those like that developed by the Durkheimians because theological discourse cannot but help being religiously biased **A Genealogy of Violence and Religion** James Bernard Murphy,2018-04-11 Why are religious rituals symbols and rhetoric so full of images of blood sacrifice and death Why does religious fervor so often lead to Holy War Crusade and Jihad No wonder many people assume that religion tends to give rise to violence But what if it were the other way around What if violence actually gave rise to religion So argued the French literary theorist and anthropologist Rene Girard 1923 2015 Described as the Darwin of the human sciences he was elected to the French Academy in 2005 for his seminal theories of sacred violence Girard argued that religious practices function to sublimate regulate and discharge human violence in controlled rituals Where does violence come from According to Girard from the social nature of human desire itself We desire things only because others desire them so desire is inherently rivalrous leading to violent conflict But if a scapegoat can be found then this war of all against all turns into a war of all against one Social order claimed Girard stems from the unity of a lynch mob Religious rituals then serve to commemorate the primordial murder of the scapegoat What are we to make of Girards provocative claims about human desire violence scapegoat killings and religion Political philosopher James Bernard Murphy presents here a series of sharp and witty dialogues in which Girard attempts to defend his ideas against attacks by rival theorists among them Sigmund Freud William James Simone Weil Elias Canetti and Joseph de Maistre Whatever we might think of his answers Girard asks challenging unsettling questions In these illuminating and lively exchanges Girard squares off with the titans of social theory **Messianic Revelation in the Old Testament** Gerard Van Groningen,1997-07-16 Books by evangelical scholars on messianism in the Old Testament are either outdated too brief or lack balance observes the author Messianic Revelation in the Old Testament represents the most thorough conservative

analysis of the century Van Groningen traces the messianic expectation as it is progressively revealed in the Hebrew Scriptures He first introduces the messianic concept defining its terms and uncovering its source He finds these messianic presentations rooted in and shaped by divine revelation The major part of this volume explores messianism s philological historical and theological aspects The result of this study writes the author reveals that the messianic concept refers to a royal priestly prophetic person and his work Passages that deal with these messianic motifs have been selected for close scrutiny and evaluation The author believes that a correct understanding of messianism in the Old Testament requires a balanced hermeneutical approach from exegeting the relevant texts and studying their historical context to interpreting prophecy and organizing its theological truths In the words of the author To omit one element is to do injustice to the Old Testament Van Groningen has included an extensive bibliography of both books and articles for those wishing to pursue additional study A Scripture index helps one to locate the author s exegetical insights on various passages An index of persons concludes the work

Systematic Theology, Volume 2, Second Edition James Leo Garrett Jr., 2014-09-14 Rivals the major systematic theologies of this century Baptist History and Heritage Journal July 1996 One of the characteristics of Garrett s system that needs especially to be noted is its balanced judicious and nearly invariably objective presentation of materials While holding true to the teachings of his own Baptist faith Garrett so carefully and judiciously presents alternatives that teachers and students from other confessional and denominational positions will find his work instructive Consensus 1997 If one is searching for an extensive exposition of the biblical foundations and historical developments of the various loci of systematic theology there is no more complete presentation in a relatively short work than this Pastors will especially find this feature to be a real help in teaching theology It is an indispensable contribution to the task of systematic theology Journal of the Evangelical Theological Society September 1999 Many students and pastors will find all they need here and will in addition be helped to relate their knowledge to recent developments in the theological world The Churchman A Journal of Anglican Theology 1991 A gold mine of helpful material The Christian Century May 29 June 5 1991 No book that I know is more loaded with biblical and theological facts than this one The prodigious research that must have gone into the preparation of this volume is truly mind boggling Faith and Mission Fall 1991 Garrett has provided a massive and scholarly systematic theology from a thoroughly conservative and comprehensive viewpoint The work is well documented in both biblical and historical scholarship and will prove to be a classic William Hendrickson Southern Baptist Theological Seminary One of the most comprehensive concise books of its type available it should receive wide use in the classroom and in the study Robert H Culpepper Southern Baptist Theological Seminary

Systematic Theology, Volume 2, Second Edition James Leo Garrett, 2014-09-14 Rivals the major systematic theologies of this century Baptist History and Heritage Journal July 1996 One of the characteristics of Garrett s system that needs especially to be noted is its balanced judicious and nearly invariably objective presentation of materials While holding true to the teachings of his own Baptist faith Garrett so carefully

and judiciously presents alternatives that teachers and students from other confessional and denominational positions will find his work instructive

Consensus 1997If one is searching for an extensive exposition of the biblical foundations and historical developments of the various loci of systematic theology there is no more complete presentation in a relatively short work than this

Pastors will especially find this feature to be a real help in teaching theology It is an indispensable contribution to the task of systematic theology

Journal of the Evangelical Theological Society September 1999Many students and pastors will find all they need here and will in addition be helped to relate their knowledge to recent developments in the theological world

The Churchman A Journal of Anglican Theology 1991A gold mine of helpful material

The Christian Century May 29 June 5 1991No book that I know is more loaded with biblical and theological facts than this one

The prodigious research that must have gone into the preparation of this volume is truly mind boggling

Faith and Mission Fall 1991Garrett has provided a massive and scholarly systematic theology from a thoroughly conservative and comprehensive viewpoint

The work is well documented in both biblical and historical scholarship and will prove to be a classic

Robert H Culpepper Southern Baptist Theological Seminary The Social Meanings of Sacrifice in the Hebrew Bible David Janzen, 2012-08-09

This work uses anthropological theory and field studies to investigate the social function and meaning of sacrifice

All rituals including sacrifice communicate social beliefs and morality but these cannot be determined outside of a study of the social context

Thus there is no single explanation for sacrifice such as those advanced by Ren Girard or Walter Burkert or late 19th and early 20th century scholars

The book then examines four different writings in the Hebrew Bible the Priestly Writing the Deuteronomistic History Ezra Nehemiah and Chronicles to demonstrate how different social origins result in different social meanings of sacrifice

Sacrifice, Cult, and Atonement in Early Judaism and Christianity Henrietta L. Wiley, Christian A. Eberhart, 2017-09-28

Critical and creative studies that offer fresh perspectives on ancient ideas and practices

The contributions to this volume deal in various ways with the cult at the Jerusalem Temple that epitomized the religious cultural and socio political identity of Judaism for many centuries

Some essays examine ancient constitutive practices and concepts such as purification rituals sacrifices atonement or sacred authorities at the temple with the goal of interpreting their meanings for modern readers

Other essays explore alternatives to ancient cultic meaning and practice

Essays critique established traditions attempt to renegotiate them or use metaphor and spiritualization to expand the potential of these phenomena to serve as terminological and ideological resources

Thus they examine and affirm the continuing relevance of ancient Jewish cultic notions long after the destruction of the Second Temple in 70 CE

An international group of scholars representing different fields and diverse religious backgrounds

A thorough examination of traditions as through the lens of contemporaneous interpretive traditions such as Jewish prophecy the Dead Sea Scrolls and Early Christian literature

Examination of topics such as purification sacrifice and

atonement and the depiction and development of sacred authority throughout the Bible **The Hibbert Journal** Lawrence Pearsall Jacks, George Dawes Hicks, George Stephens Spinks, Lancelot Austin Garrard, H. L. Short, 1927 A quarterly review of religion theology and philosophy **The Origin and History of Hebrew Law** J. M. Powis Smith, 2005 Smith examines the history of Hebrew law from its beginning in the Decalogue to its close in the Priestly Code considers its relation to contemporary social history and compares it to the Hittite Assyrian and Babylonian codes Originally published Chicago University of Chicago Press 1931 ix 285 pp The extensive appendices contain complete translations of the Code of Hammurabi and the Assyrian and Hittite codes providing a background to the study of Hebrew law Recommended by Roscoe Pound in the Outlines of Lectures on Jurisprudence 5th Ed 233 Professor Smith traces the history of the Hebrew law as it is found in the Pentateuch He repudiates the Mosaic origin of the contents of the Old Testament with the exception of the primitive Decalogue the authorship of which he does ascribe to Moses He discusses the Covenant Code the Deuteronomic Code Ezekiel's Code the Holiness Code and the Priestly Code and he presents a new translation of the Code of Hammurabi the Assyrian Code and the Hittite Code thus bringing together in one body the records of the legislation of all the great peoples of Western Asia A vivid background is thus afforded for the study of Hebrew law Louis E Levinthal 7 Temp L Q 126 1932 1933 John M Erlin Powis Smith 1866 1932 was a professor of Old Testament language and literature at the University of Chicago In The Bible An American Translation 1935 the Old Testament was translated by a group of scholars under his editorship He was the author of The Moral Life of the Hebrews 1923 and other works **Jesus and the Last Supper** Brant Pitre, 2017-06-21 Who did Jesus of Nazareth claim to be What was his relationship with early Judaism When and how did he expect the kingdom to come What were his intentions Though these key questions have been addressed in studies of the historical Jesus Brant Pitre argues that they cannot be fully answered apart from a careful historical analysis of the Last Supper accounts In this book Pitre offers a rigorous up to date study of the historical Jesus and the Last Supper filling a significant gap in current Jesus research Situating the Last Supper in the triple contexts of ancient Judaism the life of Jesus and early Christianity Pitre brings to light crucial insights into major issues driving the quest for Jesus His Jesus and the Last Supper is sure to ignite discussion and debate **A Concise Dictionary of the Bible** William Smith, 1880 *A Dictionary of the Bible* William Smith, 1868 *Options on Atonement in Christian Thought* Stephen Finlan, 2007 In his previous book Problems with Atonement Stephen Finlan compellingly argues that the doctrine of atonement has been more a stumbling block to a true understanding of the relationship between God and humanity than a genuine explanation of how we relate to God and God to us Options on Atonement reprises these arguments briefly then looks more closely at the solutions to the problem offered by a variety of modern interpreters Finlan's focus in this volume is on revelation on the gradual human absorption of and interpretation of revelation received from God the maturing of human cultures and especially the light shed by modern family systems psychology At a time when public debates rage over the notion of evolution in the natural world

this book asserts that our understanding of divine revelation is likewise subject to evolution If religion itself does not evolve the author asserts we are left only with an unsatisfactory choice to remain mired in the past or to repudiate all that is past including our Scriptures Will that be our choice Or can we resolve to examine our traditions including that of the atonement in the light of new knowledge Stephen Finlan chooses to do just that **A Concise Dictionary of the Bible** Sir William Smith,1865 **Writing a Commentary on Leviticus** Christian A. Eberhart,Thomas Hieke,2019-04-15 Writing a commentary on a biblical book is not limited to the scholar s study and desk Hence several experts in the field of Hebrew Bible currently writing a larger commentary on the book of Leviticus followed the invitation of Christian Eberhart and Thomas Hieke to meet between 2014 and 2016 at the Annual SBL Conference They shared their experiences discussed hermeneutical and methodological considerations and presented their ideas about particular themes and issues in the third book of the Torah The results of these consultative panels had significant impact on the production of the commentaries The first part of this volume features essays reflecting on the process of writing a Leviticus commentary including boosts and obstacles while suggesting innovative insights on particular problems of the book The second part identifies certain themes of Leviticus especially sacrifices and rituals the cult the notion of unintentional and deliberate sins and purity impurity the bad and how to eliminate them and the relationship to the sphere of God the holy This section demonstrates how commenting a biblical book highly depends on the perspective a scholar takes and how different commentaries on the same biblical text come to different conclusions because of a diversity of methodological and hermeneutical approaches These are issues innate in the subject matter in the end the variety of approaches bears witness to the complexity intricacy and richness of the biblical text This volume therefore offers a fascinating inside view into the studies and onto the desks of several prolific biblical experts who share their reflections and concepts about their commentaries on Leviticus with an interested audience
